2022-2023

	*Timeline	Date(s) Completed
Targeted Assistance Schools (TAS) Programs		
Identify Title I-eligible students and document as outlined in the interoffice correspondence entitled <i>Guidelines and Procedures for Identifying Title I-Eligible Students at Targeted Assistance Schools</i> .	July 2022-June 2023 (<i>ongoing</i>)	
If the school is currently operating a Title I Targeted Assistance School (TAS) program, ensure that student participation data is being maintained indicating the number of students served in each content and support service area, to be reported on the CALPADS End of Year (EOY) data collection and Spring Consolidated Application submission.	July-June (<i>ongoing</i>)	
Present Title I TAS Overview at the Annual Title I meeting. See TAS: http://achieve.lausd.net/Page/3756	August-October	
Continue program evaluation and student achievement data analysis to develop or update school plan – involve the SSC, work toward completion of SPSA Evaluation, and develop findings to update Actions in SPSA Goal sections.	August-June (<i>ongoing</i>)	
Enter Title I Eligibility information in MISIS, distribute rosters to classroom teachers, maintain current rosters of Title I students throughout the year. Determine services to be provided to eligible students and start/end date of services.	August-June (<i>ongoing</i>)	
Submit Attachment A <i>Academic Achievement Assessment Measures Used to Identify Title I Eligible Students for the 2022-2023 School Year</i> and a MISIS Title I Eligibility roster to Mohamed Tantawi at the FSEP office. See Interoffice Correspondence: http://achieve.lausd.net/Page/3756	DUE: October 5, 2022	
If the school is currently operating a Title I Targeted Assistance School Model (TAS), has at least a 50% poverty level, and intends to move to a Schoolwide (SWP) program model, contact the District for training and technical assistance and establish a timeline to begin the year-long planning process.	October-November	
If the school is a Title I Targeted Assistance School (TAS), and has at least 50% poverty, and intends to operate as a Schoolwide Program (SWP) in the 2022-2023 school year, verify that the comprehensive needs assessment process is completed or continuing on schedule and that the SSC is involved in developing goals and developing the SWP plan to include all elements required for SWP.	November-June (<i>ongoing</i>)	
If the school is operating a Targeted Assistance School (TAS) program, verify that personnel paid with Title I funds assume duties assigned to non-Title I staff only if the assignment is similar to, and the amount of time spent on such duties is equivalent to, that of similar personnel. Verify that duty statements and time accounting logs provide supporting documentation.	July-June	
Submit an updated <i>Title I Student Identification Roster and Report Identifying Services Provided to Identified Title I Students</i> to FSEP. The submission of this form in January 2023 will include the initial list of Title I students (the list that was submitted in October 2022) as well as the identified services provided. See Interoffice Correspondence: https://achieve.lausd.net/Page/12802	DUE: January 31, 2023	
Schools Applying for Schoolwide Program (SWP) Status		
Submit intent to become SWP to FSEP during plan writing for 2023-2024 implementation.	August-February	
Invite parents to provide input and participate in the development of professional development for school staff to build their capacity to work effectively with parents.	August-June (<i>ongoing</i>)	

