Title IX/Bully Complaint Managers

POLICY: The Los Angeles Unified School District is committed to providing a safe and civil learning and working environment. The District takes a strong position against bullying, hazing, or any behavior that infringes on the safety or well-being of students, employees, or any other persons within the District’s jurisdiction or interferes with learning or the ability to teach. The District prohibits retaliation against anyone who files a complaint or participates in the complaint investigation process.

District policy requires all schools and all personnel to promote mutual respect, tolerance, and acceptance among students and staff. “All students and staff of public primary, elementary, junior high and senior high have the inalienable right to attend campuses which are safe, secure and peaceful” [Article 1, Section 28 (c) of the California State Constitution]. Schools’ compliance with the Bullying and Hazing Policy and the Discipline Foundation Policy is to be referenced in their Safe School Plan, Volume 1.

This policy shall encompass behaviors or actions that occur among students, District employees and associated adults. The policy is applicable in all areas of the District’s jurisdiction, including school and District-related activities, events, programs, and traveling to and from school.

MAJOR CHANGES: This bulletin replaces Bulletin No. 5212.0, Bullying and Hazing Policy (Student-to-Student, Adult-to-Student, and Student-to-Adult) dated August 20 2010, issued by the Office of Chief of Staff. It reaffirms District policy against bullying in all areas of the District’s jurisdiction, revises the definitions of bullying, and reflects newly adopted legislation ([California Education Code § 48900 \(r\)](#)).

Bullying that is initiated by adults is addressed in [Workplace Violence, Bullying and Threats \(Adult to Adult\)](#), BUL-5798.0, dated July 16, 2012, issued by Student Health and Human Services.

GUIDELINES: Bullying and hazing are part of a continuum of aggressive or violent behaviors. Some acts of bullying or hazing can and do constitute other categories of misconduct such as assault, battery, child abuse, hate-motivated incident, criminal activity or sexual harassment and, as such, violate other District policies. In such cases, District personnel are obligated to follow appropriate District reporting guidelines as detailed in the Related Resources section of this policy bulletin.

I. Definitions

- A. Bullying is any severe or pervasive physical or verbal act(s) or conduct, including electronic communications committed by a pupil(s) that has, or can be reasonably predicted to have, the effect of one or more of the following:
 - (1) Reasonable fear of harm to person or property.
 - (2) Substantially detrimental effect on physical or mental health.
 - (3) Substantial interference with academic performance.
 - (4) Substantial interference with the ability to participate in or benefit from school services, activities, or privileges.
- B. Hazing is a method of initiation or pre-initiation into a pupil organization or body, whether or not the organization or body is officially recognized by an educational institution, which is likely to cause serious bodily injury, personal degradation or disgrace resulting in physical or mental harm to a former, current, or prospective pupil. Hazing does not include athletic events or school-sanctioned events (Ed. Code §48900(q)).
- C. Students are any person enrolled in a Los Angeles Unified School District school, including adult students. Adult students are also held to the guidelines associated with their enrollment in an adult education program.
- D. Associated individuals are non-students who are affiliated with the District, including but not limited to parents/guardians, campus volunteers, vendors, contracted service providers, former students, former employees, domestic partners and relatives or friends of employees or students.

II. Types of Bullying

All incidents must meet the impact criteria of bullying to be considered as such.

- A. Cyberbullying is bullying by electronic act, which includes transmission of a communication by text, sound, image, video, message, website post, social network activity, or other form of communication sent by an electronic device (Ed. Code 32261(g)).
- B. Indirect bullying is the use of intimidation or peer pressure to cause harm to a third part(ies).
- C. Non-verbal bullying includes the use of threatening gestures, staring, stalking, graffiti or graphic images, and destruction of property to cause distress, intimidation, discomfort, pain or humiliation.
- D. Physical bullying includes intentional, unwelcome acts of beating, biting, fighting, hitting, kicking, poking, punching, pushing, shoving, spitting and tripping.
- E. Social or relational bullying includes spreading rumors, manipulating relationships, exclusion, blackmailing, isolating, rejecting, using peer pressure and ranking personal characteristics.
- F. Verbal bullying includes hurtful gossiping, making rude noises, name-calling, spreading rumors and teasing.

