

Research Project Checklist

Partners:

Criteria	Yes ✓	No ✓	Why:
1. Slide 1 contains a relevant title.			
2. Slide 2 contains your research question and a visual.			
3. Slide 3 contains your one finding and a visual.			
4. Slide 4 contains a second finding and a visual.			
5. Slide 5 contains a new question you now have and next steps for continuing research.			
6. All slides (text and visual components) are organized/structured to address the research question.			

• **One thing you appreciated about the content or structure of the presentation:**
