SUBJECT:   NOTICE OF EXEMPTION FROM DAILY DRINKING WATER 
            FLUSHING REQUIREMENTS

The Office of Environmental Health and Safety (OEHS) has conducted an 
evaluation of sampling data at Castle Heights Elementary (0001287701) as 
requested by the Facilities Services Division (FSD). OEHS has determined that lead 
levels are below the U.S. Environmental Protection Agency’s and the District’s 
thresholds for lead in drinking water. As such, daily flushing activities at Castle 
Heights Elementary may cease.

Quality assurance/control sampling will be randomly conducted at school sites and 
if necessary, corrective measures will be implemented. If it is determined that daily 
flushing is then required, you will be notified in writing.

Please post this notice in a place appropriate for public viewing. If you should have 
any questions or need assistance, do not hesitate to contact our office at (213) 241- 
3199.
