Rationale for Local District Title I Study Group

Title I, section 1116, of the *Every Student Succeeds Act (ESSA)*, requires that the District address various Title I responsibilities with parents and family members as listed below. There are no term limits for participants, so parents can participate each year. The Los Angeles Board of Educational approved the LCAP Federal Addendum and the District Title I Parent and Family Engagement Policy on June 12, 2018, which identifies the Title I Study Group as the venue to address federal requirements.

Local District Title I Study Group Structure

Each Local District will establish a Title I Study Group, which will meet 6 times during the school year for 3 hours each time.

Local District Title I Study Group Membership

Each Title I school will have two (2) Title I parents selected by other Title I parents at the school to be part of the Local District Title I Study Group. The schools may select parents during one of the following events:
