2021-22 LCAP Federal Addendum Certification

CDE Program Contact:

Local Agency Systems Support Office, LCAPAddendum@cde.ca.gov, 916-323-5233

Initial Application

To receive initial funding under the Every Student Succeeds Act (ESSA), a local educational agency (LEA) must have a plan approved by the State Educational Agency on file with the State. Within California, LEAs that apply for ESSA funds for the first time are required to complete the Local Control and Accountability Plan (LCAP), the LCAP Federal Addendum Template (Addendum), and the Consolidated Application (ConApp). The LCAP, in conjunction with the Addendum and the ConApp, serve to meet the requirements of the ESSA LEA Plan.

In order to initially apply for funds, the LEA must certify that the current LCAP has been approved by the local governing board or governing body of the LEA. As part of this certification, the LEA agrees to submit the LCAP Federal Addendum, that has been approved by the local governing board or governing body of the LEA, to the California Department of Education (CDE) and acknowledges that the LEA agrees to work with the CDE to ensure that the Addendum addresses all required provisions of the ESSA programs for which they are applying for federal education funds.

Returning Application

If the LEA certified a prior year LCAP Federal Addendum Certification data collection form in the Consolidated Application and Reporting System, then the LEA may use in this form the same original approval or adoption date used in the prior year form.

In accordance with the Every Student Succeeds Act (ESSA) sections 1117 and 8501, a local educational agency shall consult annually with appropriate private school officials and both shall have the goal of reaching agreement on how to provide equitable and effective programs for eligible private school children, teachers, and families. This applies to programs under Title I, Part A; Title I, Part C; Title II, Part A; Title III, Part A; Title IV, Part A; Title IV, Part B; and section 4631, with regard to the Project School Emergency Response to Violence Program (Project SERV).

The enrollment numbers are reported under penalty of perjury by each private school on its annual Private School Affidavit. The information in the Private School Affidavit is not verified, and the California Department of Education takes no position as to its accuracy. It is expected that districts engaged in private school consultation verify the accuracy of student enrollment data and the tax exempt status if it is being used for the purpose of providing equitable services.

Private School's Believed Results of Consultation Allowable Codes

- Y1: meaningful consultation occurred
- Y2: timely and meaningful consultation did not occur
- Y3: the program design is not equitable with respect to eligible private school children
- Y4: timely and meaningful consultation did not occur and the program design is not equitable with respect to eligible private school children
