FamilySource Partnership Program Centers 2015-2016

Pupil Services and Attendance (PSA) Counselors are co-located at 13 FamilySource Centers (FSC) throughout the City of Los Angeles that primarily serve families with children ages 5-17. The FamilySource Partnership Program (FSPP) focuses on engaging parents and students with resources to decreasing barriers to academic achievement. PSA Counselors conduct educational assessments and serve students and families through outreach, advocacy and connecting families to programs and services. PSA Counselors at the FSCs also serve as the main provider for the Los Angeles School Police Department (LASPD) Diversion Referral, an alternative to citations for students who commit minor infractions. The FamilySource Partnership Program aims to increase attendance, improve academic achievement and support the goal of graduation for all students.
