**New UPDATE to CBT
Log-in and Interface**

CBT

Nuggets

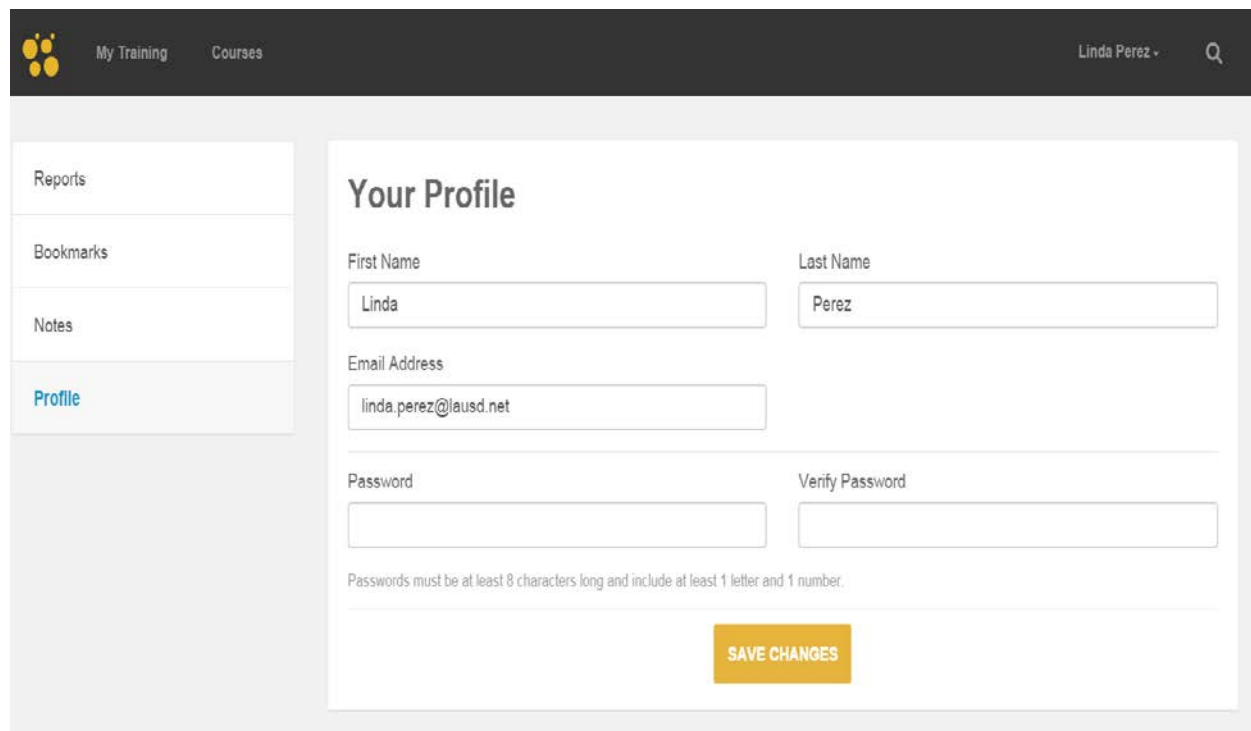

Online Training Library

CBT Nuggets has updated their product with new login method, improved features, and training content. The Nuggets Learning Server (NLS) can be accessed with browsers Mozilla Firefox, Google Chrome, and Internet Explorer 9 or higher. Training can be viewed via mobile device as long as you have data connection and use any of the browsers stated here.

New Log-in Method

To access CBT Nuggets you now login directly to:

- <http://nuggets.lausd.net>
- Click on the Sign In link located on the upper right of the window.
- Type in your full LAUSD email address
- The default password: **cbtnuggets123**
- Go to the upper right of the screen under your name and select “My Account” to type in your new password. Click on Save Changes.

