SUBJECT: NOTICE OF EXEMPTION FROM DAILY DRINKING WATER  
FLUSHING REQUIREMENTS  

The Office of Environmental Health and Safety (OEHS) has conducted an  
evaluation of sampling data at Virginia Road Elementary (0001757501) as  
requested by the Facilities Services Division (FSD). OEHS has determined that  
lead levels are below the U.S. Environmental Protection Agency’s and the  
District’s thresholds for lead in drinking water. As such, daily flushing activities at  
Virginia Road Elementary may cease.  

Quality assurance/control sampling will be randomly conducted at school sites and  
if necessary, corrective measures will be implemented. If it is determined that  
daily flushing is then required, you will be notified in writing.  

Please post this notice in a place appropriate for public viewing. If you should have  
any questions or need assistance, do not hesitate to contact our office at (213) 241-
