

**LOS ANGELES UNIFIED SCHOOL DISTRICT
POLICY BULLETIN**

TITLE: Graduation Requirements for the Class of 2021

NUMBER: BUL-045786.1

ISSUER: Frances Gipson, Ph.D., Chief Academic Officer
Division of Instruction

Jesus Angulo, Director
Academic and Counseling Services

ROUTING
Local District Superintendents
Administrators of Instruction
Directors
Administrators of Operations
Counseling Coordinators
Secondary Principals
Secondary Assistant Principals
College Counselors
Counselors

DATE: February 23, 2018

POLICY: This bulletin outlines the graduation requirements for the class of 2021 and how they relate to the California State University (CSU) “a-g” minimum admission requirements. This bulletin also defines grade-level promotion requirements, a passing grade in “a-g” courses, the graduation requirements for English Learners and students with disabilities, and the alternative graduation requirements for foster youth, homeless and probation students eligible for exemptions provided under Assembly Bill 1806 (AB 1806) and AB 216, formerly AB 167.

MAJOR CHANGES: For the class of 2021, the circumstances under which high school numerical credit may be granted for Algebra 1 taken in middle school during grades 7 or 8 have changed (see page 4, Mathematics).

For the classes of 2021 and beyond, Literacy and Language and Advanced English Language Development (ELD) may substitute for twelfth grade English after the appropriate district-approved English course has been attempted (see page 3, English).

For the classes of 2020 and beyond, high school courses passed at a high school during the summer term between grades 8 and 9 will earn high school credit.

GUIDELINES: I. BACKGROUND

On June 14, 2005, the Board of Education approved the resolution to “Create Educational Equity in Los Angeles through the Implementation of the a-g Course Sequence as Part of the High School Graduation Requirements.” Enrollment in the “a-g” course sequence began in 2008. On June 9, 2015, the Board of Education approved a Resolution “To Recommit to a-g for All.” For the classes of 2016 and beyond, L.A. Unified graduation requirements require students to complete the minimum CSU “a-g” course requirements. The requirement of a grade of “C” or better was eliminated. In addition to the “a-g” course sequence, students must complete California Department of Education (CDE) and L.A. Unified requirements. The L.A. Unified “a-g” and the additional CDE and L.A. Unified course requirements require a passing grade of “D” or better for graduation eligibility.

II. GRADUATION ELIGIBILITY

To receive a high school diploma in L.A. Unified, students must earn 210 credits and a grade of “D” or better in all courses which satisfy the:

- Minimum CSU “a-g” course sequence
- CDE graduation requirements, and
- Additional L.A. Unified graduation requirements

Note: “Validation” in the tables below refers to the granting of “a-g” credit when a student successfully completes advanced work (earning a grade of “C” or better) in an area of sequential knowledge. For example, the student is presumed to have achieved proficiency in the lower-level coursework (e.g., Spanish 2B, successfully completed with a grade of “C” or better, validates Spanish 1A, 1B, and 2A). Validation does not meet numerical credit requirements, satisfy CDE requirements, or meet course enrollment requirements in any subject other than Language Other Than English (LOTE). See Section III, pages 9-10 below for subject-specific validation rules.

The table below summarizes the minimum “a-g” subject requirements, CDE and additional L.A. Unified requirements for graduation eligibility. More detailed tables for each subject area requirement follow.

	Subject	Years	Comments
“A-G” Requirements	A – History/Social Science	2 years	No Validation
	B – English	4 years	No Validation
	C – Math	3 years	Validation
	D – Lab Science	2 years	Validation (CSU: Chemistry Only)
	E – Language Other than English	2 years	Validation
	F – Visual & Performing Arts	1 year	No Validation
	G – College Prep Elective	1 year	No Validation
+	Subject	Years	
CDE – CA State Requirements	History/Social Science	3 years	World History, US History, Government, Economics
	English	3 years	
	Mathematics	2 years	2 years required in HS + Algebra requirement
	Science	2 years	Biological and Physical
	VPA or LOTE or CTE	1 year	
	Physical Education	2 years	
+	Subject	Credits	
L.A. UNIFIED Additional Requirements	Health Course	5	
	Service Learning Requirement		
	Career Pathway Selection		
	TOTAL CREDITS REQUIRED	210	

A. History/Social Science
3 years required

Table 1 – Recommended course sequence (also includes Honors) to meet the Requirement for History/Social Science			
9 th	10 th	11 th	12 th
	370127/28 WHG: Mod Wld AB OR 370133/34 AP Wld Hist AB	370129/30 US Hist 20th AB OR 370111/12 AP US History	370603 Prin Am Democracy OR 370605 AP Govt & Pol AND 370905 Economics OR 370906 AP Micro Econo OR 370907 AP Macro Econo

The CDE requires 3 years of social science to include World History, U.S. History, Principles of American Democracy, and Economics.

Principles of American Democracy and Economics are not necessary to meet the “a” requirement, but may satisfy the “g” requirement.