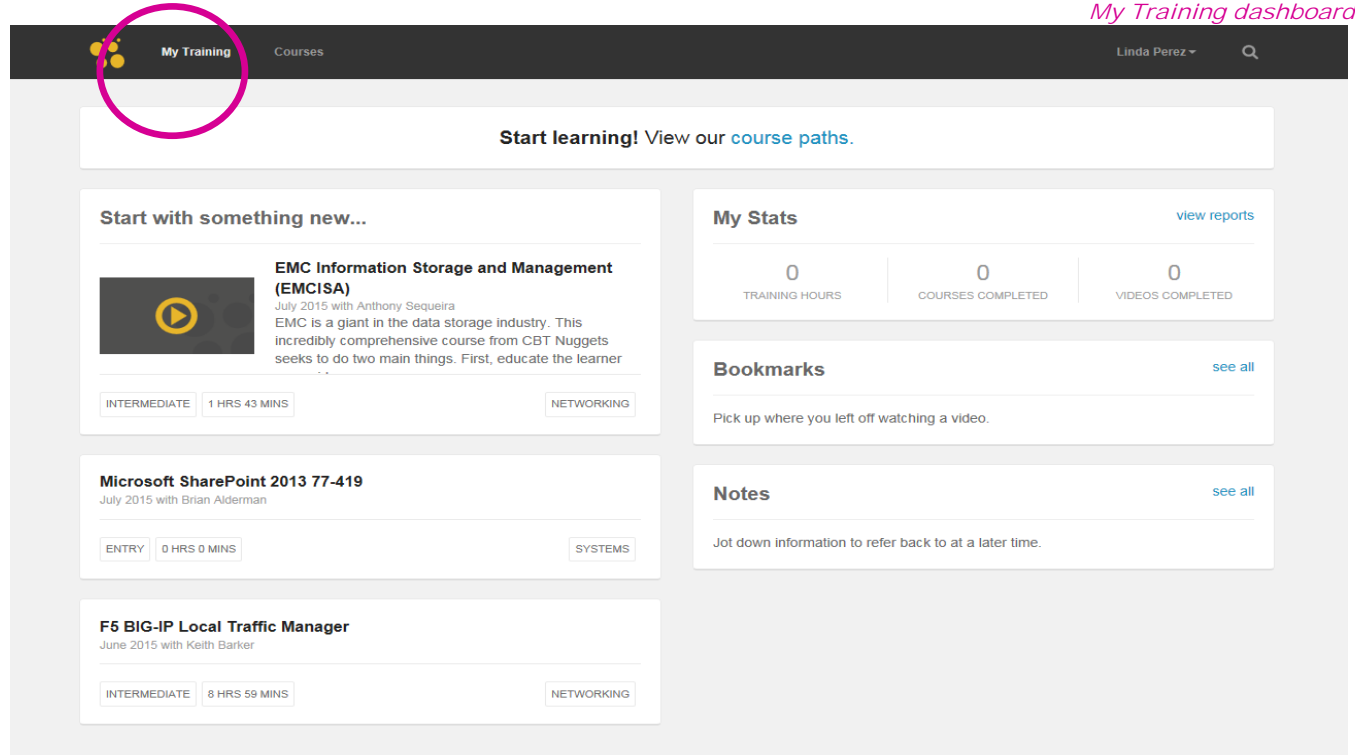

The screenshot shows the user profile page in the CBT Nuggets system. The page has a dark header with the logo on the left, navigation links for "My Training" and "Courses", and the user's name "Linda Perez" with a search icon on the right. On the left side, there is a sidebar menu with options: "Reports", "Bookmarks", "Notes", and "Profile" (which is highlighted in blue). The main content area is titled "Your Profile" and contains several input fields: "First Name" (with "Linda" entered), "Last Name" (with "Perez" entered), "Email Address" (with "linda.perez@lausd.net" entered), "Password", and "Verify Password". Below the password fields, there is a note: "Passwords must be at least 8 characters long and include at least 1 letter and 1 number." At the bottom of the form is a yellow "SAVE CHANGES" button.

New Interface

My Training dashboard

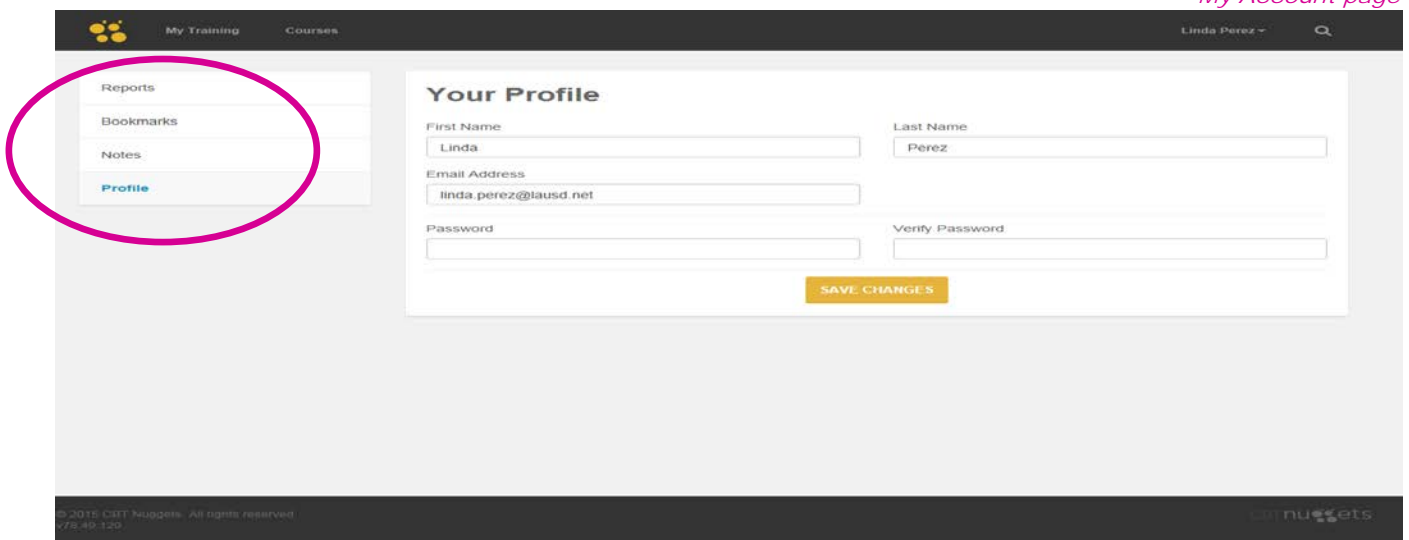

After login, you are prompted to the “My Training” tab. The page illustrates a dashboard that contains the learner’s (users) video bookmarks, notes, and personalized statistics.