III. Discrimination

All pupils have the right to participate in the educational process free from discrimination and harassment. Discrimination is different treatment of a student on the basis of a protected category in the context of an educational program or activity, without a legitimate nondiscriminatory reason, that interferes with or limits the ability of the student to participate in or benefit from the services, activities or privileges provided by the District. Protected categories include an individual's actual or perceived age, ancestry, color, disability ethnic group identification, gender, gender identity, gender expression, marital status, national origin, race, religion, sex, pregnancy and sexual orientation, as well as their association with a person or group of these protected categories, or any other basis protected by federal, state, local law, ordinance, or regulation.

A. Sexual Harassment

Sexual harassment is unwanted or demeaning conduct or comments directed at or about an individual on the basis of actual or perceived gender, sex, sexual behavior, sexual orientation, or other related personal characteristics, with the impact or intent to humiliate (California Ed Code §201 (b-c)). Anti-gay and sexist epithets are forms of sexual harassment. Schools should investigate and respond to these incidents under the guidelines of the relevant policy (e.g., Sexual

Harassment Policy, BUL-3349.0 or the Transgender and Gender Variant Students-Ensuring Equity and Nondiscrimination, REF-1557.1).

B. Hostile Environment Harassment

Hostile Environment Harassment occurs when: (1) the target is subjected to unwelcome conduct related to a protected category; (2) the harassment is both subjectively offensive to the target and would be offensive to a reasonable person of the same age and characteristics under the same circumstances; and (3) the harassment is sufficiently severe, pervasive, or persistent so as to interfere with or limit a student's ability to participate in or benefit from the services, activities or opportunities offered by the school.

IV. School Principal or Site Administrator(s) Responsibilities:

Safe campuses require a multi-faceted approach with strategies to prevent, respond to and recover from incidents of bullying and hazing. The school principal and site administrators shall create an environment where the school community upholds the standards of respect and civility and understands that bullying and hazing are inappropriate, harmful and are unacceptable. Toward this goal, schools shall:

- A. Document compliance with the Bullying and Hazing Policy and the Discipline Foundation Policy in their Safe School Plan, Volume 1. While LAUSD takes ALL reported cases of bullying and hazing seriously, we utilize positive behavior support strategies, interventions and corrective measures to address inappropriate behaviors.
- B. Identify the Title IX/Bullying Complaint Managers responsible for documenting and overseeing complaints of bullying or hazing. The system for reporting suspected bullying or hazing must ensure that reporting can be done easily, safely and privately.
- C. Ensure that all reports of bullying or hazing are investigated and documented, and that appropriate interventions are implemented and monitored in a timely manner. Incidents that result in physical injury, or require ongoing monitoring or additional resources should also be documented in iSTAR (Incident System Tracking Accountability Report). Behaviors that constitute criminal behavior or suspected child abuse must also be reported to the appropriate authorities.
- D. Communicate with and ensure that all employees, students, parents, volunteers, coaches, activity leaders or other adults are informed of District and school policies regarding bullying and hazing and requiring the promotion of mutual respect and acceptance.
- E. Post the English and Spanish Title IX/Bullying Complaint Manager posters (Attachments E-H) in school administrative offices, including

student government meeting rooms and other prominent locations accessible to students where notices are regularly posted regarding rules, regulations, procedures, or standards of conduct.

- F. Provide trainings to ensure that certificated and classified staff, volunteer coaches, activity directors and other adults on campus are familiar with and able to identify the indicators of bullying and hazing, and understand their individual responsibilities to respond to, intervene, and report any act or incident of bullying or hazing.
 - G. Provide instruction to ensure that students are educated about appropriate on-line behavior, including cyberbullying awareness and response and how to interact with others on social networking websites and in chat rooms. (Acceptable Use Policy (AUP) for District Computer and Network Systems, BUL-999.4, dated August 14, 2012, issued by the Chief Information Officer)
 - H. Present the District's Bullying and Hazing Policy as part of the student orientation program conducted at the beginning of each academic term.
 - I. Certify on the Administrator Certification that the school has complied with the mandates of the District's Bullying and Hazing Policy and has selected at least two school-site certificated employees to serve as the school's Title IX/Bullying Complaint Managers.
- V. Staff Responsibilities:
- A. Share responsibility for modeling appropriate behavior and creating an environment where mutual respect, tolerance, civility, and acceptance among students and staff are promoted, and students understand that bullying and hazing are inappropriate, harmful and are taken seriously.
 - B. Recognize the indicators of bullying and hazing.
 - C. Discuss all aspects of the Bullying and Hazing Policy with students including strategies to prevent and respond to bullying and hazing.
 - D. Encourage students to report any bullying or hazing they witness or are targets of to the Title IX/Bully Complaint Manager.
 - E. Provide instruction to ensure that students are educated about appropriate on-line behavior, including cyberbullying awareness and response and how to interact with others on social networking websites and in chat rooms (See Acceptable Use Policy (AUP) for District Computer and Network Systems, BUL-999.4, dated August 14, 2012, issued by the Chief Information Officer).
 - F. Intervene immediately and safely with any act of discrimination, harassment, intimidation, hazing or bullying.
 - G. Report any complaints or incidents of bullying or hazing involving a District employee to the site administrator immediately.

