Consolidated Application (Con App)

The Con App was presented to the DELAC on March 5, you had the opportunity to review the application process and Titles I-IV. Title III (focus area) pertains to English Learners and Immigrant Students (please see below). Please provide any comments you may have around Title III. The following essential questions may be helpful in assisting you in providing a comment(s).

Essential Questions

1.	What comments would you like to offer around English Learners in attaining English Language proficiency and meeting State academic standards?
2.	What comments would you like to offer around the enhancement of instructional opportunities for immigrant children and youth?
3	What comments would you like to offer around providing equitable share services to eligible private school students, their teachers and other educational personnel?