My Training dashboard

You can also access your video bookmarks, notes, and reports from the My Account page or directly from the course.

My Account page

Course page

Some courses include files/materials for supplemental training. These are available for download.

CBT Nuggets expertise bios are also available to view.

The screenshot shows a user interface for a trainer profile. At the top, there is a dark navigation bar with a logo on the left and the text "My Training" and "Courses" on the right. Below this is a light gray header area with the text "Trainers / Anthony Sequeira". The main content area has a white background and features the following text:

Anthony Sequeira Nugget trainer since 2012

"I have always been so impressed with the trainers and products of CBT Nuggets. It is a true honor and pleasure to finally join the ranks of the amazing staff and educators here! Study with passion, my students!"

Anthony began his IT career in 1994 with IBM in Tampa, Florida. He quickly formed his own computer consultancy, Computer Solutions, and then discovered his true passion—teaching and writing about Microsoft and Cisco technologies. Anthony has lectured to massive audiences around the world while working for Mastering Computers. Anthony has never been happier in his career than he is now as a trainer for CBT Nuggets. He is an avid tennis player, a private pilot, a semi-professional poker player, and enjoys getting beaten up by women and children at the martial arts school he attends with his daughter.

Certifications: CCIE R&S, CCNP Security, CCNA Wireless, CCNA Voice, DCUCD-I, VCP

Areas of Expertise: Cisco Networking, Security, and Data Center

Courses

The courses menu has changed and it is now viewable by IT path, vendor, or by your favorite trainer.

TRAINING LISTED BY IT PATH

The screenshot shows a user interface for the "Courses" menu. At the top, there is a dark navigation bar with a logo on the left, the text "My Training" and "Courses" in the middle, and the name "Linda Perez" and a search icon on the right. The "Courses" text is circled in pink. Below the navigation bar is a light gray header area with the text "Choose your training by [IT path](#), [vendor](#), or [trainer](#)." The "IT path" text is circled in pink. The main content area is divided into four sections, each with a title, course count, and a brief description:

- Network Administration & Engineering** (64 courses): This path includes training on networking, security, data center, service provider, and more.
- Systems Administration & Engineering** (67 courses): From beginner to expert, and everything in between, this path offers training on topics such as security, desktop support, Amazon Web Services, Linux, virtualization and more.
- Programming and Development** (19 courses):
- DevOps** (14 courses):

TRAINING LISTED BY VENDOR

My Training **Courses** Linda Perez ▾

Choose your training by [IT path](#), **vendor** or [trainer](#).

<p>Cisco 43 courses</p> <p>Cisco is an industry leader when it comes to networking, and we offer training for Cisco routing & switching, security, VoIP technology, and more.</p> 	<p>Microsoft 79 courses</p> <p>Microsoft provides certifications across many levels of expertise in technologies such as server, application, database, and developer.</p>

FULL COURSE LIST by IT PATH or VENDOR

The screenshot shows the 'All Courses' page on the CBT Nuggets website. The page is filtered by 'Network Administration & Engineering', which has 64 courses. The interface includes a navigation bar with 'My Training' and 'Courses' tabs, and a user profile 'Linda Perez'. Below the 'All Courses' header, there are two filter buttons: 'BY IT PATH' (selected) and 'BY VENDOR'. The course list is as follows:

COURSE TITLE	TRAINER	RELEASED
Cisco CCDP 642-874 ARCH	Jeremy Cloara	10/1/2015
Cisco CCIE RS v5 All-In-One: 6.0 Infrastructure Services	Anthony Sequeira	9/28/2015
Cisco CCIE RS v5 All-In-One: 5.0 Infrastructure Security	Anthony Sequeira	9/9/2015
Juniper JNCIA-Junos JN0-102	Anthony Sequeira	8/18/2015
EMC Information Storage and Management (EMCISA)	Anthony Sequeira	7/20/2015
F5 BIG-IP Local Traffic Manager	Keith Barker	6/23/2015
Cisco CCNA Collaboration 210-065 CIVND1	Jeremy Cloara	6/15/2015

The screenshot shows the 'All Courses' page on the CBT Nuggets website, filtered by '(ISC)2' and 'Adobe'. The interface is consistent with the previous screenshot. Below the 'All Courses' header, there are two filter buttons: 'BY IT PATH' and 'BY VENDOR' (selected). The course list is as follows:

COURSE TITLE	TRAINER	RELEASED
(ISC)2 Security CISSP	Keith Barker	1/9/2014

COURSE TITLE	TRAINER	RELEASED
Photoshop for Developers	Glen Stephens	6/4/2015
Photoshop Fundamentals	Steve Richards	3/9/2015
Adobe InDesign	Steve Richards	6/5/2014

These are the highlighted changes to CBT Nuggets. Now you can log-in and we hope you have an enriching learning experience.

Enjoy