*The fiscal year begins July 1, 2022 and ends June 30, 2023

TIME-TASK Monitoring Calendar

2022-2023

	*Timeline	Date(s) Completed
Submit plan to Local District for technical review and feedback for SWP compliance, and for approval and signatures on the assurances for certification.	November-June (<i>ongoing</i>)	
Submit SWP SPSA. Note: Schools must receive a written notification of SWP status from LAUSD prior to implementing a SWP.	November-June (<i>ongoing</i>)	
School Wide Program (SWP) Schools		
Present Title I SWP Overview at the Annual Title I meeting. See SWP: http://achieve.lausd.net/Page/3757	August-October	
Continue program evaluation and student achievement data analysis to develop or update school plan – involve the SSC, work toward completion of SPSA Evaluation, and develop findings to update Actions in SPSA Goal sections.	August-June (<i>ongoing</i>)	
School Plan for Student Achievement (SPSA)		
Verify that the School Plan for Student Achievement (SPSA) includes a description of how the School Site Council (SSC) will monitor the SPSA. Ensure that processes are in place to support and facilitate monitoring activities.	July-June (<i>ongoing</i>)	
Begin writing online 2023-2024 SPSA and submit to Local District (LD) for technical review and feedback upon completion and SSC approval. Due Date dependent on each Local District.	November-June (<i>ongoing</i>)	
Correct any errors in the SPSA that may be preventing it from receiving final approval	April-June	
Review SPSA to determine if all activities in the plan are being implemented as planned and scheduled.	July-June (<i>ongoing</i>)	
If the school is operating a Title I Schoolwide program (SWP), ensure that activities to support pre-K transition are included in the plan and being implemented as described in the approved SPSA. (Elementary schools only)	July-June (<i>ongoing</i>)	
If the school is operating a SWP, ensure that increased learning time, such as extended day/year programs are being implemented as described in the SPSA.	August-June (<i>ongoing</i>)	
Verify that procedures are in place to identify students at risk of not meeting state standards and that ensure they receive intervention services in a timely manner. In a Title I Schoolwide Program it is not necessary to maintain a list of identified students; however, the school plan should include processes to identify and support students at risk of not meeting standards in a timely manner.	August-June (<i>ongoing</i>)	
Verify that classroom teachers are retaining their responsibility for instruction and supervision of students and that instructional assistants work in close proximity to the classroom teacher.	August-June (<i>ongoing</i>)	
Involve staff and parents in developing ongoing goals and setting priorities for 2022-2023 budget expenditures based on student needs supported by data in the SPSA.	August-June (<i>ongoing</i>)	
Implement monitoring activities as described in the SPSA to ensure planned activities are being implemented according to timelines in the plan and are being effective in improving student achievement. Verify that School Site Council minutes reflect that the SSC was involved in the process and understand the results of monitoring.	August-June	
Verify that school staff members are informed of the duties of the District's homeless liaison and aware of services available to support homeless students.	August-June	

*The fiscal year begins July 1, 2022 and ends June 30, 2023

TIME-TASK Monitoring Calendar

2022-2023

	*Timeline	Date(s) Completed
Ensure that staff members responsible for enrollment are aware of immediate enrollment requirements for foster youth and the right of foster youth to remain in their school of origin and are trained in procedures for ensuring these requirements are met.	July-June (ongoing)	
Ensure that school-level criteria have been identified for the annual evaluation of the effectiveness of the SPSA, and that processes are in place to collect data needed for the annual evaluation.	July-June (ongoing)	
Ensure that the ELAC has had input into any changes in the SPSA based on changes in available funding.	August-June	
Verify and maintain documentation to demonstrate that evidence-based instructional strategies described in the SPSA are being implemented: in Targeted Assistance programs to address the needs of participating students; in Schoolwide Programs (SWP) for any students identified in the plan, but particularly for low-achieving students.	August-June (ongoing)	
If the school is an elementary school operating a Title I SWP, verify that plans for assisting preschool children to transition to the school are described in the SPSA and are being carried out as described.	August-June (ongoing)	
If the school is currently operating a Title I SWP, review the evaluation plan in the SPSA and ensure that processes are in place to evaluate and report on the implementation and effectiveness of the plan. Verify and maintain documentation to demonstrate that the SSC is involved in monitoring the plan. (Note: Monitoring and evaluation of the effectiveness of the SPSA are required for all schools receiving Consolidated Application funding.) Refer to the new SPSA template for guidance on evaluation criteria: https://achieve.lausd.net/Page/11956	August-June	
If the school intends to operate as a Title I Schoolwide Program (SWP) in the 2023-2024 school year, ensure that the comprehensive needs assessment has been completed, and the School Site Council (SSC) has developed a School Plan for Student Achievement (SPSA) based on the needs assessment that meets ESSA requirements. Ensure that the plan will be completed in time for Board approval prior to the October 31 st approval deadline.	November-June	
If the school has been identified for Comprehensive Support and Improvement (CSI) or Additional Targeted Support and Improvement (ATSI), ensure processes are in place for conducting a comprehensive needs assessment leading to revision of the SPSA to include evidence-based practices and a review of resource inequities.	November-June	
Ensure that processes are in place to evaluate the effectiveness of activities in the School Plan for Student Achievement (SPSA) in improving student achievement. Maintain documentation of the evaluation findings and ensure that they are used in the SPSA revision.	August-June	
Establish processes and timelines for reviewing student achievement data and revising the School Plan for Student Achievement (SPSA) for the 2022-2023 school year.	August-June	
If the school will be operating as a Title I Targeted Assistance School (TAS) in 2022-2023, verify that multiple, education-related identification criteria have been established and that processes are in place or are being developed to ensure timely identification of students and initiation of services.	July-June	
SPSA Evaluation – Monitoring School Plan for Student Achievement (SPSA)		
Plan to involve the SSC in reviewing, monitoring, and modifying (as needed) priorities for the 2022-2023 SPSA and related budget expenditures based on student needs.	July-June (ongoing)	