B. English
4 years required

Table 2 – Required course sequence (also includes Honors) to meet the requirement for English			
9 th	10 th	11 th	12 th
230107/08 English 9AB	230109/10 English 10AB	230111 American Lit. & 230201 Cont. Comp. OR 230115/16 Auth. Comp. AB OR 230125/26 AP English Language OR 230117/18 AP English Literature	230206 Expos. Comp. OR 230207 Adv. Comp. AND “b” Grade 12 ELA Literature Elective OR 230125/26 AP English Language OR 230117/18 AP English Literature OR 230231/32 ERWC AB

Students must be scheduled in the grade-level English courses listed (or an equivalent course shown in Table 2 above) for the year of high school in which they are enrolled.

Literacy and Language and *Advanced ELD* are categorized as English Language Development courses by University of California Office of the President (UCOP). A maximum of two semesters may be used to satisfy the “b” requirement if a grade-level English course is failed for grades 9-12.

C. Mathematics
3 years required

Table 3 – Recommended course sequence (also includes Honors) to meet the requirement for Mathematics			
9 th	10 th	11 th	12 th
310341/42 CC Algebra 1 (Year-long) OR 310233/4 Financial Algebra 1AB OR 310423/24 CC Geometry AB OR 310343/44 CC Algebra 2AB	310423/24 CC Geometry AB OR 310343/44 CC Algebra 2AB OR 310239/40 Financial Algebra 2AB OR other 2 nd year of math (see the approved courses list: http://achieve.lausd.net/Page/8039)	310343/44 CC Algebra 2AB OR other 3 rd year of Math (see the approved course list: http://achieve.lausd.net/Page/8039)	Additional years of mathematics depend on students' college and career goals (see the approved course list: http://achieve.lausd.net/Page/8039)

All course sequences listed in MEM-6801.0, *High School Mathematics Placement and Pathways*, dated March 30, 2017, include CC Geometry AB either immediately following CC Algebra 1 or taken concurrently with it.

L.A. Unified policy requires students to be enrolled in mathematics courses at least in grades 9 through 11.

Regardless of any validation, the CDE requires that 2 years of mathematics be successfully completed (passed with a “D” or better) while in high school. Each of the courses taken during high school must include Algebra I or a class that meets or exceeds the rigor of Algebra 1.

Students in the Class of 2021 who took Algebra 1 as part of the Highly Accelerated 8/Algebra 1 course during grade 7 received 10 high school mathematics credits for high school Algebra 1 under the previous guidelines also outlined in BUL-5325.1. Those guidelines were:

- A grade of “A” or “B” in Accelerated CC Algebra 1 and a score of “Proficient” or “Basic” in the Algebra 1 Summative Assessment, or
- A grade of “C” in Accelerated CC Algebra 1 and a score of “Proficient” in the Algebra 1 Summative Assessment.

Students in the class of 2021 and 2022 who took Algebra 1 during grades 7 or 8 will receive 10 high school mathematics credits for Algebra 1 taken in middle school if they earned a “D” or better in both semesters of Accelerated CC Algebra 1 (310339H and 310340H) or Highly Accelerated 8/Algebra 1 (310119H and 310120H). See MEM-6781.0, *Requirement for Granting Graduation Credits in Mathematics at Middle School*, dated October 17, 2016.

Students in the class of 2023 will no longer be eligible to receive 10 high school mathematics credits for middle school courses that include Algebra 1 content. See MEM-6781.0, *Requirement for Granting Graduation Credits in Mathematics at Middle School*, dated October 17, 2016.

For assistance, contact Secondary Mathematics at (213) 241-6444.

D. Laboratory Science
2 years required

Table 4 – Recommended course sequence (also includes Honors) to meet the requirement for Laboratory Science			
9 th	10 th	11 th	12 th
360121/2 ICS1AB (physical science) OR 360701/2 Biology AB	360701/2 Biology AB OR 360123/4 ICS2AB (biological science) OR 361401/2 Chemistry AB	361401/2 Chemistry AB OR 361501/2 Physics AB OR 361403/4 AP Chemistry OR 360707/8 AP Biology	Additional years of science depend on students' college and career goals (see the approved course list: http://achieve.lausd.net/Page/8040)

Students must complete at least one year of biological science and one year of physical science. Integrated/Coordinated Science 1 will satisfy the physical science requirement and Integrated/Coordinated Science 2 will satisfy the biological science requirement. Integrated/Coordinated Science 3 will satisfy either the biological or the physical science requirement.

Science requirements must meet the state standards and be taught by a teacher with the appropriate science credential.

The CDE requires that two years of science, one year of biological science and one year of physical science, be successfully completed (passed with a “D” or better) in high school.

E. Language Other than English (LOTE)
2 sequential years (4 sequential semesters) required, in the same language

Table 5 – Recommended course sequence (also includes Honors) to meet the requirement for LOTE			
9 th	10 th	11 th	12 th
LOTE 1 OR LOTE 2	LOTE 1, LOTE 2 OR LOTE 3	LOTE 2 or LOTE 3 Additional years of LOTE depend on students' college and career goals.	Additional years of LOTE depend on students' college and career goals.

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

The LOTE requirement may also be satisfied through examination. Attachment B identifies six examination options for students to demonstrate proficiency in LOTE. UCOP-approved LOTE courses completed in Grades 7 and 8 may be used to satisfy the L.A. Unified graduation requirement. Students will not receive high school numerical credit.

