AFFIRMATIONS AND ASSURANCES
KIPP Middle School #6 shall:

- Be nonsectarian in its programs, admission policies, employment practices and all other operations.
- Not charge tuition.
- Not discriminate against any student on the basis of disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in Section 422.55 of the Penal Code.
- Admit all pupils who wish to attend the school. EC 47605(d)(2)(A)
- Determine admission by a public random drawing, if the number of pupils who wish to attend the school exceeds the school capacity, and preference shall be extended to pupils who currently attend the Charter School and pupils who reside in the District. EC 47605(d)(2)(B)
- Not enroll pupils over nineteen (19) years of age unless continuously enrolled in public school and making satisfactory progress toward high school diploma requirements.
- Not require any child to attend the charter school nor any employee to work at the charter school.
- In accordance with Education Code Section 48705(d)(3), if a pupil is expelled or leaves the charter school without graduation or completing the school year for any reason, the charter school shall notify the superintendent of the school district of the pupil’s last known address within 30 days, and shall, upon request, provide that school district with a copy of the cumulative record of the pupil, including a transcript of grades or report card, and health information.

ELEMENT 1: THE EDUCATIONAL PROGRAM

The address of KIPP Middle School #6 is to be determined but will likely be located in Southeast Los Angeles.
The phone number of KIPP Middle School #6 is 213-489-4461.
The contact person for KIPP Middle School #6 is Marcia Aaron.

The term of this charter school shall be from July 1, 2013 to June 30, 2018.

The grade configuration is fifth through eighth grade.
The number of students in the first year is 130.
The grade level of the students the first year will be fifth grade.
The scheduled opening date of KIPP Middle School #6 is August 12, 2013.

The enrollment capacity is 482 (Enrollment capacity is defined as all students who are enrolled in Charter School regardless of student’s residency).
The instructional calendar will be: Summer school: August 12-23, 2013; Regular year: September 3, 2013-June 18, 2014.
The bell schedule for KIPP Middle School #6 will be: 7:30AM - 3:00 PM Regular Instruction, with up to three hours of supplemental instruction after regular instruction ends. If space is available, traveling students will have the option to attend.

**School Mission and Vision**
KIPP Middle School #6’s mission is to teach the academic skills, foster the intellectual habits, and cultivate the character traits needed for our students to thrive in high school, college, and life.

Central to the school’s mission is the belief that all students can succeed in rigorous college-prep environments when provided with high expectations, a disciplined commitment to academics, extended time for learning, including summer school and daily supplemental instruction, and access to a wide range of enriching learning experiences. It is now a truism that an excellent college education is necessary for expanded opportunities in an increasingly competitive and global 21st century job market. Therefore, a college preparatory ethos drives all aspects of the school, from the educational program to the allocation of resources and daily scheduling.

By utilizing the rigorous grade-level expectations articulated in California’s Content and Common Core Standards as well as by referencing the STAR CST Blueprints, academic learning at KIPP Middle School #6 will be driven by the teachers’ design and implementation of year-long pacing guides that ensure students have mastered core standards by the end of the third quarter. Data drives instruction at every step. Intervention and accelerated groups are used to ensure all students are challenged and supported in individual learning levels.

Our mission supports the notion that schooling should develop the character and self-identity of students. KIPP Middle School #6 will cultivate character strategically throughout the school year, focusing on the traits of Integrity, Grit, Zest, Curiosity, Self-Control, Gratitude, Love, and Optimism, which are based on the research of Martin Seligman and Chris Peterson. These character traits are discussed in more detail in the “School Character Traits” section below. Teachers are encouraged to incorporate the character traits in their lesson plans across content levels so that students receive a holistic education that builds academic and character skills.

The character-building program at KIPP Middle School #6 will include a solid foundation of excellent teaching and learning that is offered sooner, longer, and more intensively than at other schools. Academic learning follows a standards-based continuum from the lower to the upper grades. In fifth grade, students will learn a base of fundamental knowledge and skills that allows for more sophisticated high-level thinking in the eighth grade. Students must demonstrate mastery of standards in each grade to earn promotion to the next grade. The school’s rigorous, accelerated academic curriculum is geared toward ensuring that all students will be prepared for college-preparatory high schools.
School Character Traits

In order for the students to realize the mission of KIPP Middle School #6, character building will be integrated into the curriculum. The character building will be built around eight of the twenty-four character strengths identified by Seligman & Peterson in their research. These eight character traits are: Integrity, Grit, Zest, Curiosity, Self-Control, Gratitude, Love, and Optimism. The goal will be for each child to clearly articulate strengths and areas of growth within their own character using the eight character traits as key vocabulary. These reflective and honest conversations between members of the KIPP Middle School #6 community will lead to students matriculating from KIPP Middle School #6 as self-aware individuals that understand that our “character” is something that we work on, just as we work on our reading skills or math skills. They will be able to articulate what each character trait means and what it looks like. At KIPP Middle School #6, character instruction permeates every subject and part of the daily schedule; teachers will weave the character traits into their direct instruction in every lesson.

Integrity: Being someone that is true to your word and trustworthy, because as a person you own up to your mistakes and continuously follow through on your promises.

Grit: Having tremendous tenacity and never letting up, even in the face of challenges.

Zest: Bringing a vibrant energy to new endeavors.

Curiosity: It is not about knowing all the answers; it is about knowing how to find the answers.

Self-Control: Understanding that we cannot have everything we want all the time. Also, when one demonstrates self-control they understand that they share this world with others, and give others and opportunity to share.

Gratitude: Appreciating others for all that they bring to the world.

Love: Caring for others and the world, by being an empathetic individual that seeks to help others.

Optimism: When things are hard (whether academically or emotionally), to be hopeful that things will improve. This optimism will also tie greatly into grit, because often when we show grit in the present moment the future is filled with hope.

The KIPP Foundation

KIPP Middle School #6’s founding partnership is with KIPP LA Schools, a local 501(c) 3 non-profit organization. KIPP LA Schools, and other KIPP regions across the country, are supported by the KIPP Foundation. The KIPP Foundation is a national non-profit organization responsible for supporting excellence and sustainability across the network and leading network-wide innovation efforts to leverage KIPP’s growing scale. The Foundation provides a variety of supports and services to KIPP schools and regions in areas such as recruitment and training of school leaders, legal support, real estate, technology, finance, corporate governance, operations, communications, marketing, development and oversight. There are currently 125 KIPP schools operating in 20 states and Washington D.C. serving more than 41,000 students.
KIPP began in 1994 when Mike Feinberg and Dave Levin completed their two-year teaching commitment with Teach For America and launched a program based upon the KIPP Five Pillars (High Expectations, Choice and Commitment, More Time, Power to Lead, and Focus on Results) for 50 fifth graders at Garcia Elementary School, a public school in an underserved area of Houston, Texas. Their students’ accelerated academic achievement fueled the program’s expansion: KIPP Academy New York was opened by Dave Levin in the South Bronx in 1995, and KIPP Academy Houston was founded by Mike Feinberg as one of Houston’s first public charter schools. Both schools grew to become the highest performing middle schools (fifth through eighth grade) in their respective districts. After four years of attending a KIPP school, most students go on to some of the most prestigious private, boarding, and public high schools in the nation, including, in some regions, KIPP-operated high schools. Within Los Angeles, eighty-nine percent of KIPP students are low-income, ninety-nine percent are African-American or Latino, and nine percent qualify for special education services. More than ninety-five percent of KIPP LA middle school students have gone on to college-preparatory high schools, and eighty-six percent of our students have gone on to college.

In September 1999, CBS aired a “60 Minutes” special on KIPP. Subsequently, in January 2000, the Pisces Foundation proposed a unique partnership to Feinberg and Levin to replicate the success of their schools. The KIPP Foundation was established in April 2000 to provide aspiring school founders with the training and support to create and lead KIPP public schools in high-need communities across the country.

The founders of the KIPP Foundation have recognized that school leadership determines school performance. Thus the KIPP School Leadership Program was created to replicate the success of the original two KIPP academies by offering an innovative and prestigious entry point for outstanding educators to become School Leaders through the Fisher Fellowship that provides rigorous training, practice and support. (Please see Appendix A for information on the KIPP School Leadership Program.) While many of KIPP’s practices are replicated in schools across the country, only a successful graduate of the Fisher Fellowship is permitted to found a new KIPP school. The Fisher Fellowship provides a Fisher Fellow with a paid stipend during their start-up year and with intensive training and highly individualized support to develop in the following competency areas: Driving Results, Managing People, Building Relationships, Instructional Leadership, and Operational Management.

During the KIPP School Leadership Program, Fisher Fellows complete four key training components that are vital to starting a KIPP school: the KIPP School Leadership Institute, Residencies (at both KIPP schools and high-performing schools outside of the KIPP network), KIPP School Leadership Intersessions, and School Start-Up Period.

**KIPP School Leadership Institute:** The five-week KIPP School Leadership Institute, conducted in partnership with The University of Chicago, provides Fisher Fellows with the essential organizational, instructional, and operational leadership skills most relevant to opening and operating successful KIPP schools. Institute course work takes place during the summer and is led by professors from top business schools across the nation, as well as experts on instructional leadership, nonprofit management, school finance, governance, and operations. Topics covered
include organizational culture, finance, and instructional leadership and management. The Institute’s dynamic instructional setting immerses Fellows in an intense academic environment. Class sessions include participation in case studies, discussions and role-playing.

**The Residency Period:** Fisher Fellows serve as residents in KIPP and other exemplary schools over the course of four months to broaden their perspective on leadership and effective school models. The Residency period allows KIPP Fellows to experience the culture and activities of successful schools around the country in preparation for starting and leading their own KIPP schools. Throughout the fall months, Fellows rotate through key school roles, learning through hands-on training by assisting Principals, teachers, office managers, development directors, counselors and other staff. Residencies are punctuated by local, regional, and national training events customized to each Fellow’s learning needs and by visits to their hometowns, where they begin to cultivate relationships with the district, school board, community members, and parents with whom they will partner to open the school.

**KIPP School Leadership Intersessions:** Fisher Fellows participate in four School Leadership Intersessions during the course of the Fisher Fellowship. During these Intersessions, the KIPP Foundation invites facilitators and/or organizations such as The New Teacher Project and Research for Better Teaching to provide additional training geared towards the instructional, operational, and organizational management of a school.

**School Start-Up Period:** After the Institute and Residencies, all Fisher Fellows return to their school’s community for the final six months of the start-up period. This is the time when Fellows are recruiting students and staff, meeting with parent advisory groups, building community partnerships, collaborating with the fundraising team, and designing professional development workshops.

During the critical first two years of school operations, it is essential to establish a strong school culture and obtain outstanding academic results. To ensure success, KIPP Middle School #6 will receive support from its parent organization, KIPP LA Schools. In 2008, KIPP LA Schools received a $12 million ten-year pledge from The Broad Foundation to help cover costs for certain new schools and to launch a School Support Center (SSC) to provide back office services to our schools. With the SSC assuming some of the key operational duties previously performed by the School Leaders, those leaders will be able to focus on the most important aspect of their jobs: instructional leadership and school culture visioning.

The SSC structure enables KIPP schools to maximize their academic achievement and operational capacity. Specifically, existing as a collective region benefits our schools in the following ways:

- By providing operational, financial, fundraising, advocacy, legal, professional and leadership development, vendor management, data analysis, and facilities services, the SSC relieves School Leaders of key operational duties and thereby allows them to focus on instructional leadership and student achievement.
A combined, single KIPP LA organization is better able to strengthen its brand and promote awareness of KIPP in Los Angeles, improve its recruiting efforts and human capital programs, and facilitate fundraising and outreach opportunities.

As the school base grows, the SSC will work closely with School Leaders to foster continuous improvement in KIPP LA’s academic programs, by facilitating knowledge-sharing, region-wide professional development, data analysis, and accountability standards.

By developing a regional organization, KIPP LA leadership can both support and hold our schools accountable to the high standards expected of all KIPP schools.

During its first year of operation, every new KIPP LA charter school undergoes an intensive school review using KIPP’s evaluation protocol. 102 Group, in collaboration with KIPP Foundation and KIPP LA Schools, will spend two days evaluating KIPP Middle School #6 to determine how the school is progressing toward implementing its mission and realizing its vision. This review will take place early in the year to ensure that potential improvements can be acted upon in a timely fashion. Members of the review team will include 102 group professionals as well as other KIPP school leaders and select members of the KIPP LA leadership team.

In year two, KIPP LA Schools will contract with School Works to conduct a second year review and inspection. The SchoolWorks inspection adds an additional layer of accountability along with the District and state. The purpose of both of these reviews is to determine each school’s success in implementing KIPP’s Five Pillars and fulfillment of the KIPP mission to provide educationally underserved students with the knowledge, skills, and character required to succeed in top quality high schools, colleges, and the competitive world. The KIPP SchoolWorks Quality Review (SQR) answers key questions by collecting evidence from student achievement data, school documents, interviews, and classroom observations. The evidence is collected and analyzed by a team of qualified educators over the course of several days in the school.

The criteria for the SQR specifically address the following domains of effective practice:

**Student Attainment**
- Absolute student performance
- Student performance growth

**Teaching and Learning**
- Curriculum
- Instruction and student engagement
- Ongoing assessment
- Classroom management

**Governance and Leadership**
Governance
School management
Organizational leadership
Instructional leadership

Learning Community
Mission, vision, and values
School climate and culture
Professional culture
Student culture
Continuous process for improvement

The final products of the SQR are a verbal report on the last day of the visit and a subsequent written report. Both reports focus on priority strengths that should be celebrated and priority areas for improvement that must be addressed to better serve students. Please see Appendix B for a sample New School Review Evaluation.

About KIPP LA
KIPP LA’s mission is to teach the academic skills, foster the intellectual habits, and cultivate the character traits needed for our students to thrive in high school, college, and life. Through the success of our students, the KIPP LA team and family will serve as a model of excellence and collaborate with others to raise the quality of education in Los Angeles. KIPP LA’s schools feature a “no shortcuts, no excuses” philosophy and a strong culture of achievement. Our curricula are designed to provide students a well-rounded education, with sufficient time dedicated to academics, the arts, enrichment, and physical education. KIPP LA’s educators are committed to giving students the support and motivation they need to excel in school and beyond.

KIPP LA Schools is working hard to prove what is possible in public education. By promoting excellence in education throughout our elementary and middle schools, KIPP LA aims to prove that every child can learn and achieve at the highest levels and can ultimately succeed in college and life.

In the long-term, we envision that KIPP LA will prove to be a transformative element in the South and East Los Angeles communities we serve. While college matriculation rates are exceedingly low in these regions, more than 85 percent of KIPP alumni nationwide have gone on to college. By maintaining a similar college matriculation rate at KIPP LA, we estimate we will significantly increase our communities’ collective college-going rate. As the number of KIPP LA graduates grows, expectations for high academic standards will prevail, and demand will increase for an excellent education for all children. We foresee that our alumni – as self-directed, purposeful college graduates – will also work to improve educational and economic opportunities across Los Angeles.
**KIPP LA’s Track Record of Success**

KIPP Middle School #6 is modeled after KIPP LA’s successful middle schools that are in operation in South and East Los Angeles. Since our first schools opened, KIPP LA has established a strong record of academic achievement. In the 2011-12 school year, our students outperformed 83% of middle schools in Los Angeles Unified School District (LAUSD), as measured by the California Standards Test. According to California’s Academic Performance Index (API), KIPP LA Prep received a 924 API, making it the highest performing middle school in LAUSD. Our elementary schools have also achieved at high levels. Our oldest elementary school, KIPP Raíces Academy scored a 961 on the API, outscoring 98% of elementary schools in the state. On the spring administration of MAP (a national norm-referenced test), KIPP LA’s elementary schools outperformed comparison groups in reading and math 100% of the time. Further, KIPP Middle School #6 will implement successful practices that are used in other high quality public, private and KIPP schools across the country. KIPP makes no excuses based on race, gender, socioeconomic status, or disability. The existing KIPP schools have proven that KIPP’s educational vision can be implemented with tremendous success.

All KIPP schools are open-enrollment public schools. Students choose to attend a KIPP school because they want a safe, challenging environment that provides them with every educational opportunity and puts them on the path to and through college. With KIPP schools around the country offering supplemental school hours and days, often from 7:30 AM–5:00 PM during the week and additional weeks during the summer, KIPP schools provide more time for high impact teaching and learning. At KIPP, instruction is intended to meet students where they are and to then maximize the proven effects of data-driven instruction, differentiation, and personal relationships to help move children who often enter below proficiency standards to proficient and advanced levels for their grade. The success of the existing KIPP LA middle schools exemplifies the accelerated growth of our KIPPsters and what is possible given the academic supports and rigorous instruction provided during our school days. [See Figure 1.1 below]

Every year, hundreds of educators, parents, professors, and interested citizens visit KIPP schools to glean best practices, largely as a response to KIPP’s success in boosting academic achievement performance gains and implementing strong school-wide cultures. KIPP’s success has been featured by international and national media sources, including the *New York Times*, the *Washington Post*, *Newsweek*, *People Magazine*, *Education Week*, *Business Week*, ABC’s *Good Morning America*, CBS’s *60 Minutes*, *U.S. News and World Report*, *USA Today*, National Public Radio, PBS, *The Oprah Winfrey Show*, *NBC Nightly News*, *ABC World News*, *The Economist*, and many others.

An independent study conducted by the Educational Policy Institute in 2005 found that KIPP students made “large and significant” gains beyond what is average for schools on the SAT-10, a national norm-referenced test.
In another measure of student achievement, we successfully place over 95% of outgoing eighth grade students in a variety of KIPP LA-approved college-preparatory high schools, including the Stevenson School, the California Academy of Math and Science, and Harvard-Westlake School. Of KIPP LA’s oldest cohorts of alumni, the classes of 2011 and 2012, 98% graduated from high school, 90% were accepted to four and two-year colleges and universities, and currently 84% are persisting in college. This is over four times the national average for students from low-income communities.

Figures 1.1 below shows that longer hours in school, excellent teachers, and a structured learning environment are producing significant academic gains and putting students on the path to college. KIPP has achieved exceptional results with some of the most underserved students in Los Angeles.

**Figures 1.1: KIPP Middle School Student Growth, MAP Assessment, 2011-12**

![Chart showing student growth in math and reading](image)

Based upon 2012 API scores, KIPP LA Prep is the highest performing middle school in all of LAUSD with an API of 921 and KIPP Academy of Opportunity vastly outperformed its neighboring middle schools earning an API of 821. Figure 1.2 below shows the 2012 API scores of KIPP LA Prep, KIPP Academy of Opportunity, and other similar middle schools in the District.

KIPP's Five Pillars

KIPP Middle School #6 will achieve its mission and vision through its implementation of KIPP’s Five Pillars, its partnership with the KIPP Foundation and KIPP LA Schools, and through KIPP’s educational philosophy. KIPP’s Five Pillars, the core operating principles that all KIPP schools share, will drive KIPP Middle School #6 and are as follows:

High Expectations. KIPP schools have clearly defined and measurable high expectations for academic achievement and conduct that make no excuses based on the students’ backgrounds. KIPP Middle School #6 will establish a college-ready culture in which clear, rigorous goals are set for both the academic achievement and conduct of our students. KIPP Middle School #6 staff is hired only when they demonstrate they believe all students can and will learn. They need to possess the drive and determination to do whatever is necessary to support student success. All students are expected to be prepared each day to work hard, be nice and make decisions to positively impact themselves and their community.

Choice and Commitment. Students, their parents, and the faculty of each KIPP school choose to participate in the program. No student is required to attend KIPP Middle School #6 nor is any employee required to work at the school. After gaining a thorough understanding of the expectations and goals of the school, KIPP Middle School #6 parents, students, and staff will sign a Commitment to Excellence form in which the responsibilities, requirements, and expectations of each stakeholder are detailed. It is essential that all students, parents, and staff understand why the extra time and the rigorous program are essential for student success. Please see Appendix C for a sample of the Commitment to Excellence form.

More Time. KIPP schools know there are no shortcuts when it comes to helping educationally underserved students succeed academically. A supplemented school day and summer school mean more time for students at
KIPP Middle School #6 to acquire the academic knowledge and skills as well as the broad extracurricular experiences that prepare them for competitive high schools, and colleges. The longer school day at KIPP Middle School #6 allows time to teach subjects such as science, social studies, art, music and physical education in addition to focusing on English language arts and math. All core classes are taught between 7:30 and 3:00. Supplementary instruction after 3:00 allows for a variety of enrichment and recreational activities not offered during the regular school day, such as sports or drama. Since students learn at different developmental levels, the supplemental time also allows staff to offer intervention for those students that need support and to accelerate those students that are advancing at a faster pace. Additionally, summer school sessions are offered to reinforce school values, character traits and further prepare students for success. While the official school day, 7:30 to 3:00, will meet or exceed the required instructional minutes, KIPP Middle School #6 will offer a supplemented day extending up to three hours after the regular school day ends in order to better prepare students through additional classes as well as where needed instruction and interventions.

**Power to Lead.** The School Leaders of KIPP schools are effective academic and organizational leaders who understand that great schools require great School Leaders. They have control over their school budgets and personnel. They are free to move dollars or make staffing changes, allowing them maximum effectiveness in helping students learn. With the power to lead, the School Leader will be able to make decisions based solely upon what is best for KIPP Middle School #6 students.

**Focus on Results.** KIPP schools relentlessly focus on high student performance on standardized tests and other objective measures. Students are expected to achieve a level of academic performance that will enable them to succeed at the nation’s best middle schools, high schools, and colleges. KIPP Middle School #6 students will take start-of-year assessments to determine their current performance levels. At the beginning of the year, all students, teachers, classes, and grade level teams will set goals for the year. KIPP Middle School #6 will consistently monitor all students’ mastery of the California content standards and Common Core standards through informal assessments such as observations, and more formally through weekly standards assessments. Systems of accountability will be in place that will monitor progress such as weekly AYP Reports and quarterly benchmarks. Data will be analyzed and will inform and drive instruction. End-of-year assessments, including state-mandated assessments, will be administered to monitor annual growth. Results of end-of-year assessments will be analyzed in depth each summer to make improvements for the upcoming year. Data such as number of discipline situations and improvement in minimizing such situations will be monitored by teachers and administrators, as will individual student growth in embodying and exemplifying the school’s values.

**Student Population**
By the time the school is at full capacity in 2017, KIPP Middle School #6 will create a supportive, rigorous and personalized learning environment with a focus on college-readiness for approximately 482 students.

As a public school, KIPP Middle School #6 will be tuition-free and will admit any middle school-aged student regardless of ethnic, socioeconomic, or religious background. KIPP Middle School #6 will work in tandem with parents, community members, and the Los Angeles Unified School District to realize the mission of the school. Although the school will be open to any student, KIPP Middle School #6 will target students in communities of Los Angeles with traditionally high free and reduced lunch rates and a high percentage of students from ethnic backgrounds historically underrepresented in higher education.

KIPP Middle School #6 will not wait for motivated middle school-age students and families to come to the school; rather, the staff will participate in active outreach and recruitment efforts, going door-to-door to homes, community centers, salons and grocery stores, in order to seek out parents and families who might not otherwise become aware of this opportunity for their children.

**Demographic Information for Prospective Site**

As KIPP schools strive to serve students in primarily under-resourced low-income communities, KIPP Middle School #6 will be established in a community with demographic information that indicates significant need. Currently, KIPP Middle School #6 is exploring prospective sites in and around the Southeast Los Angeles community. The final location of this school will be determined in large part by facilities. If LAUSD facilities are used during the term of this charter, KIPP Middle School #6 shall abide by all LAUSD policies relating to Maintenance and Operations Services.

Below is a chart identifying the demographic information in the prospective sites and targeted student population:

Typical Day

It is 7:10 AM on a Tuesday in mid-November and Lupita, a fifth grade student at KIPP Middle School #6, has just arrived on campus. She joins her classmates in the lunch area where she eats her breakfast, a bowl of cereal, fruit, and milk, and begins her morning writing prompt.

At 7:25 AM all of the students line up by homeroom and gather around the School Leader for morning announcements. Among other announcements, the School Leader reminds the students about this week’s “Friday Fun Day” to celebrate the school’s increased API score. She ended her remarks with one of KIPP Middle School #6’s signature chants.

