Unified Enrollment—IMPORTANT DATES for School Sites

Click [here](#) for DLE CHOICES timeline. Timeline for parents in [English](#), [Spanish](#).

DECEMBER 10-21—CONFIRMATION OR CORRECTION LETTER

Parents will be receiving a Confirmation or a Correction letter with important information regarding their application from Unified Enrollment. Parents have until the first week of January 2019 to submit any necessary corrections.

NOVEMBER - JANUARY 11—ENROLLMENT CAPACITY

All schools may log on to the Principals portal to find their DLE Quick Count of applicants that have submitted an application to their schools during the On-Time application timeline. In addition, use this [guide](#) to input your enrollment capacity for your dual language program by grade level. (Tip: Your enrollment capacity is the total number of students that can be enrolled per class size norm i.e. 24 in K-3 and 31 in grades 4-5/6, etc. If you have 2 dual language classes at a given grade level in K-3, the capacity would be $24 \times 2 = 48$.) The system will roll up your current grade level counts to the next grade level.

FEBRUARY 15-TARGET LANGUAGE ASSESSMENT VERIFICATION

If you have students applying to your school in grades 2 and above, you need to log on to the Principals Portal and click on the Unified Enrollment Tab to review the DLE Verification List of students that you may need to administer the target language diagnostic. Follow the directions on this [guide](#) to complete the verification process.