F. Visual and Performing Arts (VPA)

1 year required in the same discipline (dance, music, theater, and visual arts).

Table 6 – Recommended course sequence (also includes Honors) to meet the requirement for Visual and Performing Arts			
9 th	10 th	11 th	12 th
VPA Same discipline	 This requirement can be met at any grade level		Additional years of VPA depend on students' college and career goals.

G. College Prep Elective

1 year required

Table 7 – Recommended course sequence (also includes Honors) to meet the requirement for a College Prep Elective			
9 th	10 th	11 th	12 th
College Prep Elective	 This requirement can be met at any grade level		Additional years and subject choices depend on students' college and career goals (see the approved course list: http://achieve.lausd.net/Page/8043)

Students must satisfy this requirement by completing two semesters from the list of “g” approved courses: <http://achieve.lausd.net/Page/8043>. No introductory level courses in subject areas “c”, “e” and “f” may be used to meet the “g” requirement. If a student completes a course from the “a-f” subject areas beyond the minimum requirements, this course may be used to satisfy the “g” requirement. Economics and Principles of American Democracy may satisfy the “g” requirement.

H. Physical Education Course Requirement
2 years required

Table 8 – Recommended course sequence to meet the PE Requirement			
9 th	10 th	11 th	12 th
330105/06 ADV PE 1AB	330121/22 ADV PE 2AB		Additional years of PE depend on students' college and career goals.
	<div style="border: 1px solid black; padding: 5px; display: inline-block;"> ADV PE 2AB can be taken in Grades 10-12 </div>		

All students are required to pass four semesters of a physical education program (California Education Code 51222 and 51241). For specific service delivery options, refer to BUL-2528.1, *Physical Education Programs Grades K-12* and REF-6082.0, *Student Physical Education Exemption Letter*. Students in Grade 9 are to be enrolled in Physical Education Course ADV PE 1AB. All ninth grade students are expected to participate in the state-mandated physical fitness test (Fitnessgram®).

To complete the PE requirement, the district recommends two options:

- Option 1: All ninth grade students are to be enrolled in ADV PE 1AB (330105/06). Students must also take ADV PE 2AB (330121/22) in Grade 10. Students must continue to take PE in Grades 11 and 12, until they pass the physical fitness test.
- Option 2: For schools with lower numbers of students, any student in Grades 9 and 10, could be put in ADV PE 1AB or ADV PE 2AB where the students would receive all eight content areas over the course of two years. Students must continue to take PE in Grades 11 and 12, until they pass the physical fitness test.

School-sponsored, CIF-sanctioned, interscholastic competitive athletics may be used for physical education graduation credit. During the off-season, athletes may be enrolled in an Advanced Conditioning course (ADV COND, 330205), rather than one of the required courses listed in Options 1 and 2. The Advanced Conditioning course must include training for the appropriate sport as well as any of the state-required PE content areas (see <http://www.cde.ca.gov/ci/pe/>) not included in the sport. Students enrolled in winter season sports, or both a fall and spring sport are not required to be enrolled in Advanced Conditioning. (See Attachment G for a table of which course to schedule in each semester.)

Cheerleading (sideline), Drill Team, Dance, Aerobics, Golf, Badminton, Tennis, Basketball, Soccer, and other physical education single subject courses are elective courses and do not meet the physical education criteria. See Bulletin 2528.1, *Physical Education Programs - Grades K-12*.

I. Health Requirement
1 semester required
No validation

Table 9 – Recommended course sequence to meet the Health Requirement			
9 th	10 th	11 th	12 th
260103 HEALTH SH			→
<div style="border: 1px solid black; padding: 5px; width: fit-content; margin: 0 auto;"> Health SH is frequently scheduled in grade 9, but may be scheduled in any year. </div>			

Pilot and Partnership schools have other options to meet the health requirement. Refer to the Pilot School Manual or Partnership MOU for more details regarding the health requirement.

J. Non-Course Requirements
No validation

Table 10 – Non-course Requirements			
9 th	10 th	11 th	12 th
Career Pathway			→
		→	Service Learning
		→	210 Numerical Credits

1. Career Pathway Requirement

During the ninth grade, students shall be given the opportunity to explore and evaluate interests, skills, talents, and abilities, and an opportunity to identify the industries and careers that they would like to pursue. Career exploration may be done via Naviance, ConnectEd Studio’s ECCCO online curriculum, career fairs, worksite tours, work-based learning activities and websites, such as mynextmove.org, and careercruising.com. Please refer to REF-3973.6, *College Awareness Experiences for High School Students During the Annual LAUSD College Month in October*, dated September 28, 2017. Advisory periods, homeroom and counseling sessions are all options for delivering this exploration and assessment. As part of the annual Individual Graduation Plan (IGP) meeting, counselors will document the student's chosen career pathway, which must be aligned to Career Technical Education (CTE) courses and career pathways available at the school site (see REF-911, *Career Pathways Graduation Requirement*, dated July 6, 2012). The Career Pathway must be documented in MiSiS.

