SUBJECT:  NOTICE OF EXEMPTION FROM DAILY DRINKING WATER  
          FLUSHING REQUIREMENTS  

The Office of Environmental Health and Safety (OEHS) has conducted an  
evaluation of sampling data at East Valley Senior High (0001860701) as requested  
by the Facilities Services Division (FSD). OEHS has determined that lead levels  
are below the U.S. Environmental Protection Agency’s and the District’s  
thresholds for lead in drinking water. As such, daily flushing activities at East  
Valley Senior High may cease.  

Quality assurance/control sampling will be randomly conducted at school sites and  
if necessary, corrective measures will be implemented. If it is determined that  
daily flushing is then required, you will be notified in writing.  

Please post this notice in a place appropriate for public viewing. If you should have  
any questions or need assistance, do not hesitate to contact our office at (213) 241-