*The fiscal year begins July 1, 2022 and ends June 30, 2023

TIME-TASK Monitoring Calendar

2022-2023

	*Timeline	Date(s) Completed
Ensure that school staff members are familiar with the School Plan for Student Achievement (SPSA) and understand their responsibilities in carrying out activities identified in the plan. Document training provided to staff regarding plan content and requirements.	July-June <i>(ongoing)</i>	
Ensure that the School Site Council has established processes to monitor implementation of activities included in the SPSA and progress in achieving the objectives stated in the plan. Monitoring processes and timelines should be described in the SPSA.	July-June <i>(ongoing)</i>	
Ensure that processes have been established for SSC to obtain advice on the SPSA from the English Learner Advisory Committee (ELAC) and any other applicable advisory committees. Ensure that SSC minutes include documentation of the receipt of such advice.	July-June <i>(ongoing)</i>	
Ensure that the School Site Council has been provided with the school's 2022-2023 Title I allocation and that this amount is reflected in the SPSA budget.	July-June <i>(ongoing)</i>	
Ensure that SSC has established a timeline and meeting dates for analysis of assessment data and revision of SPSA. Verify that the SSC has determined how other school staff and parents will be involved in the process.	August-June	
Ensure that School Site Council and any advisory committees have developed/reviewed their by-laws to allow them to conduct meetings and accomplish their required duties in an open, fair, effective manner.	August-June	
Review the SPSA to ensure that materials and equipment needed to implement the program are included in the plan, linked to specific outcomes and activities and included in the plan's budget page. Begin required processes to facilitate acquisition of materials and services so planned activities can be implemented in a timely manner.	July-June <i>(ongoing)</i>	
Review SPSA to ensure it includes necessary professional development (PD) to meet stated goals and objectives and that PD is linked to program activities and student outcomes and included in the plan's budget. Calendar planned professional development activities.	July-June <i>(ongoing)</i>	
Verify that processes are in place to ensure that homeless students are being enrolled immediately as required.	July-June <i>(ongoing)</i>	
Determine what supplemental services are needed to ensure academic success for identified homeless students; contact District Homeless Coordinator, if necessary, to ensure appropriate services are provided.	July-June <i>(ongoing)</i>	
Ensure, by including in monthly SSC agendas and minutes, that the SSC <u>monitors implementation</u> of activities included in the SPSA and progress in achieving the objectives stated in the plan (i.e., agenda items such as monthly time reports from categorically funded personnel, data analysis, progress and implementation of strategies described in the SPSA, realignment of budget).	August-June <i>(ongoing)</i>	
Review and analyze student data and begin developing 2023-2024 SPSA for submission to Local District (LD) for technical review and feedback. Due Date dependent on each Local District.	November-June <i>(ongoing)</i>	
Finalize program evaluation of the 2021-2022 school year and student achievement data analysis to develop or update current school plan, develop findings to update Actions in SPSA Goal sections, and complete and submit 2021-2022 SPSA Evaluation — involve the SSC and document in SSC Minutes.	DUE: October 31, 2022	
Budget		
Review 2021-2022 time and effort reports, job descriptions and duty statements for categorically funded personnel. Verify that job descriptions, duty statements and funding distributions for categorically funded staff accurately reflect the duties and the time and effort required to meet program needs. Make any necessary adjustments for the coming year to ensure job descriptions, duty statements and funding are correct and aligned	July-August
