Audience: Classroom teachers bilingual/dual language programs, Site/local teams of educators

The Elementary Dual Language Pedagogy Institute for Elementary Teachers develops the foundation and strategies that teachers need in order to implement effective, transformative, and sustainable dual language programs. Bilingual teachers will learn specific skills and strategies for:

- grounding their work in **bilingual pedagogy**,
- strategically coordinating **authentic literacy instruction**,
- facilitating learning that **capitalizes on cross language connections** and the power of the bilingual brain, and
- leveraging their **students and families cultural and linguistic assets**.
