

California Career Resource Network

California Department of Education

www.californiacareers.info

The California Department of Education's California Career Resource Network (CalCRN) provides career exploration and planning resources to strengthen the career readiness skills of California's middle and high school students.

The CalCRN website hosts the **Career and College Readiness Lesson Plans** and has links to all CalCRN resources, which include the following:

The **California CareerZone** is a career exploration system providing four easy-to-use career assessment tools. It connects users with information on more than 900 California occupational options and colleges across the country. The "Make Money Choices" budgeting tool helps students make the connection between future lifestyle choices and occupations that can financially support those choices. Free student account and educator account features. See details on reverse side.

The **California Career Center** is a comprehensive "virtual counselor" with career and college exploration and planning resources and tools to help students begin their career journeys. Free student account feature. The Career Center's focus is on students, but it contains resources for counselors, teachers, parents, and guardians. Includes a Lesson Plan Creator for educators. See details on reverse side.

Mobile Applications

The **My Stuff Resume** enables students to create and revise resumes that can also be created and revised in their California Career Center "My Stuff" student accounts. Download from the Apple App Store or Google Play Store.

The **My Stuff CAP** enables students to create and revise Career Action Plans that can also be created and revised in their California Career Center "My Stuff" accounts. Download from the Apple App Store or Google Play Store.

The **Career Surfer** is a tool for beginning career exploration and planning. Students can take an interest quiz and then explore snapshots of the more than 900 occupations on their mobile devices. Text-to-speech enabled. Download from the Apple App Store or Google Play Store.

Support Personnel Accountability Report Card (SPARC) www.sparconline.net

The SPARC online tool enables school site student support teams to create a unique, publishable document highlighting the impact their staff and programs are having on student career and college readiness.

Join the **CalCRN email list!** Write to John Merris-Coots at the email address below or go to the "About" tab at www.californiacareers.info.
