Information and Instructions to complete the Employee Election Form to Participate in the Classified School Employee Summer Assistance Program:

The 2018–19 Budget package signed into law provides \$50 million in one-time funding for the Classified School Employee Summer Assistance Program (CSESAP). The California Department of Education (CDE) will apportion funds to participating local educational agencies (LEAs) in August 2020, to provide up to a dollar for dollar match on amounts withheld from an LEA's participating classified school employees' monthly pay checks during the 2019–20 school year.

A participating LEA will pay their classified school employees the amounts withheld from the employee's monthly paychecks plus the CSESAP match funds attributable to the amounts withheld, in one or two payments in accordance with the employee's selected payment option made on this form, in the summer recess period following the 2019-20 school year.

Is your employer a participating LEA?

A participating LEA is required to notify its classified school employees by January 1, 2019, that it elected to participate in the CSESAP. If you received such a notification, your employing school district or county office of education (employer) is a participating LEA. If you did not receive a notification, or are unsure, please check with your employer.