VI. Title IX/Bullying Complaint Manager Responsibilities:

A. The Title IX/Bullying Complaint Manager shall ensure that the school employs a comprehensive system through which allegations of bullying can be safely and easily reported, and that the ensuing investigations, interventions and monitoring are documented. This comprehensive system should be designed in consultation with the principal or designee, and be communicated to the school community. As delineated above, all staff are responsible for responding to incidents. The principal or designee has the authority to assign the task of investigation, response and monitoring of alleged bullying and hazing to the individual(s) who would be most appropriate to assume those responsibilities.

VII. Student Responsibilities:

Students will take responsibility for helping to create a safe school environment:

- A. Do not engage in or contribute to bullying or hazing.
- B. Treat everyone with respect. Be sensitive as to how others might perceive your actions or words.
- C. Report bullying or hazing to a trusted District teacher or administrator.
- D. Never engage in retaliatory behavior or ask, encourage, or consent to anyone retaliating on your behalf.

VII. Responding to Bullying and Hazing Incidents:

It is imperative that schools thoroughly investigate allegations of bullying and hazing to determine if the incident was an isolated event or part of a larger pattern of behaviors. The following procedures should be followed in addressing incidents:

- A. Secure campus/office safety.
- B. Assure involved parties that allegations are taken seriously.
- C. Investigate promptly and thoroughly. Document the investigation, actions and agreements (see Attachments A and B). Incidents that result in physical injury or may require additional resources or sustained monitoring should also be documented in iSTAR.
- D. Request factual written statements from the involved parties, and if appropriate, witnesses.
- E. Consult with the Educational Service Center, Staff Relations and other

offices as appropriate.

- F. Document actions taken to stop the behavior from recurring (see Attachments C and D).
- G. Monitor and follow-up to ensure that the bullying or hazing has stopped.
- H. If the bullying or harassment is based on the person's actual or perceived characteristics or association with any of the protected classes (age, ancestry, color, disability ethnic group identification, gender, gender identity, gender expression, marital status, national origin, race, religion, sex, pregnancy, sexual orientation), it may rise to the level of discrimination or hostile environment harassment, and must be investigated as such. The school will follow its standard procedures of documenting its investigation, intervention and monitoring. Educational Equity Compliance can provide technical assistance as needed.
- I. If the bullying or hazing constitutes suspected child abuse, follow BUL-1347.2 Child Abuse and Neglect Reporting Requirements. The suspected child abuse must be immediately reported to the appropriate child protective services authority.
- J. If the alleged bullying is directed by a student against an employee, follow standard investigation and interventions. If the alleged behavior constitutes discrimination, contact the Equal Opportunity Section.
- K. Employees, elected parent officials, contracted service providers and associated individuals who engage in bullying, harassment or hazing toward other adults are governed by the guidelines delineated in BUL-5798.0 Workplace Violence, Bullying and Threats (Adult to Adult) and in BUL-1325.1, Visitors to School Campuses and Locked Campuses During Class Hours at All Schools.
- L. Complainants who disagree with the resolution of a bullying or hazing complaint may appeal the decision with the Educational Service Center Operations Coordinator. Complainants who are dissatisfied with the Educational Service Center response may appeal at the central office level through Educational Equity Compliance.

IX. Confidentiality and Non-retaliation:

Reports of bullying or hazing shall be handled confidentially to respect the privacy of all parties to the fullest extent possible. Every effort shall be made to limit the distribution of information to those persons who need to know within the confines of the District's reporting procedures and investigation process.

LOS ANGELES UNIFIED SCHOOL DISTRICT
Policy Bulletin