2. Service Learning Requirement

Students are expected to complete a service-learning experience that is integrated into the academic course curriculum. It must contain these 5 elements: Core Academic Learning, Meaningful Service, Student Voice, Reflection, and Collaboration. For details please see REF-3605, *Service-Learning Graduation Requirement*, dated March 12, 2007. Completion of the Service Learning requirement must be documented in MiSiS.

3. 210 Numerical Credit Requirement

Students must accumulate a total of 210 credits to meet the numerical credit requirement. Students will receive 5 numerical credits for semester-long courses passed with a grade of “D” or better. A year-long course passed with a grade of “D” or better earns 10 numerical credits.

Note: Requirements satisfied through validation and examination do not yield numerical credits.

III. VALIDATION AND SUBSTITUTION RULES

A. Validation

L.A. Unified has adopted validation rules that follow those used for CSU admissions requirements. Validation occurs when a student has successfully completed advanced work (earning a grade of “C” or better) in an area of sequential knowledge. For example, the student is presumed to have achieved proficiency in the lower-level coursework (e.g., Spanish 2B, successfully completed with a grade of “C” or better, validates Spanish 1A, 1B, and 2A).

B. Validation Limitations

1. Students do not earn numerical credits for requirements satisfied through validation.
2. Validation rules do not satisfy CDE minimum high school graduation requirements.
3. Validation does not satisfy the L.A. Unified requirement that students be enrolled in mathematics courses in Grades 9, 10 and 11.
4. For admissions criteria for colleges and universities, refer to the institutions’ websites and/or documentation to ensure that students will satisfy specific college admissions requirements.

C. Validation Guidelines

1. A grade of “C” or better in the second semester will validate a “D” or “Fail” in the first semester in advanced math classes, chemistry (CSU only), and LOTE.
2. A grade of “C” or better in a higher-level course validates a lower level course in advanced math courses and LOTE of the same language.
3. A grade of “C” or better in Statistics or AP Statistics will validate only Algebra I and Algebra II, not Geometry

4. A higher-level LOTE course can validate the appropriate number of years based on the level. Refer to the College and Career website at <http://achieve.lausd.net/Page/8041> to determine the LOTE level. For information on demonstrating LOTE proficiency by examination, see Attachment B.
 5. LOTE exams and subject matter tests do not meet the CDE requirements and will not yield L.A. Unified numerical credits.
- D. Satisfying “a-g” Course Requirements by Examination
Advanced Placement (AP), SAT Subject test, and International Baccalaureate (IB) exam scores may be used to satisfy L.A. Unified “a-g” course requirements. Refer to the CSU minimum score index listed in attachment H for more information. Note: satisfying “a-g” course requirements by examination will not meet any CDE requirements and will not yield L.A. Unified numerical credits.
- E. Substitution Rules for English Courses
Students may substitute L.A. Unified-required courses in the area of “b”, English, only after the appropriate grade-level district-approved English course has been attempted. Literacy and Language and Advanced ELD are categorized as English Language Development courses by UCOP. Although these courses are approved by UCOP to meet the “b” requirement, a maximum of two semesters may be used to satisfy the L.A. Unified “b” requirement. For a list of L.A. Unified-approved courses from the “b” subject area, visit the College and Career website: <http://achieve.lausd.net/Page/8022>.

IV. NUMBER OF REQUIRED COURSES AND MINUTES

- A. All students must be enrolled in a full schedule of classes each semester of high school to maximize student opportunities for learning. Students must be enrolled in all periods that are part of the school’s regular program, regardless of the bell schedule.
- B. The only exceptions to the above are:
 1. A twelfth-grade student who is on track for completing all of the requirements for graduation, and is enrolled in Work Experience, may attend high school for a minimum of 240 minutes per day in the last semester before graduation, upon the written request of a parent or legal guardian or upon his or her own request if the pupil is 18 years of age or over (California Education Code 46147/L.A. Unified Policy).
 2. An eleventh or twelfth grade student who is enrolled part time in college classes (with prior approval of an administrator or designee), for which academic credit will be provided, may attend high school for a minimum of 240 minutes per day (California Education Code 46146/L.A. Unified policy).

3. A student with an Individualized Education Plan (IEP), who has been granted approval by his or her counselor and IEP team to participate in courses or programs at an Adult Education Site or L.A. Unified Career/Transition Center or to participate in District-approved work experience program or transition-related program, may attend high school for a minimum of 180 minutes per day. Adult education, including courses taken at Occupational Centers and Skill Centers, may be counted as instructional time for students with an IEP. Instructional minutes can be combined across sites and include transportation between District-approved sites.
4. Permission is required by parent/guardian and the educational rights holder (if different from parent/guardian) for any student who meets the exceptions listed above and is placed on a shortened schedule. See Attachment C for the Parent/Guardian Authorization Form. Schools are responsible for collecting documentation that students are enrolled in college or a work experience program. Any student who meets the exemptions above may have his or her approval to have a shortened school day revoked by the principal or designee at any time.

