CDE Program Contact:

Tom Herman, Coordinated School Health & Safety (Title IV), THerman@cde.ca.gov, 916-319-0914

On an annual basis, the LEA must consult with all nonprofit private schools within its boundaries, as to whether the private school students and teachers will participate in the Title IV, Part A Student Support Program. Consultation with appropriate nonprofit private school officials must be done during the design and development of programs and before decisions are made that affect the opportunities of students and teachers to participate. LEAs may not require documentation that poses an administrative barrier that is inconsistent to their responsibility to ensure equitable participation of private school students and teachers.