From there Lupita goes to her homeroom, USC. On her way, Lupita waves goodbye to friends as they head to their respective college-inspired homerooms. Walking through the halls, Lupita passes brightly colored walls painted with KIPP credos (like “Work hard, be nice” and “One team, one family”) and adorned with college pennants, photos of the year-end field lesson destinations, and graphs charting key school metrics. Today, her homeroom is planning their design for the upcoming door decoration competition.

8:00 AM marks the beginning of regular instruction. Lupita takes a seat at her group’s designated table in her English Language Arts classroom. As is the case in all of his classes, her teacher, Mr. Springsteen, starts by reviewing the agenda, highlighting what students will learn, the activities planned, and why this topic is important. Lupita’s class is continuing a unit on folk tales and origin stories; she and her classmates are learning strategies for summarizing stories and deciphering unfamiliar words using context clues.

At 9:18 Lupita heads to her Humanities class, which combines history and writing. In the past few months, she has learned to identify the states and capitals. Today, in learning about the creation of the Thirteen Colonies, she makes the connection between Sir Walter Raleigh’s sponsorship of “The Lost Colony” and the origin of the North Carolina capital’s name. Using the Smart Board, Mrs. Cosby calls up a map of the Thirteen Colonies, comparing it to a current U.S. map. Since they are approaching the end of the unit, Lupita and her classmates prepare to write an expository paper on the colonies.

Lupita’s math class begins at 10:36. In math, Lupita is wrapping up the unit on mixed and proper fractions. After modeling how to multiply and divide fractions, and allotting time for students to practice sample problems, Mr. Lin assigns tonight’s homework, which involves additional practice in manipulating fractions.

At 11:54, Lupita heads to the cafeteria where she picks up a prepared healthy lunch. During lunch she has a chance to connect with some of her friends in the sixth grade. As she’s leaving the cafeteria, she says hi to her older brother, Anthony, who is in the seventh grade and is coming in for his lunch period.

At 12:27, Lupita makes her way to her science class. In science, fifth graders recently completed a unit on systems in the body and are now studying chemistry. In today’s class, Lupita is working with the three other students at her table to use models to make chemical reactions. Ms. Vogelsong is modeling and guiding how to form chemical reactions so that she understands how to make an excellent model.

At 1:45, in P.E. class, Lupita is practicing chin-ups and push-ups in preparation for the fitness test. Her teacher, Ms. Metroka, is excited to see how, within a few months, Lupita has increased her strength and flexibility. The second half of the period is free play, and Lupita and her classmates start a game of soccer, with Lupita playing goalie.

Regular instruction ends at 3:00 PM, marking the beginning of supplemental activities which run from 3:15—5:00 PM. From 3:15-4:00 PM, Lupita returns to her homeroom to do her homework. From 4:00—5:00 PM, Lupita goes to choir practice. (Earlier in the semester, when Lupita was having trouble with adding fractions, she took a break from choir to get more intensive tutoring support.) Today, she and her classmates are preparing for an upcoming holiday showcase, which will feature performances and exhibitions from all of the extracurricular arts classes.
At the end of the day, students will sign out of the enrichment program in their homeroom classes and walk to the dismissal area. Students will congregate by grade levels, with those students who walk home escorted off-campus by one of the parent-volunteer crossing guards. Students whose parents cannot pick them up at 5:00 will stay at school until 6:00 continuing to work on homework with one of the after-school program staff members.

**Becoming a 21st Century Educated Person**

Implementing the highest-quality instructional program is paramount to KIPP’s track record of success. At KIPP Middle School #6, high-quality instruction is state and Common Core standards-based, with an emphasis on character and academic skills, and is explicitly tied to the school’s mission of preparing students in Los Angeles for success in college and in life.

Although there are several important factors that contribute to student achievement, research has demonstrated that the quality of instruction in the classroom has twice the impact on student achievement as school-wide policies regarding curriculum, assessment, staff collegiality, and community involvement.\(^3\) While the quality of instruction cannot be emphasized enough, it is also important that schools focus on teaching the appropriate types of skills that will adequately prepare students for the challenges that await them. Tony Wagner, a researcher from Harvard University has done just that. Through interviews with senior executives and college admissions counselors, he determined what the seven survival skills are for workforce readiness. Therefore, to truly prepare our students to become 21st century educated persons, we must focus on these seven skills. They are:

1. Critical Thinking and Problem Solving
2. Collaboration across Networks and Leading by Influence
3. Agility and Adaptability
4. Initiative and Entrepreneurialism
5. Effective Oral and Written Communication
6. Accessing and Analyzing Information
7. Curiosity and Imagination\(^4\)

These seven survival skills for becoming 21st century educated persons are composed of both academic skills and character skills, which is why KIPP schools have always been founded with a dual purpose of cultivating both sets of skills. In the words of David Levin, KIPP co-founder “the experiences of KIPP Academy New York and KIPP Academy Houston have taught us that **academics** without **character** are useless; students will have the skills but lack the motivation to use them. **Character** without **academics** is hollow; students will have the motivation but not the ability to use it. Together, they have the power to transform lives.” By teaching academic and character skills in tandem, KIPP Middle School #6 will develop self-motivated, competent, lifelong 21st century educated persons.

**How Learning Best Occurs**

Implementing a high-quality instructional program is paramount to KIPP’s track record of success. High quality instruction is a result of proper planning and varied instructional techniques and methods that are relevant to students. There are five components to KIPP Middle School #6’s approach to high quality instruction:

1. **Quality Instruction is Standards-Based.** KIPP Middle School #6 has correlated its curriculum objectives to the Common Core standards. Incoming student needs and performance levels will determine the weight that teachers place on different elements of the curriculum. The school’s expectation is to accelerate student learning to ensure that mastery of the state standards is achieved at a faster pace necessary to prepare students for the rigorous and challenging curriculum they will encounter in middle school and high school honors and advanced placement programs.

2. **Quality Instruction is Data-Driven.** All instructional decisions at KIPP Middle School #6 are anchored in student data. Teachers begin by using diagnostic and beginning-of-year assessment data to adjust pacing guides and differentiate instruction. During lesson planning, teachers identify formal and informal ways to collect data about student understanding; teachers use this data to adjust scaffolds, pacing and student grouping. Teachers analyze student data during grade-level meetings and professional development to inform practice. The School Leader uses student data to drive observations, feedback and teacher development.

3. **Quality Instruction is Differentiated.** Students process material in a variety of ways. Thus, teachers at KIPP Middle School #6 continuously work together to enhance student learning by sharing, developing, and refining effective teaching strategies. The advantage of having more time for learning means that multiple instructional techniques can be combined and integrated throughout the day. Students whose needs have not been met through traditional teaching methods benefit from supplemental, direct instruction, small group work, workshop, call and response, hands-on learning, chanting, role-playing, team-teaching, individualized instruction, cooperative learning, peer tutoring, computer activities, and other innovative techniques.

4. **Quality Instruction is Culturally Relevant and Responsive to Students.** KIPP Middle School #6 combines the Common Core standards with the pedagogies that have proven successful in established KIPP schools. While it is important that teachers ensure students are mastering content standards, it is vital for teachers to create a learning environment as well as provide students with opportunities to learn skills and content in meaningful ways, KIPP Middle School #6 defines culture as a necessary dimension towards academic achievement. Therefore, it is incumbent upon the staff KIPP Middle School #6 to truly understand the cultural values, beliefs, customs, and ideas of the students that attend their school. By doing so, teachers can make informed decisions about how to help students connect what they are learning to what they...
already know by, for example, selecting texts for Read Alouds that feature characters who come from similar backgrounds as their students. Culturally relevant pedagogy also seeks to build a positive self-concept within students by valuing a student’s background; at KIPP Middle School #6, a culturally responsive curriculum will also ensure that students have a sense of pride in their background and their community and understand how realizing their goals and dreams will positively impact and support the community they live in.

5. **Quality Instruction is Innovative.** KIPP Middle School #6 embraces innovation as essential for ensuring the high-caliber 21st century education promised to every KIPP student and family. Innovation permeates teaching, learning, thinking, and planning throughout the school. The school will create opportunities and experiences for students to collaborate with one another using a variety of tools and methods for collaboration, such as tablets, Google docs, and online learning content. Teachers will identify opportunities to leverage technology to differentiate instruction and to create assessment and feedback loops that instantly provide precise data to staff and feedback to students. Innovation will allow learning to extend beyond the classroom, allowing students to become a part of the global community, understanding the world around them and interacting meaningfully with other global citizens. KIPP Middle School #6 will ensure that students have the knowledge and skills to practice and implement the principles of responsible digital citizenship.

**Instructional Program**

KIPP Middle School #6 offers a rigorous California Content and Common Core standards-based instructional program that will build the foundation to ensure students’ success in the future, by enabling and empowering them to become self-motivated, competent, life-long learners. The school’s program nurtures well-rounded critical thinkers who love learning, while preparing them to master the Content and Common Core Standards through engaging in authentic work. Beyond the focus of students performing at or above grade-level in English Language Arts and mathematics, KIPP Middle School #6 students will be artists, scientists, authors, athletes, and agents of change who develop projects to impact the local and global community.

The true curriculum of KIPP Middle School #6 is the Common Core Standards and mastery of these standards will be the primary focus of the school’s instructional program. All teachers will be expected to use the selected curriculum as a base and lift the material off of the page into standards-based lesson plans, adapted from the Madeline Hunter Method, to include the following components:

- Target Students
- Hook/Motivation
- Learning Objective
- Language Objective
- Vocabulary
- Instruction
- Guided Practice
- Check(s) for Understanding
- Independent Practice
- Evaluation/Closure

Please see Appendix D for a sample lesson plan template.

When planning, KIPP Middle School #6 teachers will think of how their instruction will meet the individual needs of students. They will plan incorporating the different learning modalities and multiple intelligences informed by the work of Howard Gardner, psychologist and author of Multiple Intelligences, and social and emotional intelligence based on the work of Daniel Goleman, psychologist and author of Emotional Intelligence. Further, the teachers will use a mixture of groupings during their instruction. At times they will utilize whole class instruction, while others they will use collaborative learning groups, depending on the needs of the students. Small group instruction will especially be prioritized in the core subjects of English language arts and mathematics.

Teachers will further differentiate instruction through modifications to the content, process, or product while ensuring they are providing the needed scaffolding to set their students up for success. The work of Carol Ann Tomlinson, author of The Differentiated Classroom: Responding to the Needs of All Learners, will be used to inform their differentiated instruction.

By utilizing the above teaching methodologies and building a professional library and resource base which will be incorporated into professional development, the teachers will address the varied needs of students and targeted student population in order for all students to meet and exceed the goals of No Child Left Behind (NCLB).

**Transition to Common Core**

KIPP Middle School #6 will individually, successfully, and fully implement the California Common Core standards. KIPP Middle School #6 recognizes the delicate balance between the present California State Standards and accountability measures and the implementation of the newly adopted Common Core Standards and the positive impact and potential challenges it will have on our school. The school is creating a long-term plan and timeline for incorporation of Common Core over time, including

- implementing Common Core standards to drive instruction;
- incorporating performance tasks to assess Common Core standards in summative assessments;
- criteria for success at each stage of timeline;
- teacher/instructional support needs identified and resources matched; and
technology readiness plan with support from KIPP LA’s technology team.

**Selected Instructional Programs**

KIPP school leaders independently make curriculum decisions for the best interest of their students; therefore, KIPP Middle School #6 retains the right to select appropriate research-based curricula that may include, but are not limited to, the following instructional programs:

<table>
<thead>
<tr>
<th>English Language Arts</th>
<th>5th-8th grades: Holt McDougal Literature, standards-based novels, Write Source © 2012 Houghton Mifflin, Achieve3000, Accelerated Reader</th>
</tr>
</thead>
</table>

Each of these instructional programs was selected due to its comprehensive nature and aligned to the California State Standards and eventually to the California Common Core Standards. Each program includes teaching approaches to differentiate instruction to meet the needs of English Learners and students with special needs, and to challenge identified Gifted and Talented students. Each program has been created by reputable publishers with a record of successful implementation with the student population KIPP Middle School #6 will serve.

Curriculum, materials, and instructional activities will be selected through the input of the teachers on each grade level during grade level meetings. Grade Level Chairs then bring the team’s information to the Leadership Team comprised of representatives from each grade level who will finalize the decision with the administration. Guided reading texts will be selected based on common criteria, including the level of vocabulary used in the text, genre, cultural relevance, and appropriateness for students’ reading levels. Selecting texts is a collaborative effort made on the part of the School Leader and teachers, and grade-level leaders.

In addition to the materials listed above, KIPP Middle School #6 plans to incorporate standards-based online learning programs to supplement instruction in core subjects. Through rigorous and engaging online content such as (but not limited to) STMath or Achieve3000, students will be able to access individualized instruction at their level to practice what they’ve learned in class and strengthen their 21st century computer literacy skills through sustained daily usage of computer hardware and software. When selecting online learning content, the School Leader will consider the level of academic rigor, the likelihood that content will engage students, and each
program’s alignment to the California Content and Common Core standards. Depending on the grade level and selected online content, students may engage in online learning for up to two hours per day.

KIPP Middle School #6 teachers will follow the basic guidelines of the instructional programs’ scope and sequencing, but will supplement and reorganize the curriculum as needed to align with the state and Common Core standards and to meet the needs of their students based upon assessment information. While the units of study provide a structure, the aforementioned standards will guide the decision-making and instruction. For example, the teachers may elect to introduce a standard earlier in the year than it is introduced in a particular textbook or curriculum, in order to ensure the students have more time to master the standard. KIPP Middle School #6 will further enhance the programs by aligning and supplementing the curriculum based on assessment data and innovative strategies, such as an accelerated curriculum in the kindergarten level.

Scope and Sequence
Please see Appendix E for each of the units in the areas of English-Language Arts, Mathematics, Science, and Social Studies. The tables identify the scope and sequence of the skills to be taught across the grade levels and the different subjects the school plans to teach. Once KIPP Middle School #6 teachers have been hired, they will be required to submit daily objectives aligned with the scope and sequence for the school year.

Supplemental Materials
In addition to the selected instructional programs, teachers will use a variety of supplemental materials to reinforce and enhance mastery of the content standards. Teachers will utilize supplemental resources that may include:

- Bellworks
- Daily Oral Language
- Text Talk
- Spectrum Reading
- Reading Mastery
- Foundations
- Essentials of Reading
- Vocabulary Workshop
- Standards Plus

Core Areas of Instruction

English-Language Arts
The English-Language Arts program provides a challenging and rewarding curriculum that is literature-based, culturally diverse, and intellectually stimulating. A significant emphasis is placed on developing reading and writing skills. Students work collaboratively to guide each other’s understanding of texts, novels, media and other sources. Students leave KIPP Middle School #6 with a mastery of the language arts skills that will be required of them in the highly selective high schools and colleges they later attend.

Although individual teachers define and hone each specific curriculum, the fundamental elements of reading comprehension, writing, listening, speaking, and presentation are all covered in each English-Language Arts classroom. Students learn the fundamentals of grammar, the writing process, public speaking, note taking, and learn to identify social and cultural influences and differences in writing. Students work together to revise, edit, and present papers and other presentations.

In order to address the individual needs of students, KIPP Middle School #6 uses the following approaches to its ELA instruction. The components of the reading program are:

- Read Aloud: The teacher reads a text aloud and involves the students in what is read through comprehension activities. Students acquire and sharpen their listening and comprehension skills through this exercise. The teacher uses this time to model the application of reading skills.
- Shared Reading: The teachers and students work from a common text to study particular reading skills and strategies. Literature choices take into consideration themes across content areas, literature genres, and texts read and discussed at exemplary middle schools.
- Independent Reading: There is a time set aside each day for independent reading using a book selected by the student according to their independent reading level.

In addition to textbook and novel-based instruction in reading, students will also engage in student-centric, adaptive online technology administered by a variety of software program providers. Students will receive differentiated supplementary instruction in English language arts matched to their learning needs and responsive to how they perform within the program. If students do well, the program speeds students through as fast as they can learn; if a student is struggling, the program cycles back to re-teach lessons and generates reports for teachers to use to provide further intervention. The incorporation of online learning into KIPP Middle School #6’s instructional program ensures that students receive highly targeted instruction at their level and provides valuable data teachers can use to inform their instruction.

**Writing**
Writing effectively is an essential skill all students must have to realize the school’s mission thus a separate writing time is allocated on certain days. During this time teachers use various approaches to develop students’ writing skills. Authentic literature paired with Write Source, an instructional program selected for KIPP Middle School #6 used in grades five through eight, is supplemented with a variety of articles and other texts that enhance the program. Articles will be carefully selected from English Language Arts textbooks and other grade-level supplemental reading materials. Those materials include different reading comprehension workbooks that are full of short articles that can assist students in building their reading skills and strategies. The variety of articles will represent narratives, science articles, informational texts, and other non-fiction texts.

In addition to Write Source, KIPP Middle School #6 supplements their writing curriculum with the 6+1 Traits of Writing approach in grades five and six and the Fountas & Pinnel workshop model in grades seven and eight. Approaches include:

- Grammar: Students learn to apply standard rules of punctuation, capitalization, and English language grammar.
- Guided writing: Students work with the teacher collaboratively to create a piece in order to develop and enhance their writing skills.
- Independent Writing: Students write in their journals daily on a particular topic. There is an emphasis on self-reflection and self-correction of writing pieces.

In each unit the students focus on a different genre. Within the genre units, the teachers teach the students the 6+1 Traits of Writing: organization, sentence fluency, voice, ideas, word choice, conventions, and presentation. Only two traits are focused on per month as the teachers go through the writing process with the students. The purpose is to address all the traits thoroughly by the end of the first semester. At the end of each unit, the students complete a significant writing piece which contributes to their writing portfolio.

Literacy is a focus in all subjects. Through teacher collaboration, reading and writing strategies will be reinforced across all of the disciplines. Reading skills will be used in reading science textbooks and materials; in social studies textbooks, primary sources, and materials; and in math textbooks and word problems. Writing will be stressed in various types of reports, science labs, and explanations of math processes. This cross-curricular approach gives students the opportunity to understand that the skills of reading and writing are not limited to English-language arts.

**Mathematics**

The math curriculum at KIPP Middle School #6 is designed to ensure that every student gain a strong understanding of all math strands, the ability to perform accurate computations, and the application of problem-solving skills at rigorous levels. KIPP Middle School #6 believes that these strands are taught best through a
combination of direct instruction of basic skills, hands-on activities to provide a deeper understanding of math concepts by relating them to real world situations and experiences, and differentiated instruction based on students’ needs.

KIPP Middle School #6 students will benefit from the daily classroom instruction that balances direct instruction with cooperative learning opportunities. The math program draws from a variety of resources, including textbooks, critical thinking activities, and math manipulatives, to ensure that students master the fundamentals of each math strand which include number sense, algebra and functions, measurement and geometry, statistics, data analysis, probability, and mathematical reasoning.

In order to address the foundational-level mathematics content and skills that precede algebra, continue through geometry and become the basis for higher level mathematics coursework, KIPP Middle School #6 currently plans to use Saxon Math for fifth and sixth grades and College Preparatory Mathematics (CPM) for seventh and eighth grade instruction. These textbooks and the accompanying curriculum are tools for mastering the California Content Standards in Mathematics. The texts serve as a base from which the teachers build their 8-step lesson plans.

In order to address the individual needs of students, KIPP Middle School #6 supplements math instruction with critical thinking and problem solving strategies. These strategies assist in developing a deeper understanding of math concepts and higher order thinking skills. Math skills will be utilized and reinforced in various content areas; for example, when student study volume and mass in their science class. Reinforcing the math standards across the disciplines provides students with the opportunity to understand that math skills are not limited to math class.

In addition to textbook and novel-based instruction in mathematics, students will also engage in student-centric, adaptive online technology administered by a variety of software program providers. Students will receive differentiated supplementary instruction in mathematics matched to their learning needs and responsive to how they perform within the program. If students meet the expectations of the individual online content provider, the program speeds students through as fast as they can learn; if a student is struggling, the program cycles back to re-teach lessons and generate reports for teachers to use to provide further intervention. The incorporation of online learning into KIPP Middle School #6’s instructional program ensures that students receive highly targeted instruction at their level and provides valuable data teachers can use to inform their instruction.

Science

Establishing a strong foundation in science enables students to critically observe their surroundings and develop critical thinking and analytical skills. KIPP Middle School #6 will use MacMillan McGraw-Hill-developed textbooks for a hands-on, inquiry-based approach to science serving as a tool for ensuring mastery of the California Content
Standards in Science. The teaching staff will use these texts as a base to create standards- based lesson plans. Based on assessment data, the teachers may elect to modify the pacing or supplement the curriculum as needed.

Science instruction utilizes a textbook based approach in combination with exploration through investigations, experiments, and viewing media clips that bring certain topics to life for the students. The science instruction across the grade levels is organized to best facilitate the students’ mastery of their grade level content standards in each of the following content strands: physical sciences, life sciences, earth sciences, and investigation and experimentation. In accordance with KIPP Middle School #6’s accelerated pace, students also gain a strong foundation in Biology that will enable them to be placed in Honors or accelerated Biology classes in high school. A broad, multicultural history of science component spans the entire curriculum, as does skills development, a study of the impact of humans on the environment, and a reinforcement of math and technology skills.

Social Studies

In order to become agents of change who will positively impact the community, developing a strong sense of history and social, economic, and political trends over time is essential. During their time at KIPP Middle School #6, the students develop their historical and social sciences analysis skills through developing the following intellectual, reasoning, reflection, and research skills: chronological and spatial thinking, research, evidence, point of view, and historical interpretation. Lesson plans will be developed with an eye towards mastery of the California Content Standards in Social Studies.

Social studies instruction utilizes a textbook-based approach combined with exploration using realia, primary and secondary resources, as well as watching media clips that bring certain topics to life for the students. Students have the opportunity to conduct research and seek resources to deepen their knowledge based on a particular topic. Based on assessment data, the teachers may elect to modify the pacing or supplement the chosen curriculum as needed. The teachers work collaboratively to order the curriculum for connections to be made across the disciplines.

In accordance with the California State Content Standards for History-Social Studies, the curriculum for 5th through 8th grades will be organized around the broad topics listed below by grade level (and based on the titles of the selected History Alive texts). Encompassed within the broad theme for each grade are all state standards that build upon prior knowledge, intertwine geography instruction, and deepen student’s understanding of our world and how it has come to be. Outlined below are the broad instructional themes for each grade level.

- Fifth grade: United States and Geography: The Making of a Nation
- Sixth grade: World History and Geography: Ancient World – Ancient Civilizations
• Seventh grade: World History and Geography: Medieval History
• Eighth grade: United States History and Geography: Growth and Conflict

**Non-Core Areas of Instruction**

KIPP Middle School #6 believes strongly in educating the whole child. By the time the school is at full enrollment in year four, it plans to offer a mix of the following courses: arts, music, and physical education.

**Arts and Music**

KIPP Middle School #6 believes that it is not enough for students to only master California Content Standards in their core subject areas; the school must develop and educate the whole child. To this end, KIPP Middle School #6 will offer a robust arts and music education program to grow the innate talents of students. Instruction is organized to target the strands of: artistic perception, creative expression, historical and cultural context, aesthetic valuing, and connections, relationships, and applications. In addition, literacy skills are woven into these “elective” classes.

**Physical Education**

Physical education classes develop the students’ motor skills while promoting the good health habits that will have a positive effect on students’ well-being. In addition, students develop sportsmanship and teamwork skills.

The program is organized in accordance with the California content standards in Physical Education at each grade level, following these overarching standards:

• Standard 1: Students demonstrate the motor skills and movement patterns needed to perform a variety of physical activities.
• Standard 2: Students demonstrate knowledge of movement concepts, principles, and strategies that apply to the learning and performance of physical activities.
• Standard 3: Students assess and maintain a level of physical fitness to improve health and performance.
• Standard 4: Students demonstrate knowledge of physical fitness concepts, principles, and strategies to improve health and performance.
• Standard 5: Students demonstrate and utilize knowledge of psychological and sociological concepts, principles, and strategies that apply to the learning and performance of physical activity.
**Instructional Day**

More time is central to the success of KIPP Middle School #6. Students attend school Tuesday through Friday from 7:30 AM - 3:00 PM daily with supplemental time offered Tuesdays through Thursdays from 3:00 - 5:00 PM. On Mondays, students have a shortened schedule and are released earlier to allow for staff professional development.

