SUBJECT: NOTICE OF EXEMPTION FROM DAILY DRINKING WATER
          FLUSHING REQUIREMENTS

The Office of Environmental Health and Safety (OEHS) has conducted an
evaluation of sampling data at 74th Street Elementary (0001664401) and 74th
Street EL Gifted/High Ability Magnet (0001664402) as requested by the Facilities
Services Division (FSD). OEHS has determined that lead levels are below the
U.S. Environmental Protection Agency’s and the District’s thresholds for lead in
drinking water. As such, daily flushing activities at 74th Street Elementary may
cease.

Quality assurance/control sampling will be randomly conducted at school sites and
if necessary, corrective measures will be implemented. If it is determined that
daily flushing is then required, you will be notified in writing.

Please post this notice in a place appropriate for public viewing. If you should have
any questions or need assistance, do not hesitate to contact our office at (213) 241-3199.
