

Multilingual and Multicultural Education Department ELEMENTARY INSTRUCTION

Integrated English Language Development (iELD) Math

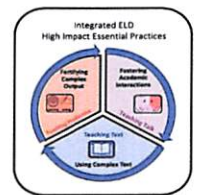

How can we ensure that our English Learners are receiving iELD during Math?

4 hour online Professional Development Course

Opens Monday, December 3, 2018

Engaged Participants will:

- Read from the CA ELA/ELD and Math Frameworks
- See the Three Reads, Math Interview and Math Summit in action
- Learn how the CA ELD and Content Standards work in tandem
- Reflect on how to ensure high levels of performance for English Learners

Participants will receive 4 hours pay
at training rate (\$25/hour)
for course completion

Please register through MyPLN
Keyword: iELD Elementary

NOTE: Participation is capped after 2,000
teachers/administrators complete the course.
NO PARTIAL PAYMENT FOR PARTIAL COMPLETION
