FROM: Robert Laughton, Director  
Office of Environmental Health and Safety  

SUBJECT: NOTICE OF EXEMPTION FROM DAILY DRINKING WATER 
FLUSHING REQUIREMENTS  

The Office of Environmental Health and Safety (OEHS) has conducted an 
evaluation of sampling data at Augustus F. Hawkins Senior High-Community 
Health Advocates School (0001767739), Augustus F. Hawkins Senior High-
Critical Design and Gaming School (0001871301), and Augustus F. Hawkins 
Senior High-Responsible Indigenous Soc Entrepenuer (0001871201) as requested 
by the Facilities Services Division (FSD). OEHS has determined that lead levels 
are below the U.S. Environmental Protection Agency’s and the District’s 
thresholds for lead in drinking water. As such, daily flushing activities at Augustus 
F. Hawkins Senior High-Community Health Advocates School, Critical Design 
and Gaming School, and Responsible Indigenous Soc Entrepenuer may cease. 

Quality assurance/control sampling will be randomly conducted at school sites and 
if necessary, corrective measures will be implemented. If it is determined that 
daily flushing is then required, you will be notified in writing. 

Please post this notice in a place appropriate for public viewing. If you should have 
any questions or need assistance, do not hesitate to contact our office at (213) 241-
3199.