V. CREDIT FOR COURSEWORK DURING THE SUMMER TERM BETWEEN GRADES 8 AND 9

- A. Students in the class of 2020 and beyond who earn a passing mark (“D” or better) in high school courses taken at a high school during the summer term between their eighth and ninth grade years will receive high school graduation credit for those courses. (BUL-1055, *Grade Point Average (GPA) for Class Rank Determination*, dated June 7, 2004)

VI. CREDIT FOR SCHOOL SERVICE, SIMILAR COURSES, AND REPEATED COURSES

- A. School Service courses are reserved only for Grade 12 students who are on track to graduate and meet all of the criteria outlined in REF-5886.1, *Student Enrollment in Service Courses*, dated August 17, 2016. Students in Grades 9 through 11 shall not be enrolled in a service class. The academic counselor, administrator, or designee must ensure that students meet the enrollment criteria for Service. The student’s parent, counselor, and administrator must sign the Parent Authorization Form, Attachment D, and keep the documentation on file. This must also be recorded in MiSiS in “Counseling Communications.” Click “add new record,” and check Program Scheduling. In the Comment box, note that the service agreement has been signed and returned on specific date.
- B. Since 2016-2017, Assembly Bill 1012 (AB1012) allows the assignment of students to such courses without “educational content” only if three conditions are met: 1) the pupil’s parent/guardian has consented in writing to such an assignment; 2) a school official has determined that the pupil

will benefit from being assigned to such a course; and 3) the principal or assistant principal has stated in a written document, maintained at the school for the relevant school year, that no students are assigned to those classes unless the school has met the above conditions. However, the legislation also states that under no circumstances shall a school district assign a pupil to a course period without educational content “because there are not sufficient curricular course offerings for the pupil to take during the relevant period of the designated school day.”

- C. AB 1012 further provides the same conditions when a student is scheduled in a course which he or she has previously completed and for which he or she has previously received a grade of “C” or better. See Attachment E.
- D. These conditions (i.e., parent consent and school official determination that the pupil will benefit from the course) do not apply to alternative schools, community day schools, continuation high schools, and opportunity schools.
- E. Schools assigning students to Service classes, other similar classes, or repeated classes to students must record the parent permission and administrator verification form (Attachment D and E) for every student and keep them on file.

VII. REQUIRED BENCHMARKS TO BE CONSIDERED ON TRACK IN EACH GRADE LEVEL

To earn a high school diploma, a student must satisfactorily complete the required “a-g” courses with a grade of “D” or better in addition to satisfying the CDE and additional L.A. Unified requirements. For students to be considered “on track” to graduate, they must earn a grade of “D” or better in the “a-g” grade level courses and the required numerical credits for that grade level (see Section VIII). To be considered eligible for UC or CSU admission, a student must earn a grade of “C” or better in “a-g” courses.

Grade Level Benchmarks			
9 th grade	10 th grade	11 th grade	12 th grade
1 • B English	1 • A World History	2 • A US History	3 • A Prin Am Dem • G Economics
1 • C Math	2 • B English	3 • B English	4 • B English
1 • PE	1 • D Bio or Phys Sci	3 • C Math	1 • F Vis & Perf Art
✓ • Career Pathway	1 • E LOTE	2 • D Bio or Phys Sci	1 • G Elective
	2 • PE	2 • E LOTE	✓ • Service Learning
½ • Health			
50 Credits	105 Credits	160 Credits	210 Credits

VIII. REQUIRED CREDITS TO PROMOTE FROM ONE GRADE LEVEL TO THE NEXT

Grade level promotion is based solely on the numerical credits earned. In order to promote to the next grade level, students must earn the total number of credits required as indicated in the chart below:

Grade 10	Grade 11	Grade 12
50 credits	105 credits	160 credits

Grade-level promotions are to be completed by fall norm day. Eleventh grade students who have earned 180 credits (170 credits on 4x4 schedule) by the beginning of the spring semester and who are on track to graduate at the end of the spring semester may be promoted to twelfth grade.

IX. ADULT SCHOOL CREDIT

Students may complete “a-g” courses in adult school. Schools need to verify that courses have received the appropriate “a-g” designation by checking the adult school’s approved “a-g” Course List on the UCOP website: <https://hs-articulation.ucop.edu/agcourselist#/list/search/institution> prior to student enrollment in class. Refer to BUL-1757.2, *Equivalent Academic Courses in Adult Education for Senior High School Diploma Credit*, dated March 31, 2016.

X. YEAR OF THE DIPLOMA

- A. When a student enters an L.A. Unified high school in grade 9 for the first time, the graduation year is set in MiSiS. Refer to REF-1963.1, *Graduation Year Guidelines to Determine Requirements for the Diploma*, dated March 13, 2017 and MiSiS job aids (<https://achieve.lausd.net/misisjobaids>) for additional information. Students must meet the graduation requirements of the school year listed on the diploma.
- B. If a student completes the graduation requirements at the end of summer school or intersession, or at the end of the fall semester following the graduation year (identified in MiSiS), he or she will receive the diploma with the previous June graduation date and be held to the graduation requirements of that school year.
- C. With the approval of the principal, students may continue to work on graduation requirements up to one year after the end of the fall semester following the original expected graduation date (three semesters). These students must be continuously enrolled and must make adequate academic progress to maintain their enrollment. The “Graduation Requirements Year” field is not changed, and these students must meet the graduation requirements of their entering cohort. Please refer to REF-1963.1, *Graduation Year Guidelines to Determine Requirements for the Diploma*, dated March 13, 2017 for additional information regarding students at Options Schools; English Learners; foster, probation and homeless students; and students with disabilities.