Students also participate in supplementary Saturday school and summer school programs. The additional time enables KIPP Middle School #6 students to achieve remarkable academic and social progress. KIPP Middle School #6 assures that it will offer, at a minimum, the number of instructional minutes set forth in Education Code 47612.5.

Below is a sample weekly schedule for grades 5-8. This schedule can also be found in **Appendix F**.

Below is a sample weekly schedule for grades 5-8. This schedule can also be found in **Appendix F**.
### Academic Calendar

Each year, KIPP Middle School #6 will organize its calendar to coincide with LAUSD’s draft of the Single Track instructional Calendar with adjustments to assist families with siblings or other relatives in other LAUSD schools. KIPP Middle School #6 will offer a supplemented school year with summer school offered each year. Please see Appendix G for a tentative 2013-14 calendar for KIPP Middle School #6.

All students in grades 5-8 will receive:

- **Instruction** for at least 64,166 minutes per year
  - 137 Regular School Days from 7:30AM – 3:00 PM totaling 388 instructional minutes/day
  - 30 Early Dismissal/Professional Development Days from 8:00AM – 1:00PM totaling 315 instructional minutes/day
  - 8 Parent Teacher Conference Days from 8:00-1:00PM totaling 195 minutes/day

- **Supplemental Instruction** for at least 18,840 minutes per year
  - 10 Summer School days from approximately 8:00AM - 1:00 PM totaling 240 supplemental instructional minutes/day
  - 137 School Days with supplemental instruction offered from at least 3:00PM-5:00PM totaling a minimum of 120 minutes/day

### English Learners

KIPP Middle School #6 will comply with all federal, state, and judicial mandates for English Learners. Given the demographics of the Los Angeles Unified School District, KIPP Middle School #6 expects that a significant number of its students will be classified as English Learners. The school is dedicated to providing these students with an exceptional education and transitioning them into English Proficiency through the use of the school’s services and teaching methods. All students who are identified as English Learners via the Home Language survey will take the California English Language Development Test (CELDT) each year as required. The school also recognizes the importance of valuing students’ native languages, and reinforces an appreciation for the cultures, customs, and languages of all its students through the school’s core curriculum, enrichment programs, and school character trait instruction.

---

5 Projected instructional minutes calculated here are based on the tentative 175-day calendar found in Appendix G. KIPP LA Schools reserves the right to extend the school year to 180 instructional days. KIPP Middle School #6 will submit a finalized Calendar of Reports to the District prior to the school’s opening in August 2013.
Based on a substantial research base proving the benefits of a structured English immersion program, KIPP Middle School #6 will implement a comprehensive structured immersion program, in every mainstream classroom, for its EL students. It is the goal of KIPP Middle School #6 that all of its students will leave the school proficient in the English language, properly redesignated, and with pride and support for their home language.

Teachers at KIPP Middle School #6 will use the English Language Development standards set forth by the California Department of Education to assist in planning and assessing the progress of English Learners. Students of limited English proficiency will receive the same academic content as those students who are native English speakers. All instruction will be in English; however, there may be times when primary language support will be provided to students when possible. Language acquisition is enhanced by exposing students to experiences in a variety of learning modalities (kinesthetic, auditory, and visual) that correspond to the subject matter and grade level curriculum as well as providing structured, explicit language instruction. Teachers will use Specially Designed Academic Instruction in English (SDAIE) strategies to enhance the English Language development of all of students. When using SDAIE strategies, teachers will write lesson plans with an emphasis on ensuring that content is grade level appropriate and within the students’ zone of proximal development. SDAIE provides (1) access to the core curriculum, (2) English language development, and (3) opportunities for social integration into the multicultural classroom community. Examples of utilizing SDAIE strategies include supporting verbal explanations with nonverbal cues and designing appropriate learning sequences, such as building upon prior knowledge. In addition to SDAIE strategies, teachers will also provide students with differentiated explicit language instruction. Teachers will use the California English Language Development standards along with a forms and functions matrix, and an adapted model of Susana Dutro’s framework for a focused approach on language development to design lessons that build academic language- both vocabulary and structure, provide fluency or language practice, and encourage students towards appropriately rigorous language outputs.

In addition to the structured English immersion modifications teachers make in their mainstream classes within KIPP Middle School #6’s extended day schedule, there will be ample time that can be used for additional intensive English language instruction during small group and workshop time. The school will use proven methodologies including increased time for reading and math and individualized instruction for students who are acquiring English. Examples of instructional models that may be employed with EL students at KIPP Middle School #6 are:

- Workshop models
- Cooperative learning
- Thematic teaching
- Scaffolding instruction
- Think/pair/share
- Kinesthetic activities
- Books on tape
- Graphic organizers
• Pre-teaching vocabulary
• Labeling items in classrooms and school in different languages
• Manipulatives
• Jigsaw
• Storytelling
• Using culturally relevant materials
• Repetition
• Modeling

Beyond using the CELDT to monitor students English Language development, KIPP Middle School #6 staff will use the English Language Content Standards to monitor the levels at which students are performing in reading, listening, speaking, and writing. This information will particularly guide the teachers in differentiating instruction, such as the level of questioning for English Learners who are not progressing through the English language development levels. To further support students who are not progressing through the English language development levels, the following instructional strategies may be used to support these students in gaining higher levels of English proficiency:

• Workshop focused on English Language development skills such as vocabulary development, oral language skills, comprehension skills
• Small group work to lower the affective filter and target specific areas of growth
• Increasing collaborative time to increase the amount of interaction spoken in English
• Pre-teaching content vocabulary and frontloading concepts
• Echo reading and choral reading
• Focusing on the development of Cognitive Academic Language Proficiency (CALP) beyond Basic Interpersonal Communicative Skills (BICS)
• Offering at-home development support, such as providing packets, games, CDs, and other tools aligned with students’ English levels to take home for additional language practice
• Tutoring
• Using technology for literacy support that has proven successful with English Learners

Beyond the workshop time, the small group morning time will be used to assist students in increasing their proficiency in English language skills. In addition, differentiated instruction based on students’ needs will be implemented throughout the school day.
To support the English language development of its ELs, KIPP Middle School #6 hires faculty who have received CLAD (Cross-Cultural Language Acquisition Design) or BCLAD (Bilingual Cross-cultural Language and Academic Development training and/or hold Bilingual Authorizations.

Based on the reclassification procedures developed by the California Department of Education (CDE) and set forth in Education Code Section 313(d), KIPP LA shall utilize multiple criteria in determining whether to reclassify a pupil as proficient in English, including, but not limited to, all of the following:

I. Assessment of language proficiency using an objective assessment instrument, including, but not limited to, the English language development test pursuant to Section 60810 of the Education Code:
   - The student must demonstrate English proficiency on the annual CELDT by achieving an overall performance level of 4 or 5 with skill area scores of 3 or higher.

II. Comparison of the student's performance in basic skills against an empirically established range of the performance of English proficient students of the same age in basic skills, that demonstrates whether the student is sufficiently proficient in English to participate effectively in a curriculum designed for students of the same age whose native language is English. Basic skills criteria includes:
   - A student’s score on the CST for English Language Arts is basic or higher in English Language Arts. This score suggests that the pupil may be sufficiently prepared to participate effectively in the curriculum and should be considered for reclassification.
   - Students with scores above the cut point on the CST selected by the school district should be considered for reclassification.
   - For students scoring below the cut point, KIPP Middle School #6 in accordance with criteria set by the school district should attempt to determine whether factors other than English language proficiency are responsible for low performance on the CST for English Language Arts and whether it is reasonable to reclassify the student.

III. Teacher evaluation, including, but not limited to, a review of the pupil’s curriculum mastery:
   - KIPP Middle School #6 teachers will use student academic performance in core subject areas to inform the reclassification process.
   - For 6th-8th Grade only in alignment with district policy: a grade of C or better in English Language Arts is required for reclassification.
   - KIPP Middle School #6 teachers understand and note that incurred deficits in motivation and academic success unrelated to English language proficiency do not preclude a student from reclassification.

IV. Parental opinion and consultation:
   - KIPP Middle School #6 will provide notice to parents or guardians of their rights and encourage them to participate in the reclassification process.
- KIPP Middle School #6 will provide an opportunity for a face-to-face meeting with parents and guardians to discuss the reclassification process.

KIPP Middle School #6 will notify parents and guardians of reclassification, update the school and school district records, as well as monitor the student’s progress for two years.

**English Learner Instruction**

KIPP Middle School #6 is required to timely identify potential English Learner students and provide them with an effective English language acquisition program that affords meaningful access to the school's academic core curriculum. Instructional plans for English Learners (ELs) must be (1) based on sound educational theory; (2) adequately supported with trained teachers and appropriate materials and resources; and (3) periodically evaluated to make sure the program is successful and modified when the program is not successful.

On an annual basis (on or about October 1), KIPP Middle School #6 shall submit a certification to the District that certifies that they will either adopt and implement LAUSD’s English Learner Master Plan or implement the Charter School’s own English Learner Instructional/Master Plan. If KIPP Middle School #6 chooses to implement its own EL plan, the instructional plan shall encompass the following, including but not limited to:

- How ELs’ needs will be identified;
- What services will be offered;
- How, where and by whom the services will be provided;
- How the program for ELS is evaluated each year and how the results of this assessment will be used to improve those services (annual report of the assessments)

KIPP Middle School #6 shall provide to CSD a copy of its entire, current plan upon request such as during the annual oversight review process.

KIPP Middle School #6 shall administer the CELDT annually. KIPP Middle School #6 shall also ensure that it will provide outreach services and inform parents with limited English proficiency with important information regarding school matters to the same extent as other parents.

**Socioeconomically Disadvantaged Students**

KIPP LA Schools seeks to serve a population comprised in most part of students who are socioeconomically disadvantaged. To put students on the path to and through college, the mission, vision, and instructional programs of KIPP LA’s schools are designed to provide and ensure equal access for all students, particularly those students who are designated as socioeconomically disadvantaged based upon the poverty index. In the 2012-2013 school year, 89% of KIPP LA students qualified for free or reduced lunch. KIPP Middle School #6 will seek to serve a
similar population, and the school’s program will be based upon the successful practices already in practice at KIPP LA’s existing schools. At its core, KIPP Middle School #6 believes in high expectations for each of its students regardless of background.

KIPP Middle School #6 has designed its program to support students from socioeconomically disadvantaged backgrounds in the following ways:

- More time to increase the learning opportunities and literacy experiences, including supplemented day and summer school
- Vocabulary, including anchored word instruction
- Real life experiences to build schema
- “College Bound” culture with each classroom named after a college or university
- Visitors and guest speakers sharing their experiences
- Working with families to create supportive learning environments at home and increase literacy experiences
- Flexibility in meeting times with families
- Workshop time to support students based on their needs
- Taking home books to ensure students are reading at home
- Focusing on the development of phonemic awareness
- Implementing an asset model
- Providing opportunities for technology, physical education, art and music instruction
- Field trips and college visits
- Tutoring and homework support
- Incorporating technology such as video to increase exposure to the greater world
- Targeting the interests and personal connections of the learners
- Offering service learning to extend experiences and develop the sense of reciprocity
- Counseling services
- Parent workshops on topics such as nutrition and ways to support learning at home
- Meals provided for students

**Gifted and Talented Students**

As all students are challenged to reach their intellectual potential within the instructional program, KIPP Middle School #6 will not offer a formal, separate gifted and talented program. Throughout the day, the staff may
differentiate instruction based upon the individual needs of the students and will provide an opportunity to excel for those students who are achieving at high levels or demonstrate a specific ability or talent, as identified through student data or evidence of a pupil’s capacity. Teachers will differentiate in the forms of acceleration, depth, complexity, and novelty and will differentiate the process, content, or product to meet the needs of gifted and talented students. Examples of instructional models that may be employed with gifted and talented students at KIPP Middle School #6 are:

- Project-based learning
- Discovery learning
- Computer activities, including online games, research, and targeted instruction through online content
- Utilizing higher levels of questioning and thinking skills
- Ensuring there is a wide variety of materials at different skill levels that engage a wide variety of interests
- Individual or group inquiry projects
- Field trips to broaden experience base
- Ensuring that the curriculum is sufficiently challenging

By using assessment information to monitor students’ progress, teachers will be able to make the necessary modifications and adjustments to best support students. Teachers will utilize workshop time, as well as differentiated choices for gifted and talented students throughout the day to support them in continual growth. All students at KIPP Middle School #6 will be valued for their individualism and their interests and passions will be cultivated. Further, the teachers will work together to develop plans to best support students in driving forward their academic achievement and pursuits in relation to the students’ learning profiles and specific talents. In order to ensure that the needs of all students are being met, the staff will utilize the Student Success Team (SST) process for students who have been identified as consistently achieving well above the norms (as measured by formative, summative, and standardized testing) just as they would use the process for identifying students who struggle. [Refer to following section for more details on the composition of the SST.]

**Students Achieving Below Grade Level**

Students who are performing below grade level in each of the content areas as measured by informal and formal classroom assessments will receive individual and small group instruction to target their individual needs. During whole class instruction, the teacher may differentiate instruction based upon students’ needs, interests, readiness, and learning profile. In addition, other types of instructional support that KIPP Middle School #6 may utilize to support students achieving below grade level include:

- Individual, small group, and workshop time targeting specific standards
- More time to increase learning opportunities, including supplemented day and summer school
- Guided reading groups
• Scaffolding
• Pre-teaching
• Technology supports such as the Accelerated Reader
• Pairing struggling readers with younger readers, so they feel like they are reading books at their level with a purpose
• Valuing strengths and building self-confidence
• Recognizing growth
• Enhancing parent involvement
• Tutoring and homework support
• Using Intervention Teachers to target specific needs

If an area of growth for student success becomes evident across a grade level or the school, such as reading comprehension, professional development will be dedicated to that focus. In addition, teachers and administrators will work collaboratively to share best practices and ideas to support students achieving below grade level.

If after implementing the aforementioned instructional support strategies significant progress has not been made as measured by assessments, students achieving below grade level may be referred by the teacher or by the parent for a Student Success Team (SST) meeting. In these meetings, the classroom teacher, the parent, the School Leader, and any other relevant party will convene to discuss the child’s strengths and areas of concern. The SST uses multiple sources of information and data to create a plan that addresses the individual needs of each student. Teachers, parents, and other relevant parties will bring student work samples, tests and quizzes, portfolio work (if applicable), notes from observations of performance or behavior, discipline logs and any other pertinent source of information concerning the child’s demonstrated abilities. Based on the evidence and the discussion of its meaning, action steps will be generated for follow-up interventions to further assist the child in academic or behavioral growth. Additionally, tools are either gathered or generated to track the progress of the student given the new interventions. Specific strategies, interventions and accommodations will be implemented and documented based on the individualized needs and areas of concern. In addition to detailing the steps, the expected outcomes and the responsible personnel, the SST will also schedule timely follow-up meetings to review and discuss the student’s response to the interventions. Based on the progress a student makes, the level of intervention can be adjusted in order to meet each student’s needs.

After three SST meetings, if significant progress has not been made as measured by assessments, the student may be referred for assessment to determine if the child is eligible for special education services under the Individuals with Disabilities Education Act (IDEA), if appropriate. The school will make efforts to ensure an exhaustive list of interventions is utilized to avoid over identification of students in Special Education.
**Special Education Program**

All charter schools must adhere to all terms and conditions of the *Chanda Smith Modified Consent Decree* ("MCD") and any other court orders and/or consent decrees imposed upon the LAUSD as they pertain to special education. Charter schools must ensure that no student otherwise eligible to enroll in their charter school will be denied enrollment due to a disability or to the charter school’s inability to provide necessary services. Policies and procedures are in place to ensure the recruitment, enrollment and retention of students with disabilities at charter schools.

Prior to Los Angeles Unified School District ("LAUSD" or "District") Governing Board approval, KIPP Middle School #6 will either execute a Memorandum of Understanding ("MOU") by and between LAUSD and KIPP Middle School #6 regarding the provision and funding of special education services consistent with the requirements of the LAUSD Special Education Local Plan Area ("SELP A") Local Plan for Special Education.

**SELP A Reorganization**

The Los Angeles Unified School District is approved to operate as a single-District SELPA under the provisions of Education Code § 56195.1(a) and intends to continue operating as a single-District SELPA as in the current structure but has created two school sections (District-operated Programs and Charter-operated Programs) under the administration of one single Administrative Unit pursuant to a reorganization plan approved by the Board of Education on January 4, 2011 (149/10-11). Full implementation of the reorganized LAUSD SELPA will begin in the 2013-2014 school year requiring all District-authorized charter-operated schools to elect one of the three options available under the LAUSD SELPA. Prior to an Option election, all District-authorized charter schools shall participate as a school of the District under the District-Operated Programs Unit. Prior to the beginning of the 2013-2014 school year, all District-authorized charter schools, other than those that have previously executed an Option 3 Memorandum of Understanding ("MOU"), will be required to execute a new MOU setting forth the LAUSD SELPA option election for the remainder of the charter petition term. The Charter-operated schools will not have a LEA status but will function in a similar role in that each charter school will be responsible for all special education issues including services, placement, due process, related services, special education classes, and special education supports. Charter schools may apply for membership in the Charter-operated Program section of the SELPA. These schools will receive support from a Special Education Director for the Charter-operated Programs.

*Modified Consent Decree Requirements*

All charter schools chartered by LAUSD Board of Education are bound by and must adhere to the terms, conditions and requirements of the *Chanda Smith Modified Consent Decree* ("MCD") and other court orders imposed upon District pertaining to special education. The MCD is a consent decree entered in a federal court class action lawsuit initially brought on behalf of students with disabilities in LAUSD. It is an agreement of the parties approved by the federal court and monitored by a court-appointed independent monitor. The MCD includes nineteen statistically
measureable outcomes and facilities obligations that the District has to achieve to disengage from the MCD and federal court oversight. All charter schools are required to use the District’s Special Education Policies and Procedures Manual and Welligent, the District-wide web-based software system used for online Individualized Education Programs (“IEPs”) and tracking of related services provided to students during the course of their education.

As part of fulfilling the District’s obligations under the Modified Consent Decree, data requests from charter schools that are not connected to the District’s current Student Information Systems (“SIS”) are made on a regular basis. The requested data must be submitted in the Office of the Independent Monitor’s required format and are as follows:

- The Independent Charter School Suspension/Expulsion Report, due monthly throughout the school year.
- Paper SESAC Report and Welligent Student Listing Verification, due monthly throughout the school year.
- CBEDS, which is due at the end of October of Each School Year.
- All Students Enrolled December 1 of Each School Year, due at the end of December every school year.
- Graduation Status of 12th Grade Students Enrolled on December 1, due at the end of June every school year.

The MCD requires charter schools to implement the District’s Integrated Student Information System (ISIS). ISIS is a suite of applications which is designed to capture all District student data.
ELEMENT 2: MEASURABLE STUDENT OUTCOMES

Specific, Measurable, and Realistic Student Achievement Targets

The targets outlined below are consistent with KIPP Middle School #6’s commitment to ensuring that all students have the knowledge and skills to be successful in middle school, high school, college, and the competitive world beyond. KIPP Middle School #6 will strive to have its students meet NCLB’s ambitious standards, as reported in achievement measures consistent with the California Standards Test and other statewide assessments tools. Assessments will measure the extent to which all students demonstrate that they have attained skills, knowledge and attitudes as specified in the goals. Should the California state goals and targets be adjusted, KIPP Middle School #6 will adjust goals and targets to ensure alignment. Each year, KIPP Middle School #6 will use data from standardized tests to ensure accountability for the teachers, the grade levels, the administration, and the staff overall, as well as to provide the administration, teachers and parents with additional data to evaluate the effectiveness of the school’s program.

Target One: 100% of all KIPP Middle School #6 students will meet state-established proficiency levels for English Language Arts on the SMARTER Balanced assessment and/or STAR assessments and norm-referenced tests.

For 2013-2014, No Child Left Behind’s Annual Yearly Progress (AYP) Annual Measurable Objectives (AMO) are for 100% of all students to score Proficient or Advanced in ELA on the CST; KIPP Middle School #6 will strive to achieve this level of proficiency, working to maintain all students’ scores at Proficient or Advanced in ELA. KIPP Middle School #6 will seek to build students’ mastery every year, move students to higher performance band levels, and increase the percentage of students scoring Proficient or Advanced year by year.

Target Two: 100% of all KIPP Middle School #6 students will meet state-established proficiency levels for Mathematics on the SMARTER Balanced and/or STAR assessments and norm-referenced tests.

For 2013-2014, No Child Left Behind’s Annual Yearly Progress (AYP) Annual Measurable Objectives (AMO) are for 100% of all students to score Proficient or Advanced in Mathematics on the CST; KIPP Middle School #6 will strive to achieve this level of proficiency, working to maintain all students’ scores at Proficient or Advanced in Mathematics. KIPP Middle School #6 will seek to build students’ mastery every year, move students to higher performance band levels, and increase the percentage of students scoring Proficient or Advanced year by year.

Target Three: KIPP Middle School #6 will meet or exceed its Annual Performance Index (API) target score.
NCLB requires that each state adopt an “additional” indicator for AYP. Given this, California has chosen the API as an additional indicator of school performance. On an annual basis, KIPP Middle School #6 will strive to exceed the state target of 800.

**Target Four:** 80% of all KIPP Middle School #6 seventh grade students will score a 6 or higher on the California Writing Standards Test.

**Target Five:** KIPP Middle School #6 will meet the AYP participation rates by at least 95% of students and 95% of each numerically significant subgroup taking the statewide assessments.

**Target Six:** KIPP Middle School #6 will maintain a student attendance average of 94% throughout the school year.

**Target Seven:** 100% of KIPP Middle School #6 fifth and eighth grade students will score 75% or higher overall on Science standards-based assessments such as quizzes, end-of-unit assessments, quarterly assessments and year-end assessments and/or projects (projects will be measured by rubric-specific criteria and evidence).

**Target Eight:** 100% of KIPP Middle School #6 eighth grade students will score 75% or higher overall on Social Studies standards-based assessments such as quizzes, end-of-unit assessments, quarterly assessments and year-end assessments and/or projects (projects will be measured by rubric-specific criteria and evidence).

**Target Nine:** At least 90% of KIPP Middle School #6 English Learners (ELs) will advance one performance level in English Language proficiency annually as measured by the California English Language Development Test (CELDT) each year.
**Target Ten:** 100% of KIPP Middle School #6 English Learners (ELs) who began attending the school in fifth grade will become reclassified before exiting eighth grade as measured by CELDT and CST criterion, as well as the KIPP LA EL Reclassification Policy.

**ELEMENT 3: METHODS BY WHICH STUDENT OUTCOMES WILL BE MEASURED**

**Assessing Student Outcomes**

KIPP Middle School #6’s mission is to ensure that its students develop the academic skills, intellectual habits, and character traits necessary to succeed in high school, college, and the competitive world beyond. In order to ensure the realization of this goal, the staff must consistently monitor and measure students’ progress and the effectiveness of the school’s instructional program. At KIPP Middle School #6, students will be assessed in several ways. KIPP Middle School #6 and the KIPP LA Schools Board will monitor the school’s progress in meeting student outcomes through the assessments outlined below.

**Instructional cycle and assessment**

KIPP teachers will use an instructional cycle driven by standards mastery and student data for all core subjects. Professional development, grade-level planning and 1:1 check-ins between managers and teachers will support the implementation and execution of each of the instructional cycle’s ten steps. The cycle is a framework for teachers to use as a tool in their instructional design and delivery. This framework is meant to provide alignment both across and between grade-levels.

Using the standards-based pacing calendar that will be established in the summer, teachers will create assessments to appropriately measure standard mastery. All assessments will be Common Core-aligned, and teachers will be encouraged to design rigorous, authentic assessments that mirror performance tasks as designed by the SMARTER Balanced Assessment Consortium. Time will be spent developing the capacity of teachers to design meaningful assessments during professional development.

