

### About the A-G Requirements

The A-G requirements are a sequence of 15 courses that are required for admission to the California State University (CSU) system.

- Beginning with the Class of 2016, the Los Angeles Unified School District (LAUSD) will incorporate the A-G requirements into its graduation requirements to ensure that all graduates are prepared for college.
- Beginning with the Class of 2016, all students will complete the minimum course requirements for the CSU system, which includes passing their A-G classes with a 'C' or better for acceptance to college.

### College & Career Readiness Through A-G

- The mission of LAUSD is to graduate students who are college-prepared and career-ready. In the 21st century workplace, finding and keeping a job that pays well requires higher-order thinking skills — those that we want every LAUSD student to learn.
- In order to accomplish this, students must take a rigorous high school program that teaches a foundation of skills that will help them to apply, analyze and synthesize complex information.
- LAUSD has incorporated A-G courses into its graduation requirements prioritizing the courses students need to ensure that they are college-prepared and career-ready by graduation day for the Class of 2016 and beyond.
- By adopting A-G as the standard and encouraging students pass with a 'C' or better, LAUSD is raising the bar for all students to be competitive in today's workforce, whether they go straight into a career or go on to a 4-year college.

Superintendent Michelle King adds her name to the poster-sized LAUSD-CUSDH agreement at California State University at Dominguez Hills

“We celebrate pathways – we have a pathway from pre-kindergarten through 12th grade – but now that pathway extends beyond to college. We will support, encourage, and promote students from Pre-K all the way through high school graduation so that they will have a seat in a college and can persist and graduate.”

– LAUSD Superintendent Michelle King

## LAUSD Class of 2016 – 2019 Graduation Requirements

Subject	Requirements
A. History/Social Science	1 year World Hist. 1 year U.S. Hist. 1 semester Principles of American Democracy 1 semester Economics
B. English	4 years
C. Mathematics	3 years
D. Lab Sciences	1 year Biological 1 year Physical
E. Language Other Than English	2 years of the Same Discipline
F. Visual & Performing Arts	1 year of the Same Discipline
G. College Prep Electives	1 year
<b>Additional Requirements</b>	
Princ. of American Dem.	1 semester
Economics	1 semester
Physical Education	2 years
Health	1 semester
Total Numerical Credits*	210 (total)
<b>Non-Course Requirements</b>	
Career Pathway	Complete
Service Learning	Complete

\*Numerical credits can be earned with a grade of "D" or higher.

LAUSD graduation requirements include California Department of Education graduation standards and CSU minimum admission eligibility requirements

### Eligibility for College

Parents and students should be aware that completion of the A-G requirements does not guarantee admission to a university. A student's grade point average and test scores will also factor into admissions decisions. In order to be competitive, students should plan to take higher level courses that exceed the minimum A-G requirements. Students should consult with their counselor for guidance.

### Recommendations

To get into the college of your choice, we recommend the following:

- SAT/ACT (college admissions tests)
- Extracurricular Activities
- 3.0 GPA or higher
- Free Application for Federal Student Aid (FAFSA)

### Remember!

**C or Better** – stronger emphasis on college preparedness, with the expectation that you will pass your "A-G" courses with a "C" or better for minimum college acceptance.

**Credits** – 210 credits are required to graduate.

**Coursework** – all students must complete the minimum "A-G" course requirements with a grade of "D" or better to be eligible for a high school diploma.

## Get help paying for college

Submit a Free Application for Federal Student Aid (FAFSA)

Apply at <https://fafsa.ed.gov/>

Work with your academic counselor to assess what you have and what you're missing right away! This is your Individualized Graduation Plan.

At the beginning of each year, you receive a letter from the Counseling Office indicating what classes/credits you are lacking. Use this as a roadmap to plan out what classes you need to take via summer term, independent contract, Edgenuity, Credit Recovery, and more!

We have many avenues to help ensure you *can* graduate with a high school diploma and be college-ready!

Pass your classes the FIRST time around! Save time and energy: study hard, work with your lessons, make them practical to your world, and get extra help when you need it – learn it inside and out! Your effort will pay off! Your general education classes in college repeat what you've learned in high school in greater depth. Learn it NOW!

**Be prepared and join us on graduation day!**
