Los Angeles SH

Reseda HS

Wilson HS

The Phoenix Academy offers a special education program designed to provide a safe academic and therapeutic environment for students in grades 9-12 with non-aggressive social-emotional issues that adversely affect their educational success. We believe in educating all students to their maximum potential. The specialized environment is designed to personalize instruction and foster emotional as well as academic growth in a small setting that has the capacity to offer the full array of “A-G” diploma track curriculum. For additional information please see the referral contacts below:
