District Updates

- We had a great meeting with Superintendent Beutner on Friday, March 1, 2019. I want to thank all of the PAC members who attended the sessions and asked great questions.
- All In For Public Education Event took place on February 27 at the Museum of Tolerance. I found it inspirational to hear the stories of students who have participated in programs in our schools that have supported them towards 100% Graduation.

PCS Update

I want to thank Diane Panossian, Heidi Mahmud and Danny Dixon and the rest of the PCS staff for the work they did while I was on a medical leave. I am very happy to be back at work. We have a lot of work to do in the next few months. The Office of Parent and Community Services is here to support the PAC members and the PAC officers. Our goal is to make sure the PAC is functioning in order to complete the task designated by the State of California.
