POLICY AND PROCEDURE REGARDING POINT CREDIT

1. **Study in Non-Accredited Institution:** Point credit may be granted for study in schools other than accredited institutions provided that such study (a) shall have been undertaken subsequent to high school graduation or equivalent (b) is of a quality and advanced nature comparable to that taken in an accredited institution or higher learning (c) is directly related to the curriculum/subjects commonly taught in the District. The coursework must also enhance the employee's knowledge of the subject(s) as well as increase the methodology, skills associated with teaching these subjects. Credit for coursework will be granted according to the guidelines stated in Article XV, Section 1 to 8. After placement on the preparation schedule, the employee must obtain advanced approval except when on military leave (Article XV, Section 8.1)
2. **Quality:** The study must be "of a quality and advanced nature comparable to that undertaken in an accredited institution of higher learning." A statement or official catalogue must be obtained from the institution, which includes a detailed description of the course, the number of hours of class time, the number of hours of out-of-class preparation and the credits granted by the institution. Documents must be in English or accompanied by an English translation/evaluation.

Requests for points will be approved or denied by the Salary Point Credit Committee. The study for which approval is granted must be completed within one-year from the date of approval.

3. **Points:** For approved study satisfactorily completed, one point is allowed for each semester unit as defined by the University of California. For schools where comparable units are not used, points will be allowed on the following basis:
 - a. Preparation Type—1 point for each 15 hours of instruction which has a requirement of 2 or more hours of outside preparation for each hour of instruction.
 - b. Non-preparation Type—1 point for each 30 hours of instruction which has a requirement of less than 2 hours of outside preparation for each hour of instruction.
4. **Multicultural Courses:** To qualify for a schedule advancement on the Preparation Salary Schedule the employee must have completed a minimum of two (2) semester units or equivalent of study authorized to meet the Multicultural requirement. Multicultural courses will not be required for schedule advancements after the completion of four (4) semester units or the equivalent, which include units in a broad general course on minority groups and/or units for an in-depth course dealing with a minority group represented in the student enrollment of the school to which the employee is assigned at the time the study was completed. The above units may also be used to qualify for schedule advancement. (Article XIV, Section 22.0)
