

Assets-Based Instructional Programs for English Learners and Standard English Learners

Teacher/Administrator Module

Do you want to understand how the new Master Plan policies affect your classroom organization?

This module is intended to provide educators and administrators with an understanding of assets-based instructional programs offered to support English Learners and Standard English Learners as required by the 2018 Master Plan for English Learners and Standard English Learners.

Engaged Learners will understand:

- Guiding Principles for instructing English Learners and Standard English Learners
- Instructional programs that value and affirm students' cultures and languages
- Typologies of English Learners and Standard English Learners
- Bilingualism and biliteracy

This is a voluntary course. There is no monetary compensation.
