FROM:  Robert Laughton, Director  
      Office of Environmental Health and Safety

DATE:  January 9, 2017

SUBJECT:  NOTICE OF EXEMPTION FROM DAILY DRINKING WATER 
          FLUSHING REQUIREMENTS

The Office of Environmental Health and Safety (OEHS) has conducted an 
evaluation of sampling data at Clifford Street Math & Technology Magnet 
(0001311001) as requested by the Facilities Services Division (FSD). OEHS has 
determined that lead levels are below the U.S. Environmental Protection Agency’s 
and the District’s thresholds for lead in drinking water. As such, daily flushing 
activities at Clifford Street Math & Technology Magnet may cease.

Quality assurance/control sampling will be randomly conducted at school sites and 
if necessary, corrective measures will be implemented. If it is determined that 
daily flushing is then required, you will be notified in writing.

Please post this notice in a place appropriate for public viewing. If you should have 
any questions or need assistance, do not hesitate to contact our office at (213) 241- 
3199.