XI. STUDENTS WITH DISABILITIES

A. Waivers and Exceptions

Students with disabilities working toward a diploma are required to meet the same graduation standards as their non-disabled peers. Certain waivers and exemptions are available to eligible students with disabilities with an IEP to allow them to remain eligible for graduation with a high school diploma. The IEP team does not have the authority to grant waivers beyond those defined in District policy. Please refer to the following District policies for additional guidelines and procedures for waivers:

1. Algebra 1: See REF-5982.2, *Algebra 1 Waiver Procedures for Students with Disabilities*, dated August 21, 2017.
2. Algebra 2: See BUL-6257.1, *High School “A-G” Requirements and Students with Disabilities*, dated March 27, 2017.
3. LOTE (Languages Other Than English): All students must be enrolled in and pass (earn a mark of “D” or better) year one of a LOTE course. An exemption from the second year of LOTE is possible, in some

cases, for students with disabilities. See BUL-6257.1, *High School "A-G" Requirements and Students with Disabilities*, dated March 27, 2017.

4. Physical Education: See BUL-2457.1, *Physical Education Exemptions*, dated June 19, 2009.

B. Certificate of Completion

Students with disabilities who do not complete all of the requirements for a diploma may be eligible for a Certificate of Completion. Students on the core curriculum who earn a certificate of completion without earning a diploma are eligible to continue receiving special education services until they reach 22 years of age, or until earning a diploma, whichever comes first. Students who participate on the alternate curriculum, as indicated in their IEP, may be enrolled in graduation credit courses but with core standards modified/changed; therefore, these students are eligible for a Certificate of Completion in lieu of a high school diploma. See REF-4160.0, *Course Codes for High School Students Participating in the District Alternate Curriculum* for the list of high school alternate curriculum course codes. See REF-6056.4, *Issuance of Diplomas or Certificates of Completion for All Eligible Students with Disabilities*, dated April 10, 2017 for guidelines on issuing Certificates of Completion.

XII. ENGLISH LEARNER STUDENTS

- A. Per state and federal regulations, all English Learners who have not yet met the reclassification criteria are required to have an English Language Development course. English Learners who are classified as Long Term English Learners take Literacy & Language or Advanced ELD as their English Language Development course. Per University of California Office of the President (UCOP), Literacy & Language and Advanced ELD courses are approved for "b" credit and may be used to meet the "b" credit requirement for a maximum of two semesters. These courses, if not used to satisfy the "b" credit requirement, may be used for "g" credit.
- B. English Learners who are newcomers enrolling in high school as their first U.S. school experience may remain in high school until graduation requirements are met or through the age of 21, whichever comes first, as long as sufficient progress to meet graduation requirements is being made. In order to support newcomer English Learners in completing graduation requirements, they should be placed in the grade level that corresponds to the number of qualifying credits they bring and not be placed in a grade level solely based on age. This guideline ensures that newcomer English learner have access to extended time to complete graduation requirements.

XIII. FOSTER, HOMELESS, AND PROBATION STUDENTS

A. Legislation

On September 23, 2013, AB 216 was passed and approved by the Governor to amend Section 51225.3 of, and add Section 51225.1 to the Education Code, relating to high school graduation for students in foster care. As of January 1, 2015, AB 1806 was signed into law, revising section 51255.1 of the Education Code, extending these provisions to students experiencing homelessness. Students who qualify for AB 167/216 and AB 1806 are youth in foster care, identified as homeless, or on probation at the time of a school transfer. To be considered a youth in foster care for purposes of AB 167 and AB 216 graduation, the youth must be subject to Welfare and Institutions Code (WIC) Sections 300 or 309 petition, regardless of where they live. To be considered a probation youth for purposes of AB 167 and AB 216 and AB 1806 graduation, the youth must be subject to a petition under WIC Section 602, regardless of where they live. A youth is considered a WIC 602 youth as soon as he or she is charged with a crime in delinquency court; he or she does not need to be found guilty or placed on probation.

B. Provisions

1. Foster, homeless or probation youth who transfer between schools any time after the completion of their 2nd year of high school are exempt from all coursework and other requirements adopted by the school district that are in addition to California coursework requirements for graduation, unless the district determines that the student is reasonably able to complete the local requirements by the end of the student's 4th year of high school.
2. If a school determines that a student is reasonably able to complete the school district's graduation requirements within a 5th year of high school:
 - a. The school shall inform the student of his or her option to remain in school for a 5th year to complete the school district's graduation requirements.
 - b. The school shall notify the student and the education rights holder about the effect this will have on his or her ability to gain admission to a postsecondary educational institution.
 - c. The school shall provide information about transfer opportunities available through the California Community Colleges.
 - d. The school shall permit the student to attend a 5th year of high school to complete the district's graduation requirements upon agreement with the student, if the student is 18 years or older, or with the education rights holder if the student is under 18 years of age.

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

3. The number of credits earned or the length of the student's school enrollment are to be used to determine whether the student is in his or her 3rd or 4th year.
4. Schools must notify the holder of education rights, the youth, and the youth's social worker within 30 days of a transfer of the exemption and whether the student qualifies for the exemption.
5. Foster, homeless and probation youth who meet the eligibility criteria for exemption under AB 167 and AB 216 and AB 1806 and complete the state graduation requirements before the end of their 4th year in high school are entitled to remain in attendance at their school. The school shall not require or request that the students graduate before the end of their 4th year of high school.
6. Schools must notify eligible students that any course requirements waived under AB 167 and AB 216 and AB 1806 will affect the pupil's ability to gain admission to a postsecondary education institution and shall provide information about transfer opportunities available through the California Community Colleges.
7. Students who meet the eligibility criteria for exemption under AB 167 and AB 216 and AB 1806 shall not be required to accept the exemption and are entitled to remain in attendance at their school. Foster, homeless and probation youth may not be denied enrollment in, or the ability to complete courses for which they are otherwise eligible, including courses necessary to attend an institution of higher education.
8. If an eligible student is not exempted from local graduation requirements or has previously declined the exemption, the school shall exempt the student at any time if the student requests an exemption and the student qualifies for the exemption.
9. If an eligible student is exempted from local graduation requirements, a school shall not revoke the exemption.
10. If an eligible student is exempted from local graduation requirements, the exemption shall continue to apply after the termination of the court's jurisdiction over the student while he or she is enrolled in school or if the student transfers to another school or school district.
11. Neither schools, officials, students, educational rights holders, social workers, nor probation officers may require or request that students in foster care, homeless, or on probation transfer to another school in order to qualify the student for an exemption.

C. CDE Minimum High School Graduation Requirements

The minimum graduation requirements for eligible students in foster care, homeless students or students on probation as required by the CDE are the following number of courses in the subjects specified, each course having a duration of one year, unless otherwise specified:

1. Three courses in social studies, including United States history and geography; world history, culture, and geography; a one-semester course in American government and civics; and a one-semester course in Economics.
2. Three courses in English.
3. Two courses in mathematics. Algebra 1, or an advanced Algebra course, must be completed in Grades 7-12.
4. Two courses in science, including biological and physical sciences.
5. One course in visual and performing arts, or LOTE, or Career and Technical Education (CTE).
6. Two courses in physical education, unless the pupil has been exempted pursuant to the provisions of this code. Refer to BUL-2457.1, *Physical Education Exemptions*, dated June 19, 2009 for guidelines.

Students must complete the CDE requirements with a grade of “D” or better. In many cases, completion of an “a-g” course will also satisfy the CDE requirement.

If the principal, or designee, and the counselor determine that a foster, homeless or probation student has met the requirements listed in AB 167 and AB 216 and AB 1806 and will graduate and receive a diploma meeting the minimum CDE requirements, this information should be noted in the cumulative record and MiSiS. Refer to BUL-6718.0, *Educational Rights and Guidelines for Youth in Foster Care, Experiencing Homelessness and/or Involved in the Juvenile Justice System*, dated August 8, 2016.

XIV. INTERNATIONAL BACCALAUREATE PROGRAMS

International Baccalaureate (IB) courses meet district and CDE graduation requirements, and specific “a-g” requirements for UC/CSU eligibility. For example, courses 108015/6, IB BIO SL A/B, meet the district and CDE requirements for biological science, and the UC/CSU requirement for laboratory science. For specific application of IB courses to district and CDE graduation requirements, or to college eligibility requirements, contact your Local District Counseling Coordinator, or the Advanced Learning Options office in the Division of Instruction: <http://achieve.lausd.net/Page/1150>.

XV. FORMAL COMPLAINT RESOLUTION

The District’s Uniform Complaint Procedures (UCP) may be used to report noncompliance with applicable state and federal laws and regulations and/or to appeal District decisions regarding such complaints. UCP brochures and complaint forms are available at all school sites and on the District’s website at <http://achieve.lausd.net/Page/3655> in the primary languages of the school community. Complainants are encouraged, where possible, to try to resolve

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

their complaints directly at the school, work site, or with their Local District. A UCP complaint must be filed by way of the Uniform Complaint Procedures as written in Title 5 of the California Code of Regulations §§4600-4687. For more information regarding filing a complaint under the District's Uniform Complaint Procedures, contact the District's Educational Equity Compliance Office at (213) 241-7682.

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

AUTHORITY: This is a Los Angeles Unified School District policy that is in alignment with the California Education code and the “a-g” requirements of the California State University.

