

FINANCIAL AID

FAFSA 

OR

California DreamAct 

Hey...I just finished my financial aid application, have you?

Huh, what's that?

It's an application to get help to pay for college.

Ok...what do I need to do?

There are 2 applications to help fund your college education, the FAFSA or the Dream Act. Check out the link below to find out which application you should complete.

<https://dream.csac.ca.gov/application/NewUserAccess.aspx>

Cool! I am going to visit that website now.

Financial Aid is available to help pay for college tuition. In your senior year, it is time to complete the FAFSA or the California Dream Act application to verify your qualification for financial aid, possible grants, loans and/or work-study programs.

**Application is open
OCTOBER 1 - MARCH 2**
