              Office of Environmental Health and Safety  

DATE:         April 18, 2017  

SUBJECT:      NOTICE OF EXEMPTION FROM DAILY DRINKING WATER 
              FLUSHING REQUIREMENTS  

The Office of Environmental Health and Safety (OEHS) has conducted an 
evaluation of sampling data at Vena Elementary School (0001746601) as 
requested by the Facilities Services Division (FSD). OEHS has determined that 
lead levels are below the U.S. Environmental Protection Agency’s and the 
District’s thresholds for lead in drinking water. As such, daily flushing activities at 
Vena Elementary School may cease. 

Quality assurance/control sampling will be randomly conducted at school sites and 
if necessary, corrective measures will be implemented. If it is determined that 
daily flushing is then required, you will be notified in writing. 

Please post this notice in a place appropriate for public viewing. If you should have 
any questions or need assistance, do not hesitate to contact our office at (213) 241-
3199.
