Showcasing a vision for LGBTQ+ diversity.

We are inviting student artists to incorporate the OUT for Safe Schools badge or the theme of equity and inclusion for diverse sexual and gender identities into an artistic expression. Submissions can be of a variety of visual or performative arts, including spoken and written word.

Art will be displayed at the OUT for Safe School’s event on October 11 at L.A. Unified headquarters. Please send videos, recordings, or images of the art to Janise Escobar at jae2517@lausd.net. If necessary, transport of artwork can be arranged. All art work will be returned to the artists.

Please include a description of the piece, the student’s name, grade, school of attendance, contact information for staff, and release to display their work. Select student artists will be invited to attend the event.
