- 1. Exchanging information/ideas with others through oral collaborative conversations on a range of social & academic topics
- 2. Interacting with others in written English in various communicative forms (print, communicative technology, & multimedia)
- 3. Offering & supporting opinions & negotiating with others in communicative exchanges
- 4. Adapting language choices to various contexts (based on task, purpose, audience, & text type)

#### B. Interpretive (comprehension and analysis of written and spoken texts)

- 5. Listening actively to spoken English in a range of social & academic contexts
- 6. Reading closely literary & informational texts & viewing multimedia to determine how meaning is conveyed explicitly & implicitly through language
- 7. Evaluating how well writers & speakers use language to support ideas & opinions with details or reasons depending on modality, text, type, purpose, audience, topic & content area
- 8. Analyzing how writers & speakers use vocabulary & other language resources for specific purposes (to explain, persuade, entertain, etc.) depending on modality, text, type, purpose, audience, topic, & content area

#### C. Productive (creation of oral presentations and written texts)

- 9. Expressing information & ideas in formal oral presentations on academic topics
- 10. Writing literary & informational texts to present, describe, & explain ideas & information, using appropriate technology
- 11. Supporting own opinions & evaluating others’ opinions in speaking & writing
- 12. Selecting & applying varied and precise vocabulary and language structures to effectively convey ideas

### Part II: Learning About How English Works

**ELTs build awareness about language resources available to them, how English is structured and organized, and how meaning is made through language choices in order to improve their ability to comprehend and produce academic texts in various content areas.**

#### A. Structuring Cohesive Texts

- 1. Understanding text structure and organization based on purpose, text type, and discipline
- 2. Understanding cohesion and how language resources across a text contribute to the way a text unfolds and flows

#### B. Expanding & Enriching Ideas

- 3. Using verbs and verb phrases to create precision and clarity in different text types
- 4. Using nouns and noun phrases to expand ideas and provide more detail
- 5. Modifying to add details to provide more information and create precision

#### C. Connecting and Condensing Ideas

- 6. Connecting ideas within sentences by combining clauses
- 7. Condensing ideas within sentences using a variety of language resources