![Figure 3.1 shows the ten steps of the KIPP Middle School #6 instructional cycle. While the first step will be completed in the summer, the following steps in the cycle will be ongoing.](image-url)
**Initial Assessments**

At the beginning of each school year, the students will be given teacher-created, Common Core and state standards-based initial assessments in order to determine their performance levels in key performance areas. These initial assessment results will be discussed and analyzed in depth to determine ways to differentiate instruction based on the needs of the students. Teachers will discuss the data collaboratively to share ideas and effective strategies to drive forward student achievement. Teachers will also use this data to create fluid intervention groups in which they will target specific needs of students. These assessments will also serve as a beginning point in which progress will be monitored and measured against.

**Skills Assessments**

Approximately every third week beginning in October, all students will be given a standards-based assessment called the Skills Assessment (SA), created during grade level meetings. The questions on the assessment will be based upon standards already taught and schoolwide weaknesses identified from the previous year’s STAR data. The creation of Skills Assessments will help the teachers ensure that all state-wide content standards are taught and assessed. Please see Appendix H for a sample Skills Assessment. The results of this biweekly assessment will inform teachers as to which standards individual students have not yet mastered and standards that may need to be revisited with the class. This data drives differentiated instruction as standards not yet mastered are re-taught. The Skills Assessment results serve as a school wide indicator of progress toward goals.

The Skills Assessment results are compiled regularly in an Annual Yearly Progress (AYP) report to monitor progress throughout the year toward goals by class, grade level, and school-wide. The results of the Skills Assessment will be analyzed in depth by each grade level team during grade level meetings. Each teacher will share and discuss which standards his class did well in and identify the areas in which his class needs to improve. By sharing with each other, teachers whose students excelled in a certain standard can share best teaching practices with those on the team who are looking to improve in a particular area.

In addition, the AYP report will be discussed in staff meetings for grade level teams to share with one another. Further, results will be discussed in one-on-ones with a teacher and with the principal when appropriate, such as when there are questions on a grade level’s performance, or with a teacher when there are significant gains or drops in order to reflect on the data.

As these results are the primary driver of informing instruction, they also inform professional development. For example, if there is a weakness in the area of word study school-wide, a teacher who is very strong in this area may be called upon to share with her grade level or the entire team her effective strategies in this instructional area. Also, observations may be arranged for teachers needing support to visit those teachers who are excelling in
a certain area. Readings may be selected to target an area of growth in making inferences if it is an area needing improvement. The School Leader will also focus observations based on certain areas of growth in order to provide support to the teachers and drive forward students’ mastery of the standards.

Further, each quarter teacher-created summative assessments based on the standards will be created to monitor students’ mastery of the standards thus far. By the end of the year, these assessments will resemble a mock California Standards Test (CST).

State Mandated Assessments
KIPP Middle School #6 will administer state mandated assessments as required under the California Standardized Testing and Reporting (STAR) pursuant to Education Code 60602.5.

The California Standards Test (CST) in English-Language Arts and Mathematics will be administered to students in grades five through eight as required by the state. As the CST is based upon the California Standards, the results of this assessment are essential in monitoring the program and students’ mastery of these content standards with the target that all students will score at least at the Proficient level in each content area. The CST, a criterion based assessment, provides clear data by student, class, and grade level in which we can identify areas of strength and areas of growth. At the end of each summer when the results are returned, the team will reflect in depth on students’ scores and reflect upon ways to improve for the future, as well as recognize and celebrate areas of strength. All seventh graders will also take the California Writing Standards Test.

In addition, students in fifth through eighth grades who have been in the United States for less than twelve months and have Spanish indicated on their Home Language Survey will take the Standards-based Tests in Spanish (STS). All students who are English Learners as identified by their Home Language Survey will take the California English Language Development Test (CELDT) each year as required. Students who qualify to take the California Alternate Performance Assessment (CAPA) will take this assessment in place of the CST to measure their performance in selected standards in English-Language Arts and Mathematics.

Transition to Common Core
KIPP Middle School #6 will individually, successfully, and fully implement the California Common Core standards. KIPP Middle School #6 recognizes the delicate balance between the present California State Standards and accountability measures and the implementation of the newly adopted Common Core Standards and the positive impact and potential challenges it will have on our school. The school is creating a long-term plan and timeline for incorporation of Common Core over time in conjunction with the California state content standards, including

- implementing Common Core standards to drive instruction;
• incorporating performance tasks to assess Common Core standards in summative assessments;
• criteria for success at each stage of timeline;
• teacher/instructional support needs identified and resources matched; and
• technology readiness plan with support from KIPP LA’s technology team.

**MAP**

Constant measurement and assessment is a hallmark of all KIPP schools. In addition to administering the assessments under STAR, KIPP Middle School #6 will administer the NWEA MAP (Measures of Academic Progress). The KIPP Foundation chose the MAP because it is longitudinal and norm-referenced, allowing the school to compare its student performance with many KIPP Schools across the country. This allows teachers to see how students performed on a comparative basis with students across the country that are attending similar schools with similar curriculum and educational programs.

The MAP will also be used to determine academic gains and losses with students new to the school within the school year. At the end of the year, the students will be tested again to measure the academic gains or losses achieved within the school year. This data is used to measure student progress, compare different sets of classes, gains and losses across years and within-year student gains, all in an effort to improve instructional materials, school-developed assessments, instructional methods and sequencing, and inform professional development based on areas of weaknesses.

Each year, school-wide MAP data will be disaggregated by gender, race, and socioeconomic status and analyzed, in order to make any needed adjustments to the instructional program. The school expects students in each gender, racial, and socioeconomic group to demonstrate substantially similar improvements in MAP scores. MAP data for individual students is reported to each student’s family. As soon as the data is released, it will be carefully examined by the faculty; substantial disparities in improvement across racial or socioeconomic lines may result in modifications to curriculum, schedule, school staffing, or provision of support services.

**Other Assessments**

In addition to the aforementioned assessments, student progress will be assessed and measured continuously with other approaches such as using longitudinal, survey, and other data. For example, using more informal data, teachers will consistently monitor who is responding to questions, how students are doing on homework, student performance on class work, and student participation. Teachers will maintain anecdotal notes and running records in which to organize some of these informal assessments. Teacher may also incorporate other forms of formal assessments such as quizzes to monitor student progress, writing assessments based on a prompt, portfolios, or projects. Assessment tools included in the selected instructional programs may also be utilized, such as the STAR
assessment on Accelerated Reader. Assessments in the selected instructional programs will be used as a tool to monitor the effectiveness of teaching and learning. The use of longitudinal, survey, and other data will also be utilized in measuring pupil progress.

*Testing*

KIPP Middle School #6 agrees to comply with and adhere to the State requirements for participation and administration of all state mandated tests. If the Charter School does not test (i.e., STAR, CELDT, CAHSEE) with the District, the Charter School hereby grants authority to the state of California to provide a copy of all test results directly to the District as well as the Charter School.

*Grading Policy*

KIPP Middle School #6 will administer grades based upon student’s mastery of the California Content and Common Core Standards. Grades will be reported in quarterly report cards on a scale from A-F (A, B, C, and F) corresponding to the percentages of mastery shown on classwork, homework, assessments, and special projects or labs. Please see Appendix I for a sample report card.
ELEMENT 4: GOVERNANCE
KIPP Middle School #6 and/or its nonprofit corporation is a separate legal entity and will be solely responsible for the debts and obligations of the Charter School.

KIPP Middle School #6 will comply with the Brown Act.

*Members of the KIPP LA Schools Board of Directors, any administrators, managers or employees, and any other committees of the School shall comply with federal, state, and local laws, nonprofit integrity standards and LAUSD’s Charter School policies and regulations regarding ethics and conflicts of interest.

*The District reserves the right to appoint a single representative to the charter school board pursuant to Education Code section 47604(b).

Legal Structure
The charter applicant for KIPP Middle School #6 is KIPP LA Schools, a California non-profit public benefit corporation. It is the responsibility of KIPP LA Schools to be accountable to the State of California and the Los Angeles Unified School District for the creation and implementation of KIPP Middle School #6. KIPP LA Schools exists to ensure that all KIPP schools, including KIPP Middle School #6, adhere to the proven success of the nationally renowned KIPP school model and to this charter. KIPP LA Schools will operate KIPP Middle School #6.

Governance
The governance structure of KIPP LA Schools achieves two primary objectives:

- To promote the success of KIPP Middle School #6 and its students through community based support, involvement, and local responsibility; and
- To ensure adherence to the proven success of the KIPP educational philosophy that has been demonstrated across the nation.

Below is an organizational chart of the KIPP Middle School #6 governance structure, including the KIPP LA Schools Board of Directors and the KIPP Middle School #6 teaching staff.

Any amendments to KIPP LA Schools’ bylaws that affect or impact the KIPP Middle School #6 or school operations must be approved through the District’s petition amendment process.

---

6 Please refer to Section 5-2 for the organizational documents of KIPP LA Schools, including articles of incorporation and bylaws.
Local Board of Directors
The KIPP LA Schools Board of Directors will be the governing body of the school, and will be made up of local community members. Please see Appendix J for a list of KIPP LA Schools board members and their resumes.

Governance, policy-making authority, and fiduciary responsibility for KIPP Middle School #6 will rest with the KIPP LA Schools Board of Directors. The Board of Directors will work closely with its Executive Director and the KIPP Middle School #6 School Leader to implement KIPP’s national education philosophy as set forth in the Five Pillars.

Composition of KIPP LA Schools Board of Directors
KIPP LA Schools’ Board of Directors will be representative of the Los Angeles community and will hold public meetings in accordance with the Ralph M. Brown Act. KIPP LA School Board and its committees are subject to the Brown Act. In the conduct of all meetings the KIPP LA Schools Board will:

- Post an agenda at least 72 hours prior to any meeting
- Hold all meetings within the boundaries of the LAUSD
- Set aside time at each meeting for public comment
- Conduct all votes in public, unless a vote is permissibly cast in closed session
- Upon request, provide to members of the public copies of any materials provided to the Board (unless specifically exempted by the Public Records Act. The California Public Records Act provides for certain exemptions; if a request falls under these exemptions, KIPP LA may assert that exemption. For example, Government Code sec. 6254 states that litigation documents may be withheld if the case is active. Additionally, personal information may be withheld if the release would invade privacy. Information that is privileged or confidential is also exempt.)

Board members will support the mission of the school and serve voluntarily. KIPP LA Schools will seek to ensure that its directors represent a broad area of expertise and cross-section of the school community and community-at-large. More specifically, KIPP LA Schools will seek board members with backgrounds in real estate, law, public accounting, management, and philanthropy.

Selection of KIPP LA Schools Board Members
KIPP LA Schools’ Executive Director will work closely with the Board of Directors to ensure that board members fully support the school’s mission, culture, and goals. The qualifications sought in those candidates interested in serving on the Board include but are not limited to:

- A dedication to furthering the vision and mission of KIPP LA Schools;
- Willingness to volunteer for one or more board committees and the ability to contribute appropriate time and energy necessary to follow through on assigned tasks;
- Ability to work within a team structure;
- Expectation that all children can and will realize high academic achievement; and
• Specific knowledge, experience, and/or interest in at least one element of governance for KIPP LA Schools.

New members of the Board of Directors or members seeking another term will be chosen through an election process.

**Board Recruiting and Selection Process**

The authorized number of directors who shall constitute the Board shall be 15, or such other number as may be fixed by the Board from time to time, provided, however, that the authorized number shall not be less than three and shall not be greater than 20. The board will represent a cross section of Los Angeles and will include persons with expertise in education, management, finance, and law. The board recruiting process will include the following actions:

1. Identification of a prospective board member.
2. Board or staff member who knows the prospect will complete a nomination form.
3. The board’s Governance Committee will review nomination forms and rank prospective directors based on their qualifications and desire to serve.
4. The Governance Committee will cultivate prospective board members in the following ways:
   a. Deliver information packet with information concerning the history and future plans of KIPP LA Schools including specific information regarding the board and its role in the governance and support of KIPP Middle School #6 (e.g. board members roles and responsibilities, meeting schedule, committee structure, etc.)
   b. Prospective board member visits a KIPP LA school
   c. Prospective board member meets with Executive Director of KIPP LA Schools
   d. Prospective board member interviews with Governance Committee Member
   e. Prospective board member interviews with Board President or Vice President
5. Governance Committee presents formal recommendation to the full board of KIPP LA Schools; Board votes on prospective candidate(s)
6. Board President meets with prospective candidate and extends offer to join KIPP LA Schools board.

**Roles and Responsibilities of KIPP LA Schools Board Members**

The KIPP LA Schools Board of Directors’ primary responsibility is to help set policies and work with the Executive Director guiding KIPP LA Schools. The board is empowered to:

• Ensure that all KIPP LA schools adhere to the requirements of their charters
• Hold the Executive Director accountable for the academic performance and fiscal management of the organization and schools;
• Provide support to KIPP LA Schools for additional fund-raising, marketing and other services as needs arise; and

• Advocate on behalf of KIPP LA Schools by working to establish partnerships with community organizations, institutions of higher learning, foundations and corporate entities that support public education.

The KIPP LA Schools Board of Directors will meet at least quarterly. Meeting notices and agendas will be posted publicly in high traffic areas at the school, such as the administrative office and school bulletin board. Approved minutes from the previous Board meeting will be available in the administrative office. The Board Secretary will be responsible for recording governing board actions.

The KIPP LA Schools Board will include several standing advisory committees designed to enhance the operation of the board and provide additional oversight. All standing committees will hold public meetings in accordance with the Ralph M. Brown Act. Membership in committees will not be limited to members of the full board of KIPP LA Schools. Other representatives will include, but not be limited to persons with expertise in committee areas. For example, a member of the business or parent community with corporate audit experience might join the Audit Committee, but not be a member of the Board of Directors. Committees shall not be less than two members and no more than 10. No more than forty-nine percent of the number of board members will sit on any one committee. KIPP LA has the following standing committees:

• Finance. The Finance Committee will review and recommend approval of the annual operating budget to the full board, regularly review and monitor financial results, ensure the maintenance of an appropriate capital structure; and oversee the management of financial assets.

• Governance. The Governance Committee will ensure the constant health and effectiveness of the full board and the work it performs for the organization. The committee focuses on board evaluation, composition, recruiting, nominating, training and education.

• Audit. The Audit committee will oversee accounting and financial reporting processes including internal controls, and will retain and oversee the school’s annual fiscal audit.

• Student Disciplinary Procedures. The Student Disciplinary Procedures committee will oversee the due process for student suspensions and expulsions.

The KIPP LA Schools Board may also use, from time to time, ad hoc committees as well as task forces to help with specific issues or projects including special events, real estate/facilities, bylaws, etc.

Additionally, the KIPP LA Schools Board will have and exercise the right to regularly inspect and evaluate the operations and performance of KIPP Middle School #6. This oversight will include a rigorous, multi-day assessment
of all educational activities to be conducted by Cambridge Education Associates, Ltd., SchoolWorks, 102 Group or a similarly qualified group. By ensuring that KIPP Middle School #6’s educational programs are closely monitored and maintaining KIPP standards, KIPP LA Schools will combine the two factors that have proven to be the keys to success for KIPP schools nationwide:

- Community based support and local responsibility for the success of KIPP Middle School #6; and
- Monitoring and inspection to ensure compliance with KIPP’s demanding educational standards.

The role of the School Leader of KIPP Middle School #6 is to implement the KIPP Five Pillars in the operation of the school, and to ensure that the mission, goals, and objectives of the school are being fulfilled. S/he is thus responsible for:

- Hiring, managing, and evaluating all instructional and non-instructional school staff;
- Designing the school’s academic program;
- Coordinating student and teacher programming, including curriculum development;
- Managing daily operations and school systems; and
- Cultivating community partnerships.

Overall, the School Leader will be responsible for ensuring that overall curricular policy remains faithful to the school’s mission. The School Leader will implement this policy and develop and maintain, with input from teachers, a cohesive fifth through eighth grade curriculum. The School Leader will also be responsible for implementation of the California Content Standards and Common Core standards and for working with parents and teachers to provide differentiation where necessary to meet the needs of students not achieving at expected levels.

**Accountability to Parents and School Community**

The KIPP LA Schools Board of Directors or its designees will respond to all parent and community concerns. Every effort will be made to respectfully address each matter to the satisfaction of the individual or group that presents the complaint. The Board, as necessary, shall direct the School Leader or other responsible party to act upon the complaint and report to the Board. The Board of Directors shall render its determinations in writing.

**Parental and Community Involvement**

Garnering the ongoing support and participation of each student’s parents or guardians in the educational process is fundamental to the mission of KIPP Middle School #6. During the school year, opportunities for continued parental and community participation in the operation of the school will include, but are not limited to, the following:

- Serving on advisory or special task committees involved in school operations;
- Volunteering in any additional capacity of which they are capable. For example, parents may volunteer to assist with field trips, tutoring, fundraisers, and the coordination of special events;
• Attending board meetings to address specific topics best resolved and/or developed with the input and expertise of parents.

In addition, all parents and guardians will be strongly encouraged to attend parent-teacher conferences once a semester. In order to build community among parents and with staff, parents will be invited to school open houses, family workshops, family dinner nights, and other parent information nights.

**Grievance Procedure for Parents and Students**

KIPP Middle School #6 will designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under Title IX of the Education Amendments of 1972 (Title IX) and Section 504 of the Rehabilitation Act of 1973 (Section 504) including any investigation of any complaint filed with KIPP Middle School #6 alleging its noncompliance with these laws or alleging any actions which would be prohibited by these laws. KIPP Middle School #6 will notify all its students and employees of the name, office address, and telephone number of the designated employee or employees.

KIPP Middle School #6 will adopt and publish grievance procedures providing for prompt and equitable resolution of student and employee complaints alleging any action, which would be prohibited by Title IX or Section 504.

KIPP Middle School #6 will implement specific and continuing steps to notify applicants for admission and employment, students and parents of elementary school students, employees, sources of referral of applicants for admission and employment, and all unions or professional organizations holding collective bargaining or professional agreements with the recipient, that it does not discriminate on the basis of sex or mental or physical disability in the educational program or activities which it operates, and that it is required by Title IX and Section 504 not to discriminate in such a manner.

**LAUSD Charter Policy**

KIPP Middle School #6 will comply with the District policy related to Charter Schools, as it may be changed from time to time after notice and reasonable opportunity for input from the Charter School Collaborative.

**Responding to Inquiries**

KIPP Middle School #6 and/or its nonprofit corporation shall promptly respond to all inquiries, including but not limited to, inquiries regarding financial records, from the District and shall consult with the District regarding any inquiries. KIPP Middle School #6 and/or its nonprofit corporation acknowledges that it is subject to audit by LAUSD including, without limitation, audit by the District Office of the Inspector General.

If an allegation of waste, fraud or abuse related to the Charter School operations is received by the District, the Charter School shall be expected to cooperate with any investigation undertaken by the District and/or the Office of the Inspector General, Investigations Unit.
*Notifications*

Notification is to be made to the Charter Schools Division in writing of any notices of workplace hazards, investigations by outside regulatory agencies, lawsuits, or other formal complaints, within one week of receipt of such notices by KIPP Middle School #6.

**Local Control & Quality Control**

In order to ensure the success of schools affiliated with KIPP across the country, the KIPP Foundation has developed a school evaluation process based upon the best practices of existing KIPP schools and the protocol developed and refined through assessments of high performing charter schools nationwide. During the first months of the school’s operation in year one, a two-day inspection will be conducted with feedback provided. A formal inspection and evaluation to determine KIPP Middle School #6’s ongoing status is conducted during the school’s second year of operation. The purpose of the inspection is to identify strengths and areas for development so that the school may improve the quality of education it provides and raise the educational standards achieved by its students. The inspection provides an independent external view of the school and contributes to the national development of KIPP schools and education reform through the identification and dissemination of best practices.

The inspection includes an in-depth review of the three organizational components of the school: 1) the educational program, including the academic performance levels achieved by students in the school, as measured by the school’s performance on assessments, and the quality of education provided, assessed by the quality of teaching and the curriculum; 2) the business and management structure, including how well the school is managed; and 3) the networking strategies, including the relationship between the school and all of its community members.
ELEMENT 5: STAFF QUALIFICATIONS

Staffing Plan
KIPP Middle School #6 will employ four lead classroom teachers per grade level, creating a student: teacher ratio of approximately 32.5:1 in fifth and sixth grade, 29:1 in seventh grade, and 26:1 in eighth grade.

Qualifications for School Employees
Staff selection is one of the most crucial aspects of the founding and growth of KIPP Middle School #6. The goal of the process will be to find driven candidates and hire staff who have developed cultural competency, have strong and positive recommendations from prior employers, have evidence of strong connections with students and their families, and who are team players, flexible, smart, embody and exemplify the values of the school, and are committed to the vision and mission of KIPP Middle School #6. KIPP Middle School #6 will seek teaching candidates who have at least two years of successful teaching experience in an under-resourced community, exemplary student achievement results and are qualified to deliver the proposed instructional program.

KIPP Middle School #6 believes that all persons are entitled to equal employment opportunity. KIPP Middle School #6 shall not discriminate against qualified applicants or employees on the basis of race, color, religion, sex, gender identity, sexual orientation, pregnancy, national origin, ancestry, citizenship, age, marital status, physical disability, mental disability, medical condition, or any other characteristic protected by California or federal law. Equal employment opportunity shall be extended to all aspects of the employer-employee relationship, including recruitment, hiring, upgrading, training, promotion, transfer, discipline, layoff, recall, and dismissal from employment.

Certification
KIPP Middle School #6 will conform to the legal requirement that all charter school teachers shall hold a Commission on Teacher Credentialing certificate, permit, or other certification equivalent to that which a teacher in other public schools would be required to hold. KIPP Middle School #6 will employ teaching staff who are highly qualified and fully compliant with No Child Left Behind requirements. These teachers will instruct the core academic classes of mathematics, English-Language Arts, science, and history/social studies. They will be responsible for overseeing student academic progress and for monitoring grading and matriculation decisions as specified in the school's operational policies. KIPP Middle School #6 will maintain a current copy of teacher certificates on file and ready for inspection. The Chief of Employee Solutions and Legal Affairs at KIPP LA’s School Support Center will monitor credentials on a regular basis and ensure that the necessary documentation is on file for all teachers. A credential review will occur annually and on an as needed basis to ensure compliance. S/he will notify the School Leader in a timely manner regarding the status and expiration of current teachers’ credentials.
**Staff Hiring**

Full responsibility for hiring staff members will reside with the School Leader, except for the Business Operations Manager who will be hired jointly with the Managing Director of Operations of KIPP LA Schools and special education positions which will be hired jointly with the Director of Special Education of KIPP LA Schools. In those scenarios, regional experts lead the selection process and identify a pool of candidates with the desired skill set from which the School Leader ultimately chooses. The School Leader will be hired jointly by the Executive Director and Chief Academic Officer of KIPP LA Schools after being screened and recommended by the KIPP Foundation’s School Leadership Program.

All faculty and staff will undergo a criminal background check and fingerprinting to be conducted by the Department of Justice through LiveScan verification. Verification of clearance is needed before an employee can begin work. The applicants will be required to provide a full disclosure statement regarding prior criminal records. All staff will be required to produce documents for U.S. employment authorization, and to follow all mandated child abuse reporting laws.

- Unquestioned integrity and commitment to KIPP LA’s Mission and Community.

**Staff Recruitment**

Staff selection is one of the most crucial aspects of the founding and growth of KIPP Middle School #6. The goal of the process will be to find driven candidates and hire staff that have developed cultural competency, have at least two years of successful teaching experience in an under-resourced community, have exemplary student achievement results and are qualified to deliver the proposed instructional program. Also, they must have strong and positive recommendations, evidence of strong connections with students and their families, must be team players, flexible, smart, community service oriented, embody and exemplify the values of the school, and be committed to the vision and mission of KIPP Middle School #6.

