SUBJECT: NOTICE OF EXEMPTION FROM DAILY DRINKING WATER 
 FLUSHING REQUIREMENTS 

The Office of Environmental Health and Safety (OEHS) has conducted an 
evaluation of sampling data at Legacy Senior High Science Technology 
Engineering Arts Math (0001892101) and Legacy Senior High Visual and 
Performing Arts (0001766401) as requested by the Facilities Services Division 
(FSD). OEHS has determined that lead levels are below the U.S. Environmental 
Protection Agency's and the District's thresholds for lead in drinking water. As 
such, daily flushing activities at Legacy Senior High Science Technology 
Engineering Arts Math and Legacy Senior High Visual and Performing Arts may 

cease. 

Quality assurance/control sampling will be randomly conducted at school sites and 
if necessary, corrective measures will be implemented. If it is determined that 
daily flushing is then required, you will be notified in writing. 

Please post this notice in a place appropriate for public viewing. If you should have 
any questions or need assistance, do not hesitate to contact our office at (213) 241-
3199.
