DATE: May 8, 2019

PURPOSE: The purpose of this Memorandum is to ensure consistency within the L.A. Unified School District for reporting student progress to parents during the 2019-2020 school year and to provide schedules for schools to follow for the online mark reporting process.

MAJOR CHANGES: This memorandum replaces MEM-5127.8, Dates for Required Progress Reports in Elementary Schools 2018-2019, dated June 1, 2018. Final Mark Reporting dates have been updated to reflect the 2019-2020 school year calendar approved by the Board of Education.

GUIDELINES: The following guidelines apply.

I. REPORTING PERIODS AND MiSiS ACCESS DATES

A progress report is provided to parents of all students enrolled at a L.A. Unified school for fifteen (15) or more academic days within any specific reporting period. Schools are to follow District reporting period schedules to ensure consistency for reporting student progress to parents during the 2019-2020 school year.

All elementary schools will issue progress reports to parents three (3) times during the school year. Reporting period schedules and My Integrated Student Information System (MiSiS) access dates for the 2019-2020 school year for the Single-Track instructional calendars, as well as suggested parent conference dates, are included in this Memorandum (Attachment A). Please see MEM-5787.7, Back-to-School and Open House Activities for 2019-2020, dated March 29, 2019, for detailed information regarding parent conferences.
II. REQUEST FOR MODIFICATION OF REPORTING DATES

Schools may request a modification of the reporting period schedules. The requested modification may not vary more than five days either before or after the specified reporting dates for the school’s calendar.

Schools varying from the specified reporting period dates must recalculate the appropriate number of instructional days for each reporting period to ensure a total of 180 days.

For changes to MiSiS grade entry or reporting period dates, schools must inform the Local District Director, fill out the “MiSiS Grading Period and Grade Entry Window Change Request” (Attachment B) including the required signatures, and fax the form to the MiSiS System Administrator at (213) 241-8454.

Grading period change requests are due Friday, October 31, 2019. If a school’s application is not received by the due date, no calendar changes will be made.

Grade entry or reporting period date changes will change in the Learning Management System (LMS), Schoology, one business day after MiSiS approves and processes the request.