All candidates for teaching positions will undergo a four-step process to ensure they are not only a fit for KIPP Middle School #6, but also to ensure that KIPP Middle School #6 is a fit for them. The four steps are an online application, a submission of written materials, a phone interview, and an in-person interview day, which consists of a panel interview with KIPP Middle School #6 stakeholders and a model teaching observation. In addition, at least two references for each candidate will be contacted. The School Leader will make all the final hiring decisions for the instructional staff of the school.

Before the school opens the panel may be comprised of the Founding School Leader, staff from existing Los Angeles KIPP schools, community members, and trusted colleagues of the Founding School Leader. The second year and beyond, the panel may be comprised of the Founding School Leader, grade level chairs, parents, and community members. In addition, this process will be open to others who will work closely with the candidate. Ideally, the panel will be comprised of a diverse group to gain an insight into the candidate’s perceptions and how they interact and feel about people from different backgrounds than him or her.

As teaching candidates will not be able to teach a model lesson at KIPP Middle School #6 before the school opens, the Founding School Leader may visit the candidate’s classroom to observe or may ask the candidate to teach a model lesson at an existing KIPP LA middle school. For non-teaching positions, candidates will complete an online application and pre-interview questions before moving forward to interview with the School Leader, and if needed interview with a panel. In addition, a detailed reference check will also be completed. The School Leader will make all final hiring decisions for the non-instructional staff and will make a joint hire of the Business Operations Manager in conjunction with KIPP LA Schools.

**Sample of questions for teaching candidates:**
Phone Interview:

- Project yourself into the future as a teacher at KIPP Middle School #6. What kind of problems do you anticipate having with students (must be specific)? What might you do with a student who ______? That’s an idea, but if that doesn’t work... what might you do next? (Try to elicit at least 3 alternatives.) How often do teachers have to think like this- i.e. what do I do next... once in a while, once a month, once a week, every day or many times a day?
- Can you give me a generalization/principle/rule about education in which you believe? i.e. all children can learn, whatever it takes, etc. If you were observed teaching, what might you be doing to demonstrate your belief in this generalization/principle/rule? If you were to come into my room, and I was..., what might you generalize my belief to be from my teaching behaviors?
- What is your philosophy about the role families play in the classroom, in the school community and at home?
- What does the term “at-risk student” mean to you? What do you think causes a student to be at risk? Given what you say the causes are, what do you perceive to be the solutions?
- Give me an example of a time when you set a goal and were able to meet or achieve it. What did you do to achieve the goal?
- Tell me about a time you were on pace to meet a goal and there were unexpected obstacles. How did you proceed?
- Tell me about a difficult decision you made in the last year.

In-Person Interview

- How do you involve students’ families in your classroom?
- Tell us about a time when you and a colleague had differing viewpoints, but came to a resolve by putting students’ best interests first.
- What is your approach to classroom management?
- If you were to serve our students and families, what strengths would you bring to that work and what potential areas of learning would you have?
- What have you done to further your knowledge/understanding about diversity?
- How have you demonstrated your learning in either your classroom or school setting?
- Has there ever been a time when you and a colleague disagreed about instructional approaches? What did you do?
- Can you recall a time when you were less than pleased with your students’ performance? Why?
- Tell us about a student/s who may have been struggling with a skill or concept. How did you know they were struggling? What did you do to support them and how do you know what you did was effective?
- Tell us about a time when you were focused to make either an unpopular decision or a decision that you felt could have had negative consequences.
- Talk us through your student achievement results. Start with what goals were and take us through what you did
to work towards achieving them.

- How do you involve your manager and/or others when you're making decisions?
- Give us an example of a time when you had to keep from making a decision because you still did not have enough information.
- How do you plan instruction?
- How do you differentiate instruction to meet your students' academic needs?
- What is your approach to classroom management?
- If you were to serve our students and families, what strengths would you bring to that work and what potential areas of learning would you have?
- Has there ever been a time when you and a colleague disagreed about instructional approaches? What did you do?

**Staff Recruitment Strategies**

In order to seek out a diverse pool of the best candidates, a strategic recruitment plan will be implemented. Some of the strategies that will be used are outlined below.

- **KIPP Teach**: The open positions at KIPP Middle School #6 will be posted on KIPP Teach, a national database of all KIPP positions in which interested candidates can apply online. This website is overseen by KIPP Foundation and is separate and distinct from KIPP LA Schools'/KIPP Middle School #6’s website.

- **KIPP Middle School #6 website**: The website for KIPP Middle School #6 will go live when it becomes time to begin recruiting staff and students. The website will state the school's vision, mission, goals, and values. In addition, information on KIPP such as history, network success, and Five Pillars will be included. The job descriptions will be posted as well as contact information and information on how to apply. Interested candidates can submit applications for positions online.

- **Schools of Education at Loyola Marymount University, USC, Cal State LA, Cal State Dominguez Hills, and UCLA.**

- **Teach for America**: The Teach for America Office of Career and Civic Opportunities provides many services that assist with finding quality candidates who are mission aligned with KIPP which will be accessed. For example, the office offers a free web-based job posting and sends out a monthly teaching e-mail blast that reaches over 20,000 Teach For America corps members and alumni which lists featured job opportunities. A posting for KIPP Middle School #6 will be placed on both of these resources. Further, the office collects resume books that will be accessed to seek out quality candidates. KIPP Middle School #6 will also be represented at career fairs and other similar opportunities to find candidates.

- **Referrals from current KIPP LA employees**: KIPP LA’s teachers often know other high quality teachers, and a high number of teacher hires in recent years have been a result of a referral by a current employee. To
encourage referrals, KIPP LA Schools offers incentives for current employees to refer former classmates, colleagues, and friends as prospective teachers at our schools. Referred teachers are encouraged by KIPP LA’s recruitment team to submit an application; those who do go through the same selection process as any non-referred candidate.

**Staff Professional Development**

KIPP Middle School #6 is grounded in the belief that teachers are the key levers that boost student achievement; thus quality professional development for teachers to help KIPP students excel academically is essential.

The first facet of professional development takes place in school-wide staff meetings. Staff meetings are a place for sharing announcements, conducting team-building exercises, and making sure teachers are up to date on any operational aspects of the school. Here, teachers may learn how to use clickers in the classroom or input student attendance or academic data in an electronic system.

Teachers will participate in professional development one afternoon per week when students have a minimum day. The primary function of this time is to analyze data from interim and formative assessments. The interim assessment results are analyzed every 6-8 weeks, whereas the results of formative assessments are analyzed bi-weekly. Secondarily, school-wide professional development is a chance for the School Leader and teachers to address instructional trends going on in the classroom and ways in which the students can be better served. Topics may include improving check for understandings, incorporating literacy across all contents, or enhancing differentiation for English Learners.

Finally, differentiated meetings are content-level and grade-level department meetings that each happen once a month. Those will occur after the weekly school-wide meetings. In content meetings, teachers in the same content area meet to review each other’s assessments and provide instructional support. As a content group, they will also have several opportunities throughout the school year to conduct excellent school visits in an effort to improve their instructional practices for their students.

Grade-level department meetings led by the Grade Level Chair provide teachers with an opportunity to work out logistical details for upcoming events, discuss the needs and academic progress of individual students, and implement school-wide systems.

Another integral component of professional development at KIPP Middle School #6 is the observation-debrief cycle (coaching cycle). The School Leader will formally observe teachers. Following the observation, the School Leader and teacher will discuss student learning based on student data and notes from the observation. Teachers will also
be empowered to observe and provide feedback to their colleagues. These observations will allow the School Leader and teachers to notice instructional and cultural trends across the school. This one-on-one professional development will cultivate a profound desire in teachers to continue to improve their craft so their students can achieve.

In addition to KIPP Middle School #6’s school-wide professional development, teachers and administrators will benefit from regional professional development opportunities facilitated by KIPP LA Schools. Several times per year, teachers and staff from all of KIPP LA’s schools in South and East Los Angeles gather for an intensive day of workshops, trainings, and networking led by internal and external facilitators. Regional Professional Development Days allow for the sharing of best practices in curriculum and instruction, assessment, and classroom management and culture. They also contribute to the building of communities of practice within the KIPP LA network, allowing, for example, a fifth grade teacher at a middle school in South Los Angeles to share successful strategies and lesson plans with a fifth grade teacher at a middle school in East Los Angeles.

Beyond Los Angeles, KIPP Middle School #6 teachers have additional opportunities for sharing and professional development through the national KIPP network. Teachers who are interested in honing their instructional leadership skills can be nominated by the School Leader to participate in one of KIPP’s Leadership Pathways. These six leadership development programs are yearlong opportunities for teachers to strengthen their skill set as instructional leaders and grow personally and professionally, often eventually taking on leadership roles within the school. In addition to KIPP’s Leadership Pathways, the organization also subsidizes KIPP teachers’ subscriptions to Better Lesson, an online platform for sharing lesson plans, long term plans, and other curricular materials. KIPP teachers across the country can easily share with one another materials that have been effective in their classrooms.

**Compensation**

Teachers are the core element of KIPP Middle School #6’s success. It is therefore essential that teachers are supported and well compensated. KIPP Middle School #6 will offer salaries that are competitive with the Los Angeles Unified School District’s wages. Teachers will be compensated additionally for the extra time they teach. Compensation is determined individually based on teaching experience and education and to the agreement of the teacher.

It is the belief of KIPP Middle School #6 that teachers are and should be treated as professionals, and as such, are not hourly employees. In addition to salary, teachers will be offered a competitive benefits package. Salary and stipends, along with standards of professional conduct, will be outlined in employee agreements.
Staff Evaluation
Staff evaluation is a critical piece to ensuring that the team is delivering the quality instruction that students deserve. At the beginning of each school year, the KIPP Middle School #6 School Leader will have meetings with all teachers and non-teaching staff to set goals for the year, as well as begin developing an Individual Development Plan, a document that will change throughout the year as goals are met and new ones are added. This plan will be created based on the teacher’s goals as well as the goals the School Leader identifies.

The School Leader will conduct walk-throughs and informal observations multiple times throughout the week. Written comments will be provided and the School Leader may request to meet with the teacher to discuss the lesson and ways to improve instruction as needed. Further, formal observations will be scheduled on a particular topic in which the School Leader will observe a complete lesson at least two times a year. The School Leader will then meet with the teacher to discuss the reflection and to discuss the mid-year evaluation. The evaluation criteria will be based on the KIPP Framework for Excellent Teaching. Please see Appendix K for this resource.

The School Leader will be evaluated by the Chief Academic Officer of KIPP LA Schools. School Leader evaluations include both performance goals and development goals. Performance goals are metrics based on KIPP LA Schools’ regional imperatives, including student achievement targets and operational and fiscal management goals. Individual development goals are based on the competencies that comprise KIPP’s Leadership Competency Framework, i.e. results orientation and team management.

Non-teaching staff will be evaluated twice each school year in the fall/winter and spring/summer. A meeting will be held during the first quarter with each non-teaching employee to discuss personal goals and areas of strength and growth in the respective position. They will be rated in the core competencies specific to their position at the school.

All staff evaluations, both instructional and non-instructional, will incorporate feedback from the direct supervisor as well as a self-evaluation component to be completed by the employee.

Employee Termination
In most instances, prior to terminating an employee the School Leader will develop a performance improvement plan for the employee in question. In the event that the employee’s performance does not improve in accordance with the plan, his or her employment will be terminated. In all instances, when determining whether an employee should be terminated, the School Leader shall consider the following: 1) Is the termination consistent with the employee’s performance appraisals; 2) Was the employee aware of the performance standards, work rules, or other standards for which he or she is to be terminated?; 3) If appropriate, has the employee been provided progressive discipline?; 4) Are there mitigating circumstances which suggest that less drastic action is
appropriate?; and 5) Is the proposed termination consistent with the school’s actions in similar circumstances in the past? KIPP LA Schools utilizes the FRISK model of documentation; consistent with the model, an employee has ten instructional days to respond in writing to warning letters received as a result of poor performance. Certain serious offenses of KIPP LA Schools’ policy may justify immediate termination. In these situations, the company’s progressive discipline policy would be bypassed. The most common examples of such offenses include:

- Violence or vandalism on the job
- Fighting on the job
- Stealing company property
- Sexual harassment
- Drunkenness or use of drugs on the job
- Gross insubordination
- Serious safety violation threatening others’ health or safety
- Sabotage of company business

**School Management**
The School Leader of KIPP Middle School #6 will be responsible for the implementation of all aspects of the KIPP Middle School #6 charter, and for the day-to-day operations and management of the school.

The KIPP Foundation has developed a comprehensive Competency Model for School Leaders. The Competency Model is a leadership development tool that describes the essential qualities, skills, and knowledge that successful KIPP School Leaders must possess. The School Leader Competency Model includes a self-assessment template, sample teacher, student, and parent interview questions and a template for board member feedback. These feedback tools are designed to facilitate a breadth and depth of information on the School Leader’s performance.

**Roles and Responsibilities of School Leader**
Reporting to the Executive Director of KIPP LA Schools, the School Leader will coordinate all campus level planning and decision making that will involve the school’s professional staff, parents, and community members in establishing and reviewing the school’s educational plans, goals, performance objectives, and major classroom instructional programs. This structure will allow the School Leader, teachers, parents, and the community to make school-based decisions within the boundaries of the decisions and policies set by the Executive Director and Board of Directors of KIPP LA Schools.

The role of the School Leader is to implement KIPP’s Five Pillars in the operation of KIPP Middle School #6 and to be responsible for ensuring that overall curricular policy remains aligned to the school’s mission. The School Leader will implement the Pillars policy and develop and maintain, with input from teachers, a cohesive kindergarten through fourth grade curriculum. The School Leader is also responsible for ensuring that school curriculum
addresses state academic standards and for working with parents and teachers to provide differentiation where necessary to meet the needs of students not achieving expectations.

**Employee Complaints**
KIPP LA Schools has a Whistleblower Policy (see Appendix L). Employees who have work-related concerns or complaints are encouraged to discuss them with the School Leader, the KIPP LA Schools Executive Director, or any other management representative with whom they feel comfortable. Employees are encouraged to raise their work-related concerns as soon as possible after the events that cause the concern. KIPP LA Schools will attempt to keep the employee’s concerns and complaints and any resulting investigation confidential to the extent feasible. However, in the course of an investigation and/or in resolving the matter, some dissemination of information to others may be necessary, appropriate, and/or required by law. The process for resolving employee complaints/grievance will involve the employee first presenting the grievance to the School leader, unless the School leader is involved in the complaint/grievance, in which the employee would proceed to the following step of presenting the grievance to the KIPP Los Angeles Schools Executive Director, who will make the final resolution.

**Maintain Confidentiality of Pupil Records (FERPA)**
KIPP Middle School #6 will maintain the confidentiality of pupil records according to the Family Educational Rights and Privacy Act, 20 U.S.C. §1232g (FERPA). The School Leader will be responsible for compliance with FERPA and will direct the Business Operations Manager to ensure that the school remains compliant with FERPA. All office staff will be trained in the compliance of FERPA and the process for records requests. The FERPA designees shall store educational records in a central, secured location, access to which is limited to the School Leader and designated members of the KIPP Middle School #6 staff.
ELEMENT 6: HEALTH AND SAFETY
KIPP Middle School #6 will ensure that the school is a safe and healthy environment for teaching and learning. All faculty and staff of KIPP Middle School #6 will undergo a criminal background check. KIPP Middle School #6 will ensure that all students and staff provide records documenting immunizations to the same extent that is required for all public schools within the Los Angeles Unified School District and in EC44237. In particular, staff shall honor the Los Angeles Unified School District’s requirements for periodic tuberculosis tests every four years using the Mantoux tuberculosis test. KIPP Middle School #6 will require its employees to be examined for tuberculosis in the manner described in Education Code section 49406.

KIPP Middle School #6 shall adopt and implement a comprehensive set of health, safety and risk management policies that will address, at a minimum, the following:

- KIPP Middle School #6’s official emergency plan, created before school starts, that conforms to LAUSD’s safety plan. Policies and procedures for responses to disasters and emergencies, including fires, earthquakes, terrorist threats, and other emergencies will be developed and kept on file for review. School staff will be trained each year on the safety procedures outlined in the plan. A sample emergency response plan is included in Appendix M and will be revised based on the final facility identification;
- A policy requiring that instructional and administrative staff receive training in emergency response, including first aid, first responder training or its equivalent;
- Compliance with all health and safety laws and regulations that apply to non-charter public schools, including those regarding auxiliary services (food services, transportation, custodial services, hazardous materials, etc.) and those required by CAL/OSHA, the California Health and Safety Code, and EPA;
- Policies and procedures relating to the administration of prescription drugs and other medicines;
- A policy establishing KIPP Middle School #6 as a drug, alcohol and tobacco free workplace;
- Procedures for following the Healthy Schools Act-California Education Code Section 17608, which details pest management requirements for schools.
- Training for all school staff at the beginning of each school year addressing the school’s sexual harassment policies and complaint procedures. Please see Appendix N for the KIPP LA Schools Policy Against Harassment;
- Compliance with state laws that require school employees to be mandated reporters in any cases of child abuse and/or neglect; and
- A policy requiring KIPP Middle School #6 to provide screening of students’ vision and hearing and to screen students for scoliosis in accordance with California law.
As stated in Element 5 (Employee Qualifications), all faculty and staff will undergo a criminal background check and fingerprinting to be conducted by the Department of Justice which must be cleared prior to beginning employment. Applicants will be required to provide a full disclosure statement regarding prior criminal records. All staff will be required to produce documents for U.S. employment authorization, and to follow all mandated child abuse reporting laws. Staff will be trained in mandated child abuse reporting laws annually. All certificated and classified staff will be mandated reporters for child abuse. The staff will be trained regarding this responsibility and will be advised to follow all applicable reporting laws.

KIPP Middle School #6 shall ensure that prior to commencement of operations, its facility shall comply with all applicable federal, state, and local laws. KIPP Middle School #6 will maintain complete records documenting said compliance, and will maintain on file copies of all facility inspection records. KIPP LA Schools will manage all aspects of maintenance and operations for KIPP Middle School #6 through contracts with third party vendors.

*Insurance Requirements*

No coverage shall be provided to KIPP Middle School #6 by the District under any of the District’s self-insured programs or commercial insurance policies. KIPP Middle School #6 shall secure and maintain, at a minimum, insurance as set forth below with insurance companies acceptable to the District [A.M. Best A-, VII or better] to protect KIPP Middle School #6 from claims which may arise from its operations. Each Charter School location shall meet the below insurance requirements individually.

It shall be KIPP Middle School #6’s responsibility, not the District’s, to monitor its vendors, contractors, partners or sponsors for compliance with the insurance requirements.

The following insurance policies are required:

1. Commercial General Liability, including Fire Legal Liability, coverage of $5,000,000 per Occurrence and in the Aggregate. The policy shall be endorsed to name the Los Angeles Unified School District and the Board of Education of the City of Los Angeles (“Board of Education”) as named additional insured and shall provide specifically that any insurance carried by the District which may be applicable to any claims or loss shall be deemed excess and KIPP Middle School #6’s insurance shall be primary despite any conflicting provisions in KIPP Middle School #6’s policy. Coverage shall be maintained with no Self-Insured Retention above $15,000 without the prior written approval of the Office of Risk Management for the LAUSD.

2. Workers’ Compensation Insurance in accordance with provisions of the California Labor Code adequate to protect KIPP Middle School #6 from claims that may arise from its operations pursuant to the Workers’ Compensation Act (Statutory Coverage). The Workers’ Compensation Insurance coverage must also include Employers Liability coverage with limits of $1,000,000/$1,000,000/$1,000,000.
3. Commercial Auto Liability, including Owned, Leased, Hired, and Non-owned, coverage with limits of $1,000,000 Combined Single Limit per Occurrence if KIPP Middle School #6 does not operate a student bus service. If KIPP Middle School #6 provides student bus services, the required coverage limit is $5,000,000 Combined Single Limit per Occurrence.

4. Fidelity Bond coverage shall be maintained by KIPP Middle School #6 to cover all Charter School employees who handle, process or otherwise have responsibility for Charter School funds, supplies, equipment or other assets. Minimum amount of coverage shall be $50,000 per occurrence, with no self-insured retention.

5. Professional Educators Errors and Omissions liability coverage with minimum limits of $3,000,000 per occurrence and $3,000,000 general aggregate.

6. Sexual Molestation and Abuse coverage with minimum limits of $3,000,000 per occurrence and $3,000,000 general aggregate. Coverage may be held as a separate policy or included by endorsement in the Commercial General Liability or the Errors and Omissions Policy.

7. Employment Practices Legal Liability coverage with limits of $3,000,000 per occurrence and $3,000,000 general aggregate.

8. Excess/umbrella insurance with limits of not less than $10,000,000 is required of all high schools and any other school that participates in competitive interscholastic or intramural sports programs.

*Coverages and limits of insurance may be accomplished through individual primary policies or through a combination of primary and excess policies. The policy shall be endorsed to name the Los Angeles Unified School District and the Board of Education of the City of Los Angeles as named additional insureds and shall provide specifically that any insurance carried by the District which may be applicable to any claims or loss shall be deemed excess and KIPP Middle School #6’s insurance shall be primary despite any conflicting provisions in KIPP Middle School #6’s policy.

*Evidence of Insurance

KIPP Middle School #6 shall furnish to the District’s Office of Risk Management and Insurance Services located at 333 S. Beaudry Ave, 28th Floor, Los Angeles CA 90017 within 30 days of all new policies inceptions, renewals or
changes, certificates or such insurance signed by authorized representatives of the insurance carrier. Certificates shall be endorsed as follows:

“The insurance afforded by this policy shall not be suspended, cancelled, reduced in coverage or limits or non-renewed except after thirty (30) days prior written notice by certified mail, return receipt requested, has been given to the District.”

Facsimile or reproduced signatures may be acceptable upon review by the Office of Risk Management and Insurance Services. However, the District reserves the right to require certified copies of any required insurance policies.

Should KIPP Middle School #6 deem it prudent and/or desirable to have insurance coverage for damage or theft to school, employee or student property, for student accident, or any other type of insurance coverage not listed above, such insurance shall not be provided by the District and its purchase shall be the responsibility of KIPP Middle School #6.

*Hold Harmless/Indemnification Provision*

To the fullest extent permitted by law, KIPP Middle School #6 does hereby agree, at its own expense, to indemnify, defend and hold harmless the LAUSD and the Board of Education and their members, officers, directors, agents, representatives, employees and volunteers from and against any and all claims, damages, losses and expenses including but not limited to attorneys’ fees, brought by any person or entity whatsoever, arising out of, or relating to this Charter agreement. KIPP Middle School #6 further agrees to the fullest extent permitted by law, at its own expense, to indemnify, defend, and hold harmless the LAUSD and the Board of Education and their members, officers, directors, agents, representatives, employees and volunteers from and against any and all claims, damages, losses and expenses including but not limited to attorneys’ fees, brought by any person or entity whatsoever for claims, damages, losses and expenses arising from or relating to acts or omission of acts committed by KIPP Middle School #6, and their officers, directors, employees or volunteers. Moreover, KIPP Middle School #6 agrees to indemnify and hold harmless the District for any contractual liability resulting from third party contracts with its vendors, contractors, partners or sponsors

**Health, Safety and Emergency Plan**

KIPP Middle School #6 will have a Health, Safety and Emergency Plan in place prior to beginning the operation of KIPP Middle School #6. KIPP Middle School #6 will ensure that staff has been trained in health, safety, and emergency procedures and will maintain a calendar and conduct emergency response drills for students and staff.
FERPA

KIPP Middle School #6, its employees and officers will comply with the Family Educational Rights and Privacy Act (FERPA) at all times.

Criminal Background Checks and Fingerprinting

KIPP Middle School #6 shall require all employees of KIPP Middle School #6, and all volunteers who will be performing services that are not under the direct supervision of a Charter School employee, and any onsite vendors having unsupervised contact with students to submit to criminal background checks and fingerprinting. KIPP Middle School #6 will maintain on file and available for inspection evidence that KIPP Middle School #6 has performed criminal background checks for all employees and documentation that vendors have conducted required criminal background checks for their employees prior to any unsupervised contact with students. KIPP Middle School #6 shall also ensure that it receives subsequent arrest notifications from the Department of Justice to ensure the ongoing safety of its students.
ELEMENT 7: RACIAL AND ETHNIC BALANCE

Student Recruitment and Outreach Efforts
KIPP Middle School #6 seeks to open with approximately 130 students in August 2013. The school will also maintain a wait list to ensure a filled grade level throughout the year.

