SUBJECT:  NOTICE OF EXEMPTION FROM DAILY DRINKING WATER  
          FLUSHING REQUIREMENTS  

The Office of Environmental Health and Safety (OEHS) has conducted an  
evaluation of sampling data at Serrania Avenue Charter for Enriched Studies  
(0001660601) as requested by the Facilities Services Division (FSD).  OEHS has  
determined that lead levels are below the U.S. Environmental Protection Agency’s  
and the District’s thresholds for lead in drinking water.  As such, daily flushing  
activities at Serrania Avenue Charter for Enriched Studies may cease.  

Quality assurance/control sampling will be randomly conducted at school sites and  
if necessary, corrective measures will be implemented.  If it is determined that  
daily flushing is then required, you will be notified in writing.  

Please post this notice in a place appropriate for public viewing.  If you should have  
any questions or need assistance, do not hesitate to contact our office at (213) 241-