	Additional requirements		Min GPA: 2.0 SAT or ACT EPT/MPT	Min GPA: 3.0 SAT or ACT SAT Subject Tests	Min GPA: varies SAT or ACT SAT Subject Tests	

**Validation applies only with marks of "C" or better*

**DEMONSTRATING LANGUAGE PROFICIENCY IN A LANGUAGE OTHER THAN ENGLISH (LOTE)
THROUGH EXAMINATION**

Students may demonstrate proficiency and meet the LOTE requirement through one of the following exams:

- AP exam in a language other than English passed prior to the end of Grade 12 (including middle school, if applicable), regardless of whether the student was enrolled in an AP world language course.
- IB exam in a language other than English passed prior to the end of Grade 12 (including middle school, if applicable).
- L.A. Unified Spanish Equivalency Examination. Go to <http://achieve.lausd.net//Domain/296#spn-content>.
- Proficiency exam administered by an accredited college. Note that not all universities provide examinations to high school students.
- SAT Subject Test in a language other than English or SAT Subject Test in a language other than English with Listening passed prior to the end of Grade 12.
- School-developed examination – a student may demonstrate proficiency in a LOTE by taking an oral and written examination given by the world languages department of an L.A. Unified school that offers UC-approved "E" (LOTE) courses in the LOTE being assessed.

Note: Although students may meet the LOTE requirement per validation rules through the examination options listed above, exams do not yield L.A. Unified credit. Refer to BUL 2533.2 *Procedures for Granting Equivalency and Achievement Marks for Language other than English (LOTE) for the Graduating Classes of 2017 and Beyond*, dated October 4, 2017 for more information on meeting the LOTE requirement through examination and on how to enter passing tests scores in MiSiS.

Permission for Early Dismissal

Dear Parent/Guardian

Your child is requesting **permission to leave campus early**. We are legally responsible to inform you of the pending request.

Only 11th and 12th grade students may request early dismissal if they meet ALL of the following:

- fulfilled their grade level graduation requirements
- in good standing
- enrolled in an approved college course or enrolled in a work experience education program (*Student employment alone does not constitute enrollment in a work experience program*).
- A student with an Individualized Education Plan (IEP), who has been granted approval by their counselor or IEP team to participate in courses or programs at an Adult Education Site or L.A. Unified Career/Transition Center or to participate in an L.A. Unified approved work experience program or transition related program, may attend high school for a minimum of 180 minutes per day. Adult education, including courses taken at Occupational Centers and Skill Centers may be counted as instructional time for students with an IEP. Instructional minutes can be combined across sites and include transportation between District approved sites.

If your child attends an off-site class **with your approval**, he/she must meet the following requirements:

- Obtain counselor’s approval and signature prior to enrollment; otherwise, credit may not be granted.
- Forward verification of enrollment within ten (10) school days to their counselor
- Forward transcript of final grade(s) to their counselor upon completion of the class

All students must

- Obtain parent’s approval/signature
- Show appropriate validation of early leave (e.g. sticker affixed to the back of the student’s photo ID) upon request by any school or law enforcement official.

Return completed form and a copy of your student schedule **with** photo ID in person to [*principal or designee*] in the [*office name*] Office

.....**Cut Along Dotted Line; Return Bottom Half**

Permiso para Salida Temprana

Estimado padre, madre o tutor:

Su hijo(a) pide **permiso para salir del plantel en un horario más temprano**. Tenemos la responsabilidad legal de informarle de esta solicitud pendiente. **Sólo los estudiantes de los grados 11 y 12 pueden pedir salir en un horario más temprano si cumplen con TODOS los siguientes requisitos:**

- Cumplir con sus requisitos de graduación para su nivel de grado.
- Haber cumplido con todos los requisitos correspondientes.
- Estar inscrito en un curso universitario aprobado o en un programa de educación laboral profesional
- *(el hecho de que el estudiante trabaje no significa que esté inscrito en un programa como el mencionado con anterioridad).*
- Un estudiante con un Programa de Educación Individualizado (IEP) al que su consejero o comité del IEP le ha otorgado permiso para participar en cursos o programas en un Centro de Educación para Adultos o Centro de Transición o Laboral del LAUSD o participar en un programa aprobado de práctica laboral o de transición del LAUSD puede asistir a la preparatoria por un mínimo de 180 minutos diarios. La educación para adultos incluyendo cursos que se tomen en centros ocupacionales y vocacionales se pueden contar como periodo de enseñanza para los educandos con un IEP. Los minutos de enseñanza se pueden combinar entre distintos centros e incluyen el periodo de transporte entre los centros aprobados del distrito.

Si su hijo toma una clase fuera de la escuela **con su** aprobación, él o ella debe cumplir con los siguientes requisitos:

- Obtener la aprobación y firma del consejero antes de inscribirse, de lo contrario no obtendría ningún crédito académico.
- Enviar a su consejero la verificación de inscripción dentro de un periodo de diez (10) días escolares.
- Enviar a su consejero la constancia de calificaciones finales una vez terminada la clase.

Todos los estudiantes deben:

- Obtener la aprobación y firma del padre o madre.
- Mostrar la validación adecuada que les permite salir más temprano (v.g. el sello pegado al reverso de la identificación con foto del estudiante) si la pide personal escolar o de policía.

Entregue en persona el formulario completo y una copia del horario del estudiante **con** identificación con foto a [director o persona designada por el director] en la oficina de [office name]

..... **Corte a lo largo de la línea punteada y entregue la parte posterior de la hoja.**