While recruitment during the first year is essential, it will remain a priority to maintain the targeted student enrollment throughout the life of the school. The School Leader, KIPP LA Board members, and KIPP Middle School #6 staff and parents will be encouraged to continuously seek students who are of the age in which they can enter KIPP Middle School #6 and start on the path to and through college.

KIPP Middle School #6 strongly believes students with a variety of life experiences add to the learning experiences of all. Students and families will learn from others how to respect different viewpoints and find commonalities in all people. KIPP Middle School #6 is committed to ensuring that all students and families involved with our recruitment outreach and process are made to feel welcome and respected. The geographic area immediately surrounding the projected school site in East Los Angeles will be targeted in outreach efforts. The 2010 Census data for the Huntington Park community indicates that the area’s population is approximately 97.1% Latino, 0.8% African American, 1.3% American Indian and Alaska Native, 0.7% Asian (including Filipino), with 3.8% listed as Two or More Races. The LAUSD’s Court-Ordered Integration Program ethnic goal is 70:30 or 60:40 (this ratio represents the percentage of Predominantly Hispanic Black Asian Other (PHBAO) compared to Other White (OW). KIPP Middle School #6 is committed to upholding the District’s ethnic balance goal and the school’s outreach and recruitment efforts described below will support this.

Recruitment materials will be in the languages necessary to communicate the message and those conducting outreach and recruitment will speak the languages shared by families and community members. The school will provide outreach information in the language spoken by the targeted population. Recruitment materials utilized in outreach efforts will include information about KIPP Middle School #6 (e.g. the mission statement of the school, pictures of KIPP students, information about the KIPP network of schools, and contact information for KIPP Middle School #6). Please refer to Appendix O for a sample recruitment flyer. In addition, door hangers and mass mailer postcards will be created and distributed throughout the community surrounding KIPP Middle School #6. More detailed mailings with a letter about the school and articles about KIPP will also be sent out to targeted homes and businesses. A website for KIPP Middle School #6, one that is linked to the KIPP LA Schools website, will be created and will provide information about the school’s instructional vision, mission, goals and values along with additional information about the KIPP national network of public charter schools. Contact information and information on student enrollment will also appear on the KIPP Middle School #6 website.
The KIPP LA Schools regional team will further support the student recruitment process by aiding in the development of successful student recruitment practices shared by other KIPP schools across the country. Such student recruitment practices include:

- Enlisting support from lead parents of existing KIPP LA schools to reach out to their family and friends in search of students for KIPP Middle School #6. Lead parents can provide strong referrals and assurance to other parents of the quality of the school and of the program.
- Targeting the siblings of current KIPP LA elementary school students to enroll in KIPP Middle School #6. These students and families already know the expectations and culture of KIPP and could become a base for further student recruitment.
- Local community leaders and businesses will be contacted to assist in the recruitment effort by spreading the word about KIPP Middle School #6 and posting information and advertisements geared towards student recruitment.
- Community events and community organizations will also be targeted to build relationships and spread information about KIPP Middle School #6. Community events will serve as a way to connect with families and potential students who may be of age to attend KIPP Middle School #6.
- Walking the community and being visible is also essential so that community members meet the KIPP Middle School #6 School Leader and begin understanding the mission of the school.

Throughout the student recruitment outreach process, interested families and parents will receive lottery interest forms and later, applications for enrollment. It will be essential when distributing applications for enrollment to clearly explain the goals and expectations of KIPP Middle School #6 to families, parents and/or students. Follow-up meetings will be scheduled and responding to phone call and e-mails from interested parents will be of the highest priority.

*Court-ordered Integration*

KIPP Middle School #6 shall comply with all requirements of the Crawford v. Board of Education, City of Los Angeles court order and the LAUSD Integration Policy adopted and maintained pursuant to the Crawford court order, by Student Integration Services (collectively the “Court-ordered Integration Program”). The Court-ordered Integration Program applies to all schools within or chartered through LAUSD. The School will provide a written plan in the charter petition and upon further request by the District outlining how it would achieve and maintain the LAUSD’s ethnic goal of 70:30 or 60:40 ratio. *(Ratio represents the percentage of Predominantly Hispanic Black Asian Other (PHBAO) compared to Other White (OW)).* The written plan should list specific dates, locations and recruitment activities to achieve the District’s Racial and Ethnic Balance goal.
The District receives neither average daily attendance allocations nor Court-ordered Integration Program cost reimbursements for charter school students. Instead, the District now receives the Targeted Instruction Improvement Grant (TIIG) for its Court-ordered Integration Program. The District retains sole discretion over the allocation of TIIG funding, where available, and cannot guarantee the availability of this Funding.

*No Child Left Behind-Public School Choice (NCLB-PSC) Traveling Students*

The District and KIPP Middle School #6 are committed to providing all students with quality educational alternatives in compliance with all federal and state laws, including students who are enrolled in schools of the District identified by the California Department of Education as in need of Program Improvement. No Child Left Behind-Public School Choice (“NCLB-PSC”) placement with charter schools is an alternative strongly encouraged by the No Child Left Behind Act of 2001 (“NCLB”). KIPP Middle School #6 agrees to discuss with the District the possibility of accepting for enrollment District students participating in the District’s NCLB-PSC program. The parties agree to memorialize separately any agreed-to number of NCLB-PSC placements of District students at the school.

As required under NCLB, all NCLB-PSC students attending KIPP Middle School #6 shall have the right to continue attending KIPP Middle School #6 until the highest grade level of the charter. However, the obligation of the District to provide transportation for a NCLB-PSC student to KIPP Middle School #6 shall end in the event the NCLB-PSC student’s resident District school exits Program Improvement status.

KIPP Middle School #6 will ensure that all of its NCLB-PSC students are treated in the same manner as other students attending the Charter School. NCLB-PSC students are and will be eligible for all applicable instructional and extra-curricular activities at the Charter School. KIPP Middle School #6 will make reasonable efforts to invite and encourage the participation of the parents of NCLB-PSC students in the activities and meetings at the Charter School.

Determination of student eligibility for this NCLB-PSC option, including the grade level of eligibility, will be made solely by the District, based on the District’s NCLB-PSC process, guidelines, policies and the requirements of NCLB. In the event demand for places at KIPP Middle School #6 under the NCLB-PSC program increases in subsequent years, KIPP Middle School #6 agrees to discuss with the District the possibility of increasing the number of NCLB-PSC places available at the Charter School.

*Federal Compliance*

As a recipient of federal funds, including federal Title I, Part A funds, KIPP Middle School #6 has agreed to meet all of the programmatic, fiscal and other regulatory requirements of the No Child Left Behind Act of 2001 (NCLB) and
other applicable federal grant programs. KIPP Middle School #6 understands that it is a local educational agency [LEA] for purposes of federal compliance and reporting purposes. KIPP Middle School #6 agrees that it will keep and make available to the District any documentation necessary to demonstrate compliance with the requirements of NCLB and other applicable federal programs, including, but not limited to, documentation related to funding, required parental notifications, appropriate credentialing of teaching and paraprofessional staff, the implementation of Public School Choice and Supplemental Educational Services, where applicable, or any other mandated federal program requirement. The mandated requirements of NCLB, Title I, Part A include, but are not limited to, the following:

- Notify parents at the beginning of each school year of their “right to know” the professional qualifications of their child’s classroom teacher including a timely notice to each individual parent that the parent’s child has been assigned, or taught for four or more consecutive weeks by, a teacher who is not highly qualified
- Develop jointly with, and distribute to, parents of participating children, a school-parent compact
- Hold an annual Title I meeting for parents of participating Title I students
- Develop jointly with, agree on with, and distribute to, parents of participating children a written parent involvement policy
- Submit biannual Consolidated Application to California Department of Education (CDE) requesting federal funds
- Complete and submit Local Education Agency (LEA) Plan to CDE
- Complete reform planning process with stakeholders and submit to CDE all appropriate documents for Title I schoolwide status, if applicable; otherwise, identify and maintain roster of eligible students for the Title I Targeted Assistance School Program
- Maintain inventory of equipment purchased with categorical funds, where applicable; and
- Maintain appropriate time-reporting documentation, including semi-annual certification and personnel activity report, for staff funded with categorical resources, where applicable

KIPP Middle School #6 also understands that as part of its oversight of the Charter School, the District may conduct program review of federal and state compliance issues.
ELEMENT 8: ADMISSION REQUIREMENTS

KIPP Middle School #6 will be a free public school open to all residents of the State of California. KIPP Middle School #6 will not discriminate on the basis of race, ethnicity, religion, gender, gender identity, gender expression, national origin, sexual orientation, or disability, or any other characteristic that is contained in the definition of hate crimes set forth in Section 422.55 of the Penal Code of the students, parents, or guardians or association with individuals with one or more of the above actual or perceived characteristics. KIPP Middle School #6 will admit all pupils who wish to attend as outlined in Education Code 47605 (d)(2)(A). KIPP Middle School #6 accepts and understands obligations to comply with all laws establishing minimum age for public school attendance. KIPP Middle School #6 will not enroll pupils over 19 years of age unless continuously enrolled in public school and making satisfactory progress toward high school diploma requirements.

Lottery
Recruitment of incoming students will begin in September of each school year for the following school year. At that time, KIPP Middle School #6 will advertise open enrollment and interested families will begin meeting with the school’s staff and reviewing the school’s academic program, schedule, and expectations. All interest forms submitted through the first Friday of February will be entered into the lottery. If the number of applications to enroll exceeds the capacity of a grade level, a date is set in the spring to hold a random selection process (lottery) to assure all applicants an equal chance of gaining admission. Preference in the lottery will be given to the following categories of students:

- Students whose address of residence lies within the published boundaries of the District;
- Siblings of currently enrolled students, defined as one of two or more individuals having one or both parents in common; a brother or sister. Sibling status does not accord preference across KIPP LA schools; and
- Children of KIPP LA employees (as long as that number does not exceed 5% of all interest forms); KIPP LA Regular employees are those who are employed (both Full or Part-time) with an expectation of an ongoing employment with the school (not temporary or seasonal employment).

The date and time of the lottery is determined each year once it is determined that a lottery is required. The location of the lottery has yet to be determined, but the school will seek a location either in or near the location of the school facility and in a space large enough to ensure all interested parties may observe the lottery. Families who submit interest forms will receive information about the date, time, and location of the lottery from the
school’s Office Manager. The lottery will be conducted using an automated online system to ensure that the process is fair and equitable for all participants. After initial enrollment, a waitlist will be created and maintained and, should vacancies occur, admission will be offered to applicants selected from the waitlist in the order that their names appear on the waitlist. The waitlist expires annually the day before the lottery for the upcoming year. Students enrolled the previous year that neither withdrew nor were dismissed from the school will be guaranteed a seat the following year. The above process will also be followed to fill vacant seats for all grades as seats become available each year due to student attrition at the discretion of the School Leader. See Appendix P for a sample lottery interest form and enrollment packet.

**Communication**

Families will be notified about the results of the lottery by the school’s Office Manager within one week of the lottery. Families that entered a student into the lottery will receive a letter sent to the address indicated on the paperwork submitted. The letter will indicate whether the child was accepted or waitlisted, and if waitlisted, the number the child is on the waitlist. For students who were accepted to the school, the letter will include steps the family must take to enroll the child in the school.

**Records**

The school will keep a record on file documenting the fair execution of the lottery procedures. The school will maintain records documenting the fair execution of the lottery including the names placed into the lottery, the name of the person who pulled the names, the names of students given an available seat, and the names and order of those placed on the waitlist. The information will be maintained for at least three years.

**Refinement of Policies**

Notwithstanding the aforementioned, KIPP Middle School #6 may refine lottery policies and procedures following the first year of operations in accordance with a written policy adopted by the governing board of the school. A copy of the revised policy, designed to improve the school’s lottery efforts, shall be provided to the District within 45 calendar days of approval by the charter school’s governing authority and prior to the enrollment period of the year in which the revised lottery policy will be implemented. If refinement of policies and procedures arises to a level that a material revision is required, KIPP Elementary School #5 will submit a request for a material revision.

**McKinney-Vento Homeless Assistance Act**

The Charter School will adhere to the provisions of the McKinney-Vento Homeless Assistance Act and ensure that each child of a homeless individual and each homeless youth has equal access to the same free, appropriate public education as provided to other children and youths. The Charter School will include specific information in their outreach materials, websites, at community meetings, open forums, and regional center meetings notifying parents that the school is open to enroll and provide services for all students which shall include a District standard
contact number to access additional information regarding enrollment. A student’s IEP will never be required prior to participation in any attendance lottery or as a condition for enrollment.

**ELEMENT 9: FINANCIAL AUDITS**

KIPP LA Schools Board of Directors has a separate Audit Committee, whose responsibility it is to annually oversee the selection of an independent auditor who has experience in education finance, and the completion of an annual audit of KIPP Middle School #6 and KIPP LA Schools’ financial books and records. This audit will be conducted in accordance with Generally Accepted Accounting Principles and the Audit Guide for Charter Schools, and will verify the accuracy of KIPP Middle School #6’s financial statements (including its Balance Sheet, Income Statement and Cash Flow Statement), attendance and enrollment accounting practices, and review internal controls.

To the extent required by federal law, the scope of this audit will be expanded to include any relevant items or processes identified by the Office of Management and Budget. KIPP Middle School #6 will provide the internal controls policy, the full general ledger accounting system, and any reports requested to be provided by the client to the auditors. The school will also make available the receivable and disbursement files.

The annual audit will be completed and submitted to the KIPP LA Schools Board in time for the Board to submit the audit to the LAUSD Charter School division, and to other entities as required by law.

KIPP LA Schools’ Audit Committee will review any audit exceptions or deficiencies and report recommendations to the full Board as to how these have been, or will be, resolved. KIPP LA Schools’ Board will act upon these recommendations, and report its actions to Los Angeles Unified School District.

Any audit exception or deficiency shall be resolved to the satisfaction of LAUSD.

* **District Oversight Costs**

The District may charge for the actual costs of supervisory oversight of the Charter School not to exceed 1% of the Charter School’s revenue, or the District may charge for the actual costs of supervisory oversight of the Charter School not to exceed 3% if the Charter School is able to obtain substantially rent free facilities from the District. Notwithstanding the foregoing, the District may charge the maximum supervisory oversight fee allowed under the law as it may change from time to time. The supervisory oversight fee provided herein is separate and distinct from the charges arising under the charter school/facilities use agreements.

**Balance Reserves**

Additionally, it is recommended that the Charter School maintain a funds balance (reserve) of its expenditures as outlined in section 15450, Title 5 of the California Code of Regulations.
**Special Education Revenue Adjustment/Payment for Services**

In the event that the Charter School owes funds to the District for the provision of agreed upon or fee for service or special education services or as a result of the State’s adjustment to allocation of special education revenues from the Charter School, the Charter School authorizes the District to deduct any and all of the in lieu property taxes that the Charter School otherwise would be eligible to receive under section 47635 of the Education Code to cover such owed amounts. The Charter School further understands and agrees that the District shall make appropriate deductions from the in lieu property tax amounts otherwise owed to the Charter School. Should this revenue stream be insufficient in any fiscal year to cover any such costs, the Charter School agrees that it will reimburse the District for the additional costs within forty-five (45) business days of being notified of the amounts owed.

**Audit and Inspection of Records**

KIPP Middle School #6/KIPP LA Schools agrees to observe and abide by the following terms and conditions as a requirement for receiving and maintaining its charter authorization:

- KIPP Middle School #6 is subject to District oversight.
  - The District’s statutory oversight responsibility continues throughout the life of the Charter and requires that it, among other things, monitor the fiscal condition of KIPP Middle School #6.
  - The District is authorized to revoke this charter for, among other reasons, the failure of KIPP Middle School #6 to meet generally accepted accounting principles or if it engages in fiscal mismanagement.

Accordingly, the District hereby reserves the right, pursuant to its oversight responsibility, to audit KIPP Middle School #6’s books, records, data, processes and procedures through the District Office of the Inspector General or other means. The audit may include, but is not limited to, the following areas:

- Compliance with terms and conditions prescribed in the Charter agreement,
- Internal controls, both financial and operational in nature,
- The accuracy, recording and/or reporting of school financial information,
- The school’s debt structure,
- Governance policies, procedures and history,
- The recording and reporting of attendance data,
- The school’s enrollment process,
- Compliance with safety plans and procedures, and
- Compliance with applicable grant requirements.

KIPP Middle School #6 and KIPP LA Schools shall cooperate fully with such audits and shall make available any and
all records necessary for the performance of the audit upon 30 days notice to KIPP Middle School #6. When 30 days notice may defeat the purpose of the audit, the District may conduct the audit upon 24 hours notice.

KIPP Middle School #6 will develop and maintain internal fiscal control policies governing all financial activities.

The following reports will be submitted to LAUSD, in the required format and within timelines to be specified by LAUSD each year:

a. Final Budget – Spring prior to operating fiscal year
b. First Interim Projections – November of operating fiscal year
c. Second Interim Projections – February of operating fiscal year
d. Unaudited Actuals – July following the end of the fiscal year
e. Audited Actuals – December 15 following the end of the fiscal year
f. Classification Report – monthly according to school’s Calendar
g. Statistical Report – monthly according to school’s Calendar of Reports

In addition:

• P1, first week of January
• P2, first week of April

h. Instructional Calendar – annually five weeks prior to first day of instruction
i. Other reports as requested by the District.
ELEMENT 10: SUSPENSION & EXPULSION PROCEDURES

Student Discipline
Throughout the country, KIPP schools have been extremely successful in the teaching and overseeing of appropriate student behavior. From the initial setting of expectations (such as with the Commitment to Excellence and an introductory summer session) through the schools’ consistent reinforcement of student standards, KIPP students are constantly acculturated to values and expectations. KIPP Middle School #6 will create a school environment in which inappropriate behavior is recognized by teachers, parents and students as harmful to the interests of all and, therefore, not acceptable.

In addition to the expectations for KIPP students that are included in the school’s orientation materials, KIPP Middle School #6 will ensure that student conduct supports student learning by, among other things, a “Daily Choices” sheet that will document student decisions in relation to the values of the school within the classroom. If a student does not uphold these values, this choice will be identified so that it can be addressed. In addition, positive examples of student conduct that supports the values will be noted. This sheet will be sent home daily and must return signed by parent/guardian the following day. The “Daily Choices” sheet will be used throughout the school, but may be grade level tailored. Positive behavior is also acknowledged through the public recognition of students who have embodied positive behavior. If a student commits an act deemed possibly worthy of suspension, the student will be sent to the office with a discipline referral documenting the behavior.

By utilizing a range of progressive disciplinary options, KIPP Middle School #6 will curtail misconduct before there is a need for more serious sanctions. Potential actions include (but are not limited to):

- Additional assignments to be completed at home and/or at school, overseen by teachers and/or grade level leaders
- Parent meetings with teachers and/or grade level leader
- Mandatory study hall during and/or after school (with notification to parent(s)/guardian and overseen by grade level leader
- Loss of incentives or privileges
- Calling plans (requiring the student to call teachers to notify them of homework completion)
- Daily conduct log (in which a student is required to get teacher acknowledgement of appropriate behavior after each class)
• In-school suspension plans, providing opportunity for the teachers or School Leader to meet with an individual student to discuss misconduct and to determine appropriate consequences

• Written apology for misconduct

• A “Daily Choices” sheet that documents in real time student decisions in relation to the values of the school. Problematic choices can quickly be identified and addressed.

• Disciplinary probation with notice to parents and explanation of required improvement

• Study teams, resource panel teams, or other assessment-related teams

• Peer presentations of personal improvement plan

• Referral to school counselor, psychologist, child welfare attendance personnel, or other school support service staff

The School Leader or a designee will handle all discipline referrals and based on the severity of the action, will respond fairly and appropriately. The School Leader or the designee will document on the discipline referral how the action was handled. The discipline referral will be sent home to be signed by the student’s parent or guardian and must be returned the following day. A copy of the referral will be given to the classroom teacher and one will be kept on file with the School Leader or designee.

The school’s Student Suspension and Expulsion Policy will promote learning and protect the safety and well being of all students at the school. Staff shall enforce disciplinary rules and procedures fairly and consistently among all students. The administration of KIPP Middle School #6 will ensure that students and their parents/guardians are notified in writing upon enrollment of all discipline policies and procedures. The policy and procedures will be set forth in the Student and Parent Handbook.

Corporal punishment shall not be used as a disciplinary measure with any student. (Corporal punishment includes the willful infliction of, or willfully causing the infliction of, physical pain on a student.) This commitment by KIPP Middle School #6 does not limit the rights of KIPP Middle School #6 employee to use force that is reasonable and necessary to protect the employee, student(s), staff or other persons, or to prevent damage to school property.

**Statutory Grounds for Suspension and Expulsion**
Students will be subject to discipline for misconduct occurring a) on school grounds; b) while going to or coming from school; c) during the lunch period, whether on or off the school campus; or d) during, going to, or returning from a school-sponsored activity.
Enumerated Offenses. The following acts are identified in the California Code of Education as grounds for student suspension and expulsion:

- **Physical Injury:** Caused, attempted to cause, or threatened to cause physical injury to another person (Ed. Code 48900(a)(1)) or willfully used force or violence upon the person of another, except in self-defense. (Ed. Code 48900(a)(2)) A violation can require notification to police.

- **Weapons, Explosives, Dangerous Objects:** Possessed, sold, or otherwise furnished any firearm, knife, explosive, or other dangerous object, unless, in the case of possession of any object of this type, the pupil had obtained written permission to possess the item from a certificated school employee, which is concurred in by the School Leader or the designee of the School Leader. (Ed. Code 48900(b)) Notification to police may be required.

- **Controlled Substances/Alcohol:** Unlawfully possessed, used, sold, or otherwise furnished, or been under the influence of, any controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind. (Ed. Code 48900(c)) Notification to police may be required.

- **Substances in Lieu of Controlled Substances:** Unlawfully offered, arranged, or negotiated to sell any controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind, and then either sold, delivered, or otherwise furnished to any person another liquid, substance, or material and represented the liquid, substance, or material as a controlled substance, alcoholic beverage, or intoxicant. (Ed. Code 48900(d)) Notification to police may be required.

- **Robbery or Extortion:** Committed or attempted to commit robbery or act of extortion. (Ed. Code 48900(e)) Notification to police may be required.

- **Damage to Property:** Caused or attempted to cause damage to school property or private property. (Ed. Code 48900(f)) Notification to police may be required.

- **Theft of Property:** Stole or attempted to steal school property or private property. (Ed. Code 48900(g)) Notification to police may be required.

- **Tobacco:** Possessed or used tobacco, or any product containing tobacco or nicotine products, including, but not limited to, cigarettes, cigars, miniature cigars, clove cigarettes, smokeless tobacco, snuff, chew packets, and betel. However, this section does not prohibit use or possession by a pupil of his or her own prescription products. (Ed. Code 48900(h))
• Obscenity/Profanity: Committed an obscene act or engaged in habitual profanity or vulgarity. (Ed. Code 48900(i))

• Drug Paraphernalia: Unlawfully possessed or unlawfully offered, arranged, or negotiated to sell any drug paraphernalia, as defined in Section 11014.5 of the Health and Safety Code. (Ed. Code 48900(j)) Notification to police may be required.

• Disruption/Defiance: Disrupted school activities or otherwise willfully defied the valid authority of supervisors, teachers, administrators, or other school personnel engaged in the performance of their duties. (Ed. Code 48900(k))

• Received Stolen Property: Knowingly received stolen school property or private property. (Ed. Code 48900(l)) Notification to police may be required.

• Imitation Firearm: Possession of an imitation firearm. (Ed. Code 48900(m)) (An “Imitation Firearm” is a replica of a firearm that is so substantially similar in physical properties to an existing firearm to lead a reasonable person to conclude that the replica is a firearm. (Ed. Code 48900(m)). Notification to police may be required.

