Office of Environmental Health and Safety

SUBJECT:   NOTICE OF EXEMPTION FROM DAILY DRINKING WATER
FLUSHING REQUIREMENTS

The Office of Environmental Health and Safety (OEHS) has conducted an
evaluation of sampling data at Sunrise Elementary School as requested by the
Facilities Services Division (FSD). OEHS has determined that lead levels are
below the U.S. Environmental Protection Agency’s and the District’s thresholds
for lead in drinking water. As such, daily flushing activities at Sunrise
Elementary School may cease.

Quality assurance/control sampling will be randomly conducted at school sites
and if necessary, corrective measures will be implemented. If it is determined
that daily flushing is then required, you will be notified in writing.

Please post this notice in a place appropriate for public viewing. If you should
have any questions or need assistance, do not hesitate to contact our office at
(213) 241-3199.
