### Survey Instructions:

Please complete the annual LAUSD *School Experience Survey*. Your opinions help us to learn about what we are doing right and where we need to make improvements. Your responses will be kept completely confidential so that no one at your child's school will see your individual responses.

**Our goal is for *every* parent to participate in the School Experience Survey. As an important part of the school community, your voice is essential and your thoughts matter.**

- You should receive one survey for *each school* that your children attend. This means that you may receive more than one survey if you have children in different LAUSD schools.
- If you have more than one child at the same school, please complete this survey on behalf of your *oldest child* at this school.
- Please use a blue or black ink pen (no markers) and fill in the entire circle for each answer choice on the survey (NO check marks “✓” or “X” marks).
- ***When finished, send your completed survey back to the school in the envelope provided no later than December 5, 2018.***
- If you prefer, you may take the survey online until December 7, 2018 by going to [achieve.lausd.net/schoolexperiencesurvey](http://achieve.lausd.net/schoolexperiencesurvey) and clicking “I am a parent” and entering the “Parent Survey Code” printed above in the upper right-hand corner of this page.

If you have any questions, please ask your school staff about the School Experience Survey or contact the LAUSD School Experience Survey office at (213) 241-5600. For more information about the survey, visit [achieve.lausd.net/schoolexperiencesurvey](http://achieve.lausd.net/schoolexperiencesurvey).

**Thank you so much for helping to improve the quality of education in our schools!**