• Sexual Assault/Sexual Battery (Included in Actions Requiring Mandatory Expulsion, Ed Code 48915(c) and below): Committed or attempted to commit a sexual assault as defined in Section 261, 266c, 286, 288, 288a, or 289 of the Penal Code or committed a sexual battery as defined in Section 243.4 of the Penal Code. (Ed. Code 48900(n)) Notification to police required for students in grades 4-12. (The definition of sexual assault includes rape, various types of sexual abuse, and lewd and lascivious conduct. (Penal Code 261, 266c, 286, 288, 288a, 289.) Sexual battery is the touching of an intimate part of another person, if the touching is against the will of the person touched, and is for the specific purpose of sexual arousal, sexual gratification, or sexual abuse. (Penal Code 243.4). See also, Ed. Code 48915(c) triggering mandatory expulsion procedures in the event of such a violation.

• Sexual Harassment: Committed sexual harassment (Ed. Code 48900.2), meaning an act which, upon review of a reasonable person of the same gender as the victim, is determined to be sufficiently severe or pervasive so as to cause negative impact on one’s academic performance or to create an intimidating, hostile or offensive educational environment. “Sexual harassment” must be unwelcomed by the recipient in order to constitute a violation of Education Code 48900.2, and only students in grades 4-12 are subject to suspension for sexual harassment.
• Hate Violence: Caused, attempted to cause, threatened to cause, or participated in an act of hate violence. (Ed. Code 48900.3) Notification to police required for students in grades K-12. (The definition of hate violence is the use of force or threat of force to intimidate a person in the exercise of a constitutional or statutory right, or damage or destruction of property for the purpose of intimidating or interfering with a person because of that individual’s “race, color, religion, ancestry, national origin, disability, gender, or sexual orientation.”)

• Intentional Harassment: Created a hostile educational environment (Ed. Code 48900.4) (The definition of intentional harassment is the engaging in harassment, threats or intimidation, directed against a student or group of students, that is sufficiently severe or pervasive to have the actual and reasonably expected effect of materially disrupting a classroom, creating substantial disorder, and invading the rights of the students or group of students by creating an intimidating or hostile educational environment).

• Terrorist Threats Against School Officials and/or Property: Committed a terrorist threat against school officials, school property or both (Ed. Code 48900.7) (The definition of a terrorist threat includes any statement, whether written or oral, by a person who willfully threatens to commit a crime which will result in: death; great bodily injury to another person, or property damage in excess of one thousand dollars ($1,000.00), with the specific intent that the statement is to be taken as a threat, even if there is no intent of actually carrying it out, which, on its face and under the circumstances in which it is made, is so unequivocal, unconditional, immediate, and specific as to convey to the person threatened a gravity of purpose and an immediate prospect of execution of the threat, and thereby causes that person reasonably to be in sustained fear for his or her own safety, his or her immediate family’s safety, the protection of school property, and/or the personal property of the person threatened or of his or her immediate family. Notification to police may be required.

Potential Disciplinary Actions
In general, a suspension may be imposed only when other means of correction fail to bring about the proper conduct. However, with respect to the violations set forth in Ed. Code 48900 sub-sections (a) – (e), i.e., the first five enumerated above, an out-of-school suspension may be authorized for a first offense. (Additionally, a suspension for any of the above-listed violations is permissible if a student’s presence causes a danger to persons or property or threatens to disrupt the instructional process.). Expulsion for a violation of subsections (a) – (e) is permitted based upon the recommendation of the School Leader and a finding by the KIPP LA board (or a designated committee thereof) that the student committed the offense and that either: (a) other means are not feasible or have repeatedly failed to correct the behavior; or (b) due to the nature of the act, the student’s presence would cause a continuing danger to personal safety. Ed. Code 48915(b)
With respect to the remaining violations set forth above, except as otherwise noted (with respect to acts triggering mandatory expulsion consideration), a suspension is permitted only when other corrective actions have failed to bring about the proper conduct. However, prior corrective action is not a prerequisite if a student’s presence would cause a danger to persons or property, or threaten to disrupt the instructional process. Ed. Code 48900.5. Expulsion for these offenses are limited to situations in with the Executive Director or School Leader has made a recommendation based on a finding that one of these enumerated offenses was committed, and there is a finding by the board (or a properly empowered committee thereof) that either: (a) other means of disciplining are not feasible or have repeatedly failed to correct the behavior; or (b) due to the nature of the act, the presence of the student would cause a continuing danger to someone’s personal safety. Ed. Code 915(e).

Additional Offenses Identified by Statute

- Electronic Signaling Device: Pursuant to Ed. Code 48901.5, KIPP Middle School #6 forbids the possession of electronic signaling device, including cell phones and pagers while on school grounds, while attending school sponsored activities, or while under the supervision and control of school employees.

- Harassment of Witness: Harassed, threatened, or intimidated a pupil who is a complaining witness or witness in a school disciplinary proceeding for the purpose of either preventing that pupil from being a witness or retaliating against that pupil for being a witness, or both. (Ed. Code 48900(o)) Pursuant to Ed. Code 48900, a violation could provide grounds for suspension.

- Soma: Offering, selling or negotiating to sell the prescription drug Soma. Ed. Code 48900(p).

- Hazing: It is a violation to engage in hazing activities or any act that causes or is likely to cause personal humiliation or disgrace (Ed. Code 48900(q) and 32050-32052). Hazing includes any method of initiation or pre-initiation into a student organization or student body or any pastime or amusement engaged in with respect to these organizations which causes, or is likely to cause, bodily danger, physical harm, or personal degradation or disgrace resulting in physical or mental harm, to any pupil or other person attending KIPP Middle School #6. (Hazing shall not include customary athletic events or other similar contests or competitions. No student, or other person in attendance at KIPP Middle School #6 shall conspire to engage in hazing, participate in hazing, or commit any act that causes or is likely to cause bodily danger, physical harm, or personal degradation or resulting in physical or mental harm to any fellow student or person attending KIPP Middle School #6.

- Pursuant to Ed. Code 48900, a violation could provide grounds for suspension.

- Bullying: Ed. Code 48900(r) prohibits acts of bullying that are directed specifically toward a student or school personnel, including bullying by means of an electronic act (cyber bullying).
• Vandalism/Malicious Mischief: Prohibited conduct includes defacing, damaging or destroying any school property including, books, supplies of all kinds, equipment, buildings and grounds. Parents can be held financially liable for damages up to $10,000 and can also be liable for the amount of any reward not exceeding $10,000 pursuant to Section 53069.5 of the Government Code (Ed. Code 48904).

**Student Conduct Requiring Expulsion**

Category I – Mandatory Expulsion: Under the mandatory provisions of Education Code 48915(c) and (d), a student who has committed one or more of the following acts must be immediately suspended and recommended for expulsion, and the KIPP Los Angeles board must act on this recommendation:

• Possessing, selling or otherwise furnishing a firearm when a KIPP Middle School #6 employee verified firearm possession
• Brandishing a knife at another person
• Unlawfully selling a controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code
• Committing or attempting to commit a sexual assault or committing sexual battery
• Possession of an explosive

Category II – Mandatory Recommendation for Expulsion: Under the provisions of Education Code 48915(a)(1) – (5) and 48915(b), a student who has committed one of the following acts of misconduct must be recommended for expulsion unless there is a finding that expulsion would be inappropriate under the circumstances:

• 48915(a)(1): Causing serious physical injury to another person, except in self-defense
• 48915(a)(2): Possession of any knife or other dangerous object of no reasonable use to the student
• 48915(a)(3): Unlawful possession of any controlled substance listed in Chapter 2 (Commencing with Section 11053) of Division 10 of the Health and Safety Code, except for the first offense for the possession of not more than one avoirdupois ounce of marijuana, other than concentrated cannabis
• 48915(a)(4): Robbery or extortion;
• 48915(a)(5): Assault or battery upon a school employee.

If there is a recommendation for expulsion based on a violation of the offenses identified in Ed. Code 48915(a)(1)-(5), the governing board or its designated committee may – but is not required to – expel based on a finding that the student committed the offense and either: (a) other means of disciplining are not feasible or have repeatedly failed to correct the behavior; or (b) due to the nature of the act, the presence of the student would cause a continuing danger to personal safety. See, Ed. Code 48915(b). The governing board or its designated committee shall decide within three school days of the hearing whether or not to approve the
recommendation to expel.

**Procedures Governing Student Suspension or Expulsion**
(Ed Code § 47605(b)(5)(I))
The policies and procedures for suspension and expulsion will be periodically reviewed and the list of offenses for which students are subject to suspension and expulsion will be modified as necessary. The School will account for suspended or expelled students in its average daily attendance accounting as provided by law.

**Procedures in Cases Potentially Involving Suspension**
Step One: The School Leader, designee or teacher investigates the incident and determines whether or not it potentially merits suspension. Searches: In order to investigate an incident, or where there is reasonable suspicion, a student’s attire, personal property, vehicle or school property, including books, desks, and school lockers, may be searched by a School Leader/School Leader designee who has reasonable suspicion that a student possesses illegal items or illegally obtained items. These may include illegal substances, drug paraphernalia, weapons or other objects or substances that may be injurious to the student or others. Illegally possessed items shall be confiscated and turned over to the police.

Step Two: Unless a student poses a danger to the life, safety, or health of students or school personnel, a suspension will be preceded by an informal conference between the school leader, student, and parent/guardian, in which the student and parent/guardian shall be informed of the reason for the suspension and the facts and findings surrounding the incident. At the time of any suspension conference, the School will make a reasonable effort to include the student’s parent/guardian in person or by telephone.

Step Three: The School leader determines if a suspension is to be imposed and, if so, the appropriate length (up to five school days). In the event that a teacher suspends a student, the teacher shall ask the parent to attend a parent-teacher conference regarding the suspension as soon as possible.

Step Four: A Notice of Suspension Form is prepared for the student and parents with the specific offense committed and the date of return. A copy of this form is also sent to the KIPP Los Angeles office and placed in the student’s cumulative file at the school. Arrangements are made for interim educational assignments, including missed school and homework, to be available for pick-up at the school during the duration of the suspension.

Step Five: The School leader determines whether the offense warrants a report to law enforcement authorities. California law requires that KIPP Los Angeles report certain offenses to law enforcement authorities (Ed. Code 48902). In such cases, the appropriate law enforcement agencies will be notified. In addition to the offenses listed under “Grounds for Suspension and Expulsion” that require a police report, school personnel may be
required, by law, to file a report to the police or a legal agency as follows:

- Prior to suspending a student from school for an assault upon any person with a deadly weapon or by force likely to produce great bodily injury. (Ed. Code 48902)

- A non-accidentally inflicted physical injury upon a minor student by another student which requires medical attention beyond the level of school-applied first aid. (Penal Code 11166)

- A non-accidentally inflicted physical injury by any person upon any minor which requires any medical attention. A report must be made to police or a child protection agency. (Penal Code 11166)

- Actual or suspected sexual abuse or physical abuse of any minor child. A report must be made to a child protection agency. (Penal Code 11166)

- An attack or assault on, or the menacing of, any school employee by a student. (Ed. Code 44014)

- A directly communicated threat by a student or any person to inflict unlawful injury upon the person or property of a school employee to keep the employee from fulfilling any official duty or for having fulfilled any official duty.

- Possession of any controlled substance, drug paraphernalia, alcoholic beverages or intoxicants, including glue containing toluene. Possession of such materials is illegal, and upon confiscation, cannot be retained by school personnel. (Ed. Code 48900(c))

- Acts of school misconduct in violation of court imposed conditions on probation. (Ed. Code 48267)

- Truancy of any student under court ordered mandatory attendance.

Step Six: The School leader or a designee informs teachers of each student who has engaged in, or been suspected to have been engaged in, any misconduct for which the student may be suspended other than for use and possession of tobacco products. The information must be maintained in confidence and transmitted to teachers and supervisory personnel in confidence for a period of three years after receiving such notification or from the time the student returns to the school (Ed. Code 49079).

Appeals Process: A student or the student’s parents/guardians may appeal an out-of-school suspension that is imposed upon a student for his/her school related offenses. An appeal in writing may be made to KIPP Los Angeles and directed to the Executive Director or his/her designee. The student and his/her parent/guardian shall receive notice of the appeal hearing within ten days of receipt of the request. Such appeals shall be resolved with a written response within fifteen (15) school days. After appeal at the KIPP Los Angeles administrative level,
if further review is desired, the appeal may be extended to the KIPP Los Angeles board of directors for resolution
with a written response within 20 school days. Any School Leader or other school personnel involved with the
recommendation of suspension may not participate in any vote by the governing board concerning such an
appeal. If an appeal is denied, the parent may place a written rebuttal to the decision in the student’s file. As
addressed in Ed Code 48903(a), the total number of days for which a pupil may be suspended from school shall
not exceed 20 schooldays in any school year or 10 schooldays for students with IEPs, unless for purposes of
adjustment, a pupil enrolls in or is transferred to another regular school, an opportunity school or class, or a
continuation education school or class, in which case the total number of schooldays for which the pupil may be
suspended shall not exceed 30 days in any school year.

**Procedures in Cases Potentially Involving Expulsion:**
Definition: Expulsion is the involuntary removal of a student from all schools and programs of KIPP Los Angeles
for an extended period of time for acts of specified misconduct. Except for single acts of a grave nature and
mandatory grounds for expulsion, expulsion is used only when there is a history of misconduct, when other
forms of discipline, including suspension, have failed to bring about proper conduct, or when the student’s
presence causes a continuing danger to other students. Final action is only taken by vote of the KIPP Los Angeles
Board of Directors or a specially designated committee thereof.

Step One. In the event that a student is recommended for expulsion from KIPP Middle School #6 by the Executive
Director or his/her designee, the School shall promptly provide written notice to the student and parents /
guardians of the rights and responsibilities enumerated in Education Code section 48918, including the basis for a
recommendation to expel, the right to a public hearing, as well as the date, time and location of such a hearing.

Step Two: The School’s notification shall include a statement of facts supporting the recommendation to expel,
including the substance of any witness statements. These papers may also include a record of student
attendance and grades and a record of previous infractions.

Step Three: The expulsion hearing must occur within thirty days of the offense, unless the student and parent or
guardian request a postponement. Likewise, the hearing shall not be held less than ten days following the written
notification of due process rights unless the student and family/guardian waive their rights to ten days’ notice.
(Ed. Code 48918)

Step Four: An expulsion hearing is held before a designated subcommittee of the KIPP Los Angeles board of
directors. In connection with such a hearing, no School Leader or other school personnel who were involved in the underlying disciplinary action shall participate in any vote by the governing board or designated committee thereof. The hearing will follow the procedures identified in Ed. Code 48918, and the student shall have the right to be represented by an advocate. (The student’s advocate can be any person (attorney or non-attorney) of the student’s choice who is willing and able to represent the student at the expulsion hearing.) The student and his/her advocate may present their evidence and arguments, question witnesses, call witnesses, and present materials to the board for consideration. A record of the hearing will be made and, if necessary, a translator will be present at the hearing.

Step Five: While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. If, due to a written request by the expelled student, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public.

Step Six: Within three school days after the hearing, the KIPP Los Angeles board designated subcommittee shall decide whether or not to approve the recommendation to expel. In connection with such a decision, no School Leader or other school personnel who were involved in the underlying disciplinary action shall participate in any vote by the governing board or designated committee thereof. Any decision to accept the recommendation to expel must be based upon a finding of facts derived from the evidence presented to the board. Any decision to expel must be based upon substantial evidence relevant to the charges adduced at the expulsion hearing. In the case of expulsion, the parent/guardian will enroll the student in another school and KIPP Middle School #6 shall immediately notify the Charter Schools Division of the Los Angeles Unified School District of the expulsion and shall provide the District with a copy of the cumulative record of the pupil, including a transcript of grades or report cards, and health information. Parents have the right to appeal expulsions to the full board of KIPP LA. A parent must submit an appeal within 10 days of being informed of the expulsion decision by the board’s subcommittee.

The designated subcommittee of the KIPP Los Angeles board, upon voting to expel a pupil, may suspend the enforcement of the expulsion order for a period of not more than one calendar year and may, as a condition of the suspension of enforcement, assign the pupil to another school or class for the rehabilitation of the pupil. The rehabilitation program to which the pupil is assigned may provide for the involvement of the pupil’s parent or

7 The Student Disciplinary Procedures Committee is currently comprised of the following members: Reginald Greene, School Leader, KIPP Philosophers Academy; Angella Martinez, Chief Academic Officer, KIPP LA Schools; Amber Young Medina, Principal, KIPP Raíces Academy; Tiffany Moore, School Leader, KIPP Scholar Academy; Frank Reddick, Chair, KIPP LA School Board of Directors; and Chelsea Zegarski, Assistant Principal, KIPP Raíces Academy.
guardian in his or her child’s education in ways that are specified in the rehabilitation program. A parent or guardian’s refusal to participate in the rehabilitation program shall not be considered in the KIPP Los Angeles board’s determination as to whether the pupil has satisfactorily completed the rehabilitation program. (Ed. Code 48917)

**Procedures in Cases Involving a Suspension Pending a Hearing to Expel**
As set forth in Education Code section 48911(g), a suspension may, under certain circumstances, be extended if a hearing to expel or impose a semester-long suspension on the student is being processed by the governing board. However, such an extension is only permissible if the Executive Director or her/his designee has determined, following a meeting with the student (to which the parents have been invited to participate) that the ongoing presence of the student at the school would: (a) cause a danger to persons or property; or (b) threaten to disrupt the instructional process.

**District Required Language**
KIPP Middle School #6 shall provide due process for all students, including adequate notice to parents/guardians and students regarding the grounds for suspension and expulsion and their due process rights regarding suspension and expulsion, including rights to appeal.
KIPP Middle School #6 shall ensure that its policies and procedures regarding suspension and expulsion will be periodically reviewed, and modified as necessary, including, for example, any modification of the lists of offenses for which students are subject to suspension or expulsion.
KIPP Middle School #6 shall be responsible for the appropriate interim placement of students during and pending the completion of KIPP Middle School #6’s student expulsion process.
KIPP Middle School #6 will implement operational and procedural guidelines ensuring federal and state laws and regulations regarding the discipline of students with disabilities are met. Charter School will also ensure staff is knowledgeable about and complies with the District’s Discipline Foundation Policy. If the student receives or is eligible for special education, KIPP Middle School #6 shall identify and provide special education programs and services at the appropriate interim educational placement, pending the completion of the expulsion process, to be coordinated with the LAUSD Special Education Service Center.
KIPP Middle School #6 shall document the alternatives to suspension and expulsion the Charter School utilizes with students who are truant, tardy, or otherwise absent from compulsory school activities.
If a student is expelled from KIPP Middle School #6, KIPP Middle School #6 shall forward student records upon request of the receiving school district in a timely fashion. KIPP Middle School #6 shall also submit an expulsion packet to the Innovation and Charter Schools Division immediately or as soon as practically possible, containing:
- pupil’s last known address
- a copy of the cumulative record
- transcript of grades or report card
- health information
- documentation of the expulsion proceeding, including specific facts supporting the expulsion and documentation that the Charter School’s policies and procedures were followed
- student’s current educational placement
- copy of parental notice of expulsion
- copy of documentation of expulsion provided to parent stating reason for expulsion, term of expulsion, rehabilitation plan, reinstatement notice with eligibility date and instructions for providing proof of student’s compliance for reinstatement, appeal process and options for enrollment; and
- if the Student is eligible for Special Education, KIPP Middle School #6 must provide documentation related to expulsion pursuant to IDEA including conducting a manifestation determination IEP prior to expulsion. If the student is eligible for Section 504 Accommodations, KIPP Middle School #6 must provide evidence that it convened a Link Determination meeting to address two questions: A) Was the misconduct caused by, or directly and substantially related to the students disability: B) Was the misconduct a direct result of the KIPP Middle School #6’s failure to implement 504 Plan?

**Outcome Data**

KIPP Middle School #6 shall maintain all data involving placement, tracking, and monitoring of student suspensions, expulsions, and reinstatements, and make such outcome data readily available to the District upon request.

**Rehabilitation Plans**

Pupils who are expelled from KIPP Middle School #6 shall be given a rehabilitation plan upon expulsion as developed by KIPP LA Schools’ governing board at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. Terms of expulsion should be reasonable and fair with the weight of the expelling offense taken into consideration when determining the length of expulsion. Therefore, the rehabilitation plan should include a date not later than one (1) year from the date of expulsion when the pupil may reapply to the KIPP Middle School #6 for readmission.

**Readmission**

KIPP Middle School #6’s governing board shall adopt rules establishing a procedure for the filing and processing of requests for readmission and the process for the required review of all expelled pupils for readmission. Upon completion of the readmission process, KIPP Middle School #6’s governing board shall readmit the pupil, unless KIPP Middle School #6’s governing board makes a finding that the pupil has not met the conditions of the rehabilitation plan or continues to pose a danger to campus safety. A description of the procedure shall be made available to the pupil and the pupil’s parent or guardian at the time the expulsion order is entered and the decision
of the governing board, including any related findings, must be provided to the pupil and the pupil’s parent/guardian within a reasonable time.

**Reinstatement**
The Charter School’s governing board shall adopt rules establishing a procedure for processing reinstatements, including the review of documents regarding the rehabilitation plan. KIPP Middle School #6 is responsible for reinstating the student upon the conclusion of the expulsion period.

**Special Education Students**
In the case of a student who has an Individualized Education Plan (“IEP”), or a student who has a 504 Plan, KIPP Middle School #6 will ensure that it follows the correct disciplinary procedures to comply with the mandates of state and federal laws, including IDEA and Section 504 of the Rehabilitation Plan of 1973. As set forth in the MOU regarding special education between the District and KIPP Middle School #6 an IEP team, including a District representative, will meet to conduct a manifestation determination and to discuss alternative placement utilizing the District’s Policies and Procedures Manual. Prior to recommending expulsion for a student with a 504 Plan, KIPP Middle School #6’s administrator will convene a Link Determination meeting to ask the following two questions: A) Was the misconduct caused by, or directly and substantially related to the student’s disability? B) Was the misconduct a direct result of KIPP Middle School #6’s failure to implement 504?

**Gun Free Schools Act**
KIPP Middle School #6 shall comply with the federal Gun Free Schools Act.
**ELEMENT 11: RETIREMENT PROGRAMS & STAFF ISSUES**

KIPP Middle School #6 will participate in Social Security and a 401K plan. KIPP Middle School #6 will not participate in STRS or PERS. Positions to be covered by Social Security and a 401K include all full-time certificated teaching and non-certificated positions. KIPP LA Schools Chief of Employee Solutions and Legal Affairs will be responsible for ensuring that appropriate and timely arrangements for coverage have been made. KIPP Middle School #6 accepts and understands its obligations to comply with specific sections of the Education Code Section 47611. KIPP LA Schools will determine the process by which salaries, benefits working conditions and items, i.e., calendars, holidays, vacations, work day and year on an annual basis and communicate this to KIPP LA staff.

**ELEMENT 12: ATTENDANCE ALTERNATIVES**

Pupils who choose not to attend KIPP Middle School #6 may choose to attend other public schools in their district of residence or pursue an interdistrict-transfer in accordance with existing enrollment and transfer policies of the District.

**ELEMENT 13: EMPLOYEE RIGHTS**

Leave and return rights for union-represented employees who accept employment with the Charter School will be administered in accordance with applicable collective bargaining agreements between the employee’s union and the District and also in accordance with any applicable judicial rulings.

**ELEMENT 14: DISPUTE RESOLUTION**

**Complaints Alleged by Parents, Students, and Employees**

The following complaint procedure outlines the steps to be used by parents or guardians who have questions or concerns about the actions of a teacher, staff member, or principal at a KIPP LA school. Families and staff are encouraged to resolve problems collaboratively and respectfully. Teamwork, respect, and prompt resolution of conflicts are very important to KIPP LA Schools.

Resolution of concerns should always start with the person with whom the complainant has a concern. If the problem or conflict is unresolved, it is essential that the School Leader be included in the process of resolving concerns.

Step 1: Contact the teacher or staff member involved. Try to discuss over the phone or have a face-to-face conference at a time that is mutually agreeable. Remember that such meetings should not interfere with the teacher’s instructional time nor disrupt order at the school.
Step 2: If the concern is not resolved in Step 1, contact the School Leader. Be prepared to give details about the concern and steps that have been taken to resolve the problem. The School Leader and the complainant shall attempt to resolve the dispute informally.

Step 3: If the problem is not resolved informally, the School Leader will set up a formal meeting to discuss the issue with the involved parties within 30 days. The School Leader shall consider all the facts and arrive at a resolution of the complaint.

Step 4: If the complainant is dissatisfied with the School Leader’s decision, the complainant may contact the Executive Director. Be prepared to give details about the concern and steps that have been taken to resolve the problem. The Executive Director will set up a formal meeting to discuss the issue with the Executive Director, School Leader and the complainant within 30 days. The Executive Director shall consider all the facts and arrive at a resolution of the complaint. The Executive Director shall not get involved in a complaint until steps one through three have been completed.

Step 5: If the complainant is dissatisfied with the Executive Director’s decision, the complainant may petition the KIPP LA Schools Board of Directors in writing, using the Complaint Against an Employee of KIPP LA Schools form. The Board will not get involved until steps 1 through 4 have been attempted. If the Board receives a complaint prior to the completion of Steps 1-4 it will inform the Executive Director and provide him/her with the relevant information.

Step 6: An Appeals Ad hoc committee of the Board of Directors shall review the complaint. After considering all the facts and circumstances, the Appeals Ad Hoc Committee shall determine how best to resolve the matter and send written confirmation of such resolution to the complainant. To reach such resolution, the Appeals Ad Hoc Committee, if deemed necessary, may (1) contact the complainant by phone to discuss the complaint; and/or (2) issue a request to meet with the complainant to discuss the complaint in person. The Appeals Ad Hoc Committee shall attempt to resolve the matter within 30 days of receipt of the complaint, and shall send the complainant written confirmation of the resolution.

Step 7: If the complainant is dissatisfied with the Appeals Ad Hoc Committee’s decision, the complainant may petition the Board Chair in writing within 30 days of the Appeals Ad Hoc Committee’s written resolution described in step 5. The Board Chair shall review the complaint and send written confirmation of the resolution to the complainant within thirty days. The Chair’s decision shall be final.
Disputes Within KIPP LA Schools, KIPP Middle School #6, or Between KIPP LA Schools and KIPP Middle School #6, or Between KIPP LA Schools and LAUSD

The staff and governing board members of KIPP Middle School #6 agree to resolve any claim, controversy or dispute arising out of or relating to the Charter agreement between the District and KIPP Middle School #6, except any controversy or claim that is in any way related to revocation of this Charter, (“Dispute”) pursuant to the terms of this Element 14.

Any Dispute between the District and KIPP Middle School #6 shall be resolved in accordance with the procedures set forth below:

1) Any Dispute shall be made in writing (“Written Notification”). The Written Notification must identify the nature of the Dispute and any supporting facts. The Written Notification shall be tendered to the other party by personal delivery, by facsimile, or by certified mail. The Written Notification shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such notice if delivered by 5:00 PM or otherwise on the business day following personal delivery; (b) if by facsimile, upon electronic confirmation of receipt; or (c) if by mail, two (2) business days after deposit in the U.S. Mail. All Written Notifications shall be addressed as follows:

   To Charter School:           KIPP Middle School #6  
   c/o School Director        [Address of the School TBD]  

   To Director of Charter Schools:  Charter Schools Division  
   Los Angeles Unified School District  
   333 South Beaudry Avenue, 20th Floor  
   Los Angeles, California 90017

2) A written response (“Written Response”) shall be tendered to the other party within twenty (20) business days from the date of receipt of the Written Notification. The parties agree to schedule a conference to discuss the Dispute identified in the Written Notice (“Issue Conference”). The Issue Conference shall take place within fifteen (15) business days from the date the Written Response is received by the other party. The Written Response may be tendered by personal delivery, by facsimile, or by certified mail. The Written Response shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such notice if delivered by 5:00p.m., or otherwise on the business day following personal delivery; (b) if by facsimile, upon electronic confirmation of receipt; or (c) if by mail, two (2) business days after deposit in the U.S. Mail.
3) If the Dispute cannot be resolved by mutual agreement at the Issue Conference, either party may then request that the Dispute be resolved by mediation. Each party shall bear its own attorney’s fees, costs and expenses associated with the mediation. The mediator’s fees and the administrative fees of the mediation shall be shared equally among the parties. Mediation proceedings shall commence within 120 days from the date of either party’s request for mediation following the Issue Conference. The parties shall mutually agree upon the selection of a mediator to resolve the Dispute. The mediator may be selected from the approved list of mediators prepared by the American Arbitration Association. Unless the parties mutually agree otherwise, mediation proceedings shall be administered in accordance with the commercial mediation procedures of the American Arbitration Association.

4) If the mediation is not successful, then the parties agree to resolve the Dispute by binding arbitration conducted by a single arbitrator. Unless the parties mutually agree otherwise, arbitration proceedings shall be administered in accordance with the commercial arbitration rules of the American Arbitration Association. The arbitrator must be an active member of the State Bar of California or a retired judge of the state or federal judiciary of California. Each party shall bear its own attorney’s fees, costs and expenses associated with the arbitration. The arbitrator’s fees and the administrative fees of the arbitration shall be shared equally among the parties. However, any party who fails or refuses to submit to arbitration as set forth herein shall bear all attorney’s fees, costs and expenses incurred by such other party in compelling arbitration of any controversy or claim.

**ELEMENT 15: EMPLOYER STATUS & COLLECTIVE BARGAINING**

KIPP Middle School #6 is deemed the exclusive public school employer of the employees of the Charter School for the purposes of the Educational Employee Relations Act (EERA).

As such, KIPP Middle School #6 will comply with all provisions of the Educational Employment Relations Act (EERA) and will act independently from the Los Angeles Unified School District for bargaining purposes.

In accordance with the EERA, employees may join and be represented by an organization of their choice for collective bargaining purposes. However, unless the employees elect to be represented by an organization for bargaining purposes, all employees will be employed on an at-will basis.

In the event of the school closing, employees of KIPP Middle School #6 will no longer be employees of KIPP LA Schools; however, they will be eligible for consideration for employment at other KIPP schools in the Los Angeles area.
ELEMENT 16: SCHOOL CLOSURE PROCEDURES

Revocation

The District may revoke the charter if KIPP Middle School #6 commits a breach of any provision set forth in a policy related to Charter Schools adopted by the District Board of Education and/or any provisions set forth in the Charter School Act of 1992. The District may revoke the charter of KIPP Middle School #6 if the District finds, through a showing of substantial evidence, that the charter school did any of the following:

- KIPP Middle School #6 committed a material violation of any of the conditions, standards, or procedures set forth in the charter.
- KIPP Middle School #6 failed to meet or pursue any of the pupil outcomes identified in the charter.
- KIPP Middle School #6 failed to meet generally accepted accounting principles, or engaged in fiscal mismanagement.
- KIPP Middle School #6 violated any provision of law.

Prior to revocation, and in accordance with Cal. Educ. Code section 47607(d) and State regulations, the LAUSD Board of Education will notify KIPP Middle School #6 in writing of the specific violation, and give KIPP Middle School #6 a reasonable opportunity to cure the violation, unless the LAUSD Board of Education determines, in writing, that the violation constitutes a severe and imminent threat to the health or safety of the pupils. Revocation proceedings are not subject to the dispute resolution clause set forth in this charter.

*Closure Action

The decision to close KIPP Middle School #6 either by the KIPP LA Schools governing Board or by the LAUSD Board of Education, will be documented in a Closure Action. The Closure Action shall be deemed to have been automatically made when any of the following occur: the charter is revoked or non-renewed by the LAUSD Board of Education; the Charter School board votes to close the Charter School; or the Charter lapse.

*Closure Procedures

The procedures for charter school closure are guided by California Education Code sections 47604.32, 47605, 47605.6, and 47607 as well as California Code of Regulations, Title 5 (CCR), sections 11962 and 11962.1. A closed charter school must designate a responsible entity to conduct closure activities and identify how these activities will be funded. The procedures outlined below are based on “Charter School Closure Requirements and Recommendations (Revised 08/2009)” as posted on the California Department of Education website. References to “Charter School” apply to the charter school’s nonprofit corporation and/or governing board.

Documentation of Closure Action

The revocation or non-renewal of a charter school must be documented by an official action of the authorizing
entity. Notice of a charter school’s closure for any reason must be provided by the authorizing entity to the California Department of Education (CDE). In addition, the charter school must send notice of its closure to:

1. Parents or guardians of students. Written notification to parents/guardians/caregivers of the enrolled students of KIPP Middle School #6 will be issued by KIPP Middle School #6 within 72 hours after the determination of a Closure Action and the effective date of closure. A copy of the written notifications to parents is also to be sent to LAUSD within the same time frames.

2. The authorizing entity

3. The county office of education. Written notification to the Los Angeles County Office of Education of the Closure Action shall be made by KIPP Middle School #6 by registered mail within 72 hours of the decision to Closure Action. Charter School shall provide a copy of this correspondence to the ICSD.

4. The special education local plan area in which the school participates. Written notification to the Special Education Local Planning Area (SELPA) in which the Charter School participates of the Closure Action shall be made by KIPP Middle School #6 by registered mail within 72 hours of the decision to Closure Action. KIPP Middle School #6 shall provide a copy of this correspondence to the ICSD.

5. The retirement systems in which the school’s employees participate. The Charter School will within fourteen (14) calendar days of closure action contact the State Teachers Retirement System (STRS), Public Employees Retirement System (PERS), and the Los Angeles County office of Education and follow their procedures for dissolving contracts and reporting. KIPP Middle School #6 shall provide a copy of this correspondence to the ICSD.

6. The CDE. Written notification to the California Department of Education of the Closure Action shall be made by KIPP Middle School #6 by registered mail within 72 hours of the decision to Closure Action. KIPP Middle School #6 shall provide a copy of this correspondence to the ICSD.

Notice must be received by the CDE within ten calendar days of any official action taken by the chartering authority. Notification of all the parties above must include at least the following:

1. The effective date of the closure
2. The name(s) of and contact information for the person(s) handling inquiries regarding the closure
3. The students’ school districts of residence
4. How parents or guardians may obtain copies of student records, including specific information on completed courses and credits that meet graduation requirements

In addition to the four required items above, notification to the CDE must also include:

1. A description of the circumstances of the closure
2. The location of student and personnel records
In addition to the four required items above, notification to parents, guardians, and students should also include:

1. Information on how to transfer the student to an appropriate school
2. A certified packet of student information that includes closure notice, a copy of their child’s cumulative record which will include grade reports, discipline records, immunization records, completed coursework, credits that meet graduation requirements, a transcript, and State testing results.
3. Information on student completion of college entrance requirements for all high school students affected by the closure

The charter school shall announce the closure to any school districts that may be responsible for providing education services to the former students of the charter school within 72 hours of the decision to Closure Action. This notice will include a list of returning students and their home schools. Charter school closures should occur at the end of an academic year if it is feasible to maintain a legally compliant program until then. If a conversion charter school is reverting to non-charter status, notification of this change should be made to all parties listed in this section.

**School and Student Records Retention and Transfer**

KIPP Middle School #6 shall observe the following in the transfer and maintenance of school and student records:

1. The Charter School will provide the District with original cumulative files and behavior records pursuant to District policy and applicable handbook(s) regarding cumulative records for secondary and elementary schools for all students both active and inactive at the Charter School. Transfer of the complete and organized original student records to the District will occur within seven calendar days of the effective date of closure.
2. The process for transferring student records to the receiving schools shall be in accordance with LAUSD procedures for students moving from one school to another.
3. The Charter School will prepare an electronic master list of all students to the Innovation and Charter Schools Division. This list will include the student’s identification number, Statewide Student Identifier (SSID), birthdate, grade, full name, address, home school, enrollment date, exit code, exit date, parent/guardian name(s), and phone number(s). If the Charter School closure occurs before the end of the school year, the list should also indicate the name of the school that each student is transferring to, if known. This electronic master list will be delivered in the form of a CD.
4. The original cumulative files should be organized for delivery to the District in two categories: active students and inactive students. The ICSD will coordinate with the Charter School for the delivery and/or pickup of the student records.
5. The Charter School must update all student records in the California Longitudinal Pupil Achievement Data
System (CALPADS) prior to closing.
6. The Charter School will provide to the ICSD a copy of student attendance records, teacher grade books, school payroll records, and Title I records (if applicable). Submission of personnel records must include any employee records the charter school has. These include, but are not limited to, records related to performance and grievance.
7. All records are to be boxed and labeled by classification of documents and the required duration of storage.

**Financial Close-Out**

After receiving notification of closure, the CDE will notify the charter school and the authorizing entity if it is aware of any liabilities the charter school owes the state. These may include overpayment of apportionments, unpaid revolving fund loans or grants, or other liabilities. The CDE may ask the county office of education to conduct an audit of the charter school if it has reason to believe that the school received state funding for which it was not eligible.

KIPP Middle School #6 shall ensure completion of an independent final audit within six months after the closure of the school that includes:

1. An accounting of all financial assets. These may include cash and accounts receivable and an inventory of property, equipment, and other items of material value.
2. An accounting of all liabilities. These may include accounts payable or reduction in apportionments due to loans, unpaid staff compensation, audit findings, or other investigations.
3. An assessment of the disposition of any restricted funds received by or due to the charter school.

This audit may serve as the school’s annual audit.

The financial closeout audit of the Charter School will be paid for by KIPP Middle School #6. This audit will be conducted by a neutral, independent licensed CPA who will employ generally accepted accounting principles. Any liability or debt incurred KIPP Middle School #6 will be the responsibility of KIPP Middle School #6 and not LAUSD. KIPP Middle School #6 understands and acknowledges that KIPP Middle School #6 will cover the outstanding debts or liabilities of KIPP Middle School #6. Any unused monies at the time of the audit will be returned to the appropriate funding source KIPP Middle School #6 understands and acknowledges that only unrestricted funds will be used to pay creditors. Any unused AB 602 funds will be returned to the District SELPA or the SELPA in which KIPP Middle School #6 participates, and other categorical funds will be returned to the source of funds.

KIPP Middle School #6 shall ensure the completion and filing of any annual reports required. This includes:
1. Preliminary budgets
2. Interim financial reports
3. Second interim financial reports
4. Final unaudited reports

These reports must be submitted to the CDE and the authorizing entity in the form required. If the charter school chooses to submit this information before the forms and software are available for the fiscal year, alternative forms can be used if they are approved in advance by the CDE. These reports should be submitted as soon as possible after the closure action, but no later than the required deadline for reporting for the fiscal year.

For apportionment of categorical programs, the CDE will count the prior year average daily attendance (ADA) or enrollment data of the closed charter school with the data of the authorizing entity. This practice will occur in the first year after the closure and will continue until CDE data collection processes reflect ADA or enrollment adjustments for all affected LEAs due to the charter closure.

Disposition of Liabilities and Assets
The closeout audit must determine the disposition of all liabilities of the charter school. Charter school closure procedures must also ensure disposal of any net assets remaining after all liabilities of the charter school have been paid or otherwise addressed. Such disposal includes, but is not limited to:

1. The return of any donated materials and property according to any conditions set when the donations were accepted.
2. The return of any grants and restricted categorical funds to their source according to the terms of the grant or state and federal law.
3. The submission of final expenditure reports for any entitlement grants and the filing of Final Expenditure Reports and Final Performance Reports, as appropriate.

Net assets of the charter school may be transferred to the authorizing entity. If the Charter School is operated by a nonprofit corporation, and if the corporation does not have any other functions than operation of the Charter School, the corporation will be dissolved according to its bylaws.

a. The corporation’s bylaws will address how assets are to be distributed at the closure of the corporation.
b. A copy of the corporations bylaws containing the information on how assets are to be distributed at the closure of the corporation, are to be provided to LAUSD prior to approval of this Charter.

For six (6) calendar months from the Closure Action or until budget allows, whichever comes first, sufficient staff as deemed appropriate by the KIPP LA Schools Board, will maintain employment to take care of all necessary tasks.
and procedures required for a smooth closing of the school and student transfers.

The KIPP LA Schools Board shall adopt a plan for wind-up of the school and, if necessary, the corporation, in accordance with the requirements of the Corporations Code.

The Charter School shall provide LAUSD within fourteen (14) calendar days of closure action prior written notice of any outstanding payments to staff and the method by which the school will make the payments.

Prior to final closure, the Charter School shall do all of the following on behalf of the school’s employees, and anything else required by applicable law:

- a. File all final federal, state, and local employer payroll tax returns and issue final W-2s and Form 1099s by the statutory deadlines.
- b. File the Federal Notice of Discontinuance with the Department of Treasury (Treasury Form 63).
- c. Make final federal tax payments (employee taxes, etc.)
- d. File the final withholding tax return (Treasury Form 165).
- e. File the final return with the IRS (Form 990 and Schedule).

This Element 16 shall survive the revocation, expiration, termination, cancellation of this charter or any other act or event that would end KIPP Middle School #6’s right to operate as a Charter School or cause KIPP Middle School #6 to cease operation. KIPP Middle School #6 and District agree that, due to the nature of the property and activities that are the subject of this petition, the District and public shall suffer irreparable harm should Charter School breach any obligation under this Element 16. The District, therefore, shall have the right to seek equitable relief to enforce any right arising under this Element 16 or any provision of this Element 16 or to prevent or cure any breach of any obligation undertaken, without in any way prejudicing any other legal remedy available to the District. Such legal relief shall include, without limitation, the seeking of a temporary or permanent injunction, restraining order, or order for specific performance, and may be sought in any appropriate court.

*Facilities

☐ Proposed Charter School Location __[TBD]_______________________
☐ Names of District school sites near proposed location: Gage MS, Nimitz MS, South Gate MS
☐ Proposed Charter School to be located within the boundaries of LAUSD.

District-Owned Facilities: If KIPP Middle School #6 is using LAUSD facilities as of the date of the submittal of this charter petition or takes occupancy of LAUSD facilities prior to the approval of this charter petition, KIPP Middle School #6 shall execute an agreement provided by LAUSD for the use of the LAUSD facilities as a condition of the approval of the charter petition. If at any time after the approval of this charter petition KIPP Middle School #6 will
occupy and use any LAUSD facilities, KIPP Middle School #6 shall execute an agreement provided by LAUSD for the use of LAUSD facilities prior to occupancy and commencing use.

KIPP Middle School #6 agrees that occupancy and use of LAUSD facilities shall be in compliance with applicable laws and LAUSD policies for the operation and maintenance of LAUSD facilities and furnishings and equipment. All LAUSD facilities (i.e., schools) will remain subject to those laws applicable to public schools which LAUSD observes.

In the event of an emergency, all LAUSD facilities (i.e., schools) are available for use by the American Red Cross and public agencies as emergency locations which may disrupt or prevent KIPP Middle School #6 from conducting its educational programs. If KIPP Middle School #6 will share the use of LAUSD facilities with other LAUSD user groups, KIPP Middle School #6 agrees it will participate in and observe all LAUSD safety policies (e.g., emergency chain of information, participate in safety drills).

The use agreements provided by LAUSD for LAUSD facilities shall contain terms and conditions addressing issues such as, but not limited to, the following:

· **Use.** KIPP Middle School #6 will be restricted to using the LAUSD facilities for the operation of a public school providing educational instruction to public school students consistent with the terms of the charter petition and incidental related uses. LAUSD shall have the right to inspect LAUSD facilities upon reasonable notice to KIPP Middle School #6.

· **Furnishings and Equipment.** LAUSD shall retain ownership of any furnishings and equipment, including technology, ("F&E") that it provides to KIPP Middle School #6 for use. KIPP Middle School #6, at its sole cost and expense, shall provide maintenance and other services for the good and safe operation of the F&E.

· **Leasing; Licensing.** Use of the LAUSD facilities by any person or entity other than KIPP Middle School #6 shall be administered by LAUSD. The parties may agree to an alternative arrangement in the use agreement.

· **Minimum Payments or Charges to be Paid to LAUSD Arising From the Facilities.**

  (i) **Pro Rata Share.** LAUSD shall collect and KIPP Middle School #6 shall pay a Pro Rata Share for facilities costs as provided in the Charter School Act of 1992 and its regulations. The parties may agree to an alternative arrangement regarding facilities costs in the use agreement; and

  (ii) **Taxes; Assessments.** Generally, KIPP Middle School #6 shall pay any assessment or fee imposed upon or levied on the LAUSD facilities that it is occupying or KIPP Middle School #6’s legal or equitable interest created by the use agreement.
· **Maintenance & Operations Services.** In the event LAUSD agrees to allow KIPP Middle School #6 to perform any of the operation and maintenance services, LAUSD shall have the right to inspect the LAUSD facilities and the costs incurred in such inspection shall be paid by KIPP Middle School #6.

  (i) **Co-Location.** If KIPP Middle School #6 is co-locating or sharing the LAUSD facilities with another user, LAUSD shall provide the operations and maintenance services for the LAUSD facilities and KIPP Middle School #6 shall pay the Pro Rata Share. The parties may agree to an alternative arrangement regarding performance of the operations and maintenance services and payment for such in the use agreement.

  (ii) **Sole Occupant.** If KIPP Middle School #6 is a sole occupant of LAUSD facilities, LAUSD shall allow the KIPP Middle School #6, at its sole cost and expense, to provide some operations and maintenance services for the LAUSD facilities in accordance with applicable laws and LAUSD’s policies on operations and maintenance services for facilities and F&E. **NOTWITHSTANDING THE FOREGOING,** LAUSD shall provide all services for regulatory inspections, which as the owner of the real property is required to submit, and deferred maintenance and KIPP Middle School #6 shall pay LAUSD for the cost and expense of providing those services. The parties may agree to an alternative arrangement regarding performance of the operations and maintenance services and payment for such services in the use agreement.

· **Real Property Insurance.** Prior to occupancy, KIPP Middle School #6 shall satisfy those requirements to participate in LAUSD’s property insurance or, if KIPP Middle School #6 is the sole occupant of LAUSD facilities, obtain and maintain separate property insurance for the LAUSD facilities. KIPP Middle School #6 shall **not** have the option of obtaining and maintaining separate property insurance for the LAUSD facility **IF** KIPP Middle School #6 is co-locating or sharing the LAUSD facility with another user.

**Facility status:** The charter petitioner must demonstrate control of a facility such as a commitment from the landlord, to ensure that the property is actually available to the charter developer, and that the facility is usable with or without conditions (such as a conditional code permit.) The charter school facility shall comply with all applicable building codes, standards and regulations adopted by the city and/or county agencies responsible for building and safety standards for the city in which the charter school is to be located, and the Americans with Disabilities Act (ADA). Applicable codes and ADA requirements shall also apply to the construction, reconstruction, alteration of or addition to the proposed charter school facility. The Charter School shall implement any corrective actions, orders to comply, or notices issued by the authorized building and safety agency. The Charter School cannot exempt itself from applicable building and zoning codes, ordinances, and ADA requirements. Charter schools are required to adhere to the program accessibility requirements of Federal law (Americans with Disabilities Act and Section 504).

**Occupancy of the Site:** The charter petitioner or developer shall provide the District with a final Certificate of
issued by the applicable permitting agency, allowing the petitioner to use and occupy the site. The Charter School may not open without providing a copy of the Certificate of Occupancy for the designated use of the facility. If the Charter School moves or expands to another facility during the term of this charter, the Charter School shall provide a Certificate of Occupancy to the District for each facility before the school is scheduled to open or operate in the facility or facilities. Notwithstanding any language to the contrary in this charter, the interpretation, application, and enforcement of this provision are not subject to the Dispute Resolution Process outlined in Element 14.

**Health & Safety:** The school will comply with the Healthy Schools Act, California Education Code Section 17608, which details pest management requirements for schools. Developers may find additional information at: www.laschools.org/employee/mo/ipm.

**Asbestos Management:** The charter school will comply with the asbestos requirement as cited in the Asbestos Hazard Emergency Response Act (AHERA), 40CFR part 763. AHERA requires that any building leased or acquired that is to be used as a school or administrative building shall maintain an asbestos management plan.
