Chapter 40 - Honoring Our Retirees

Today's note of gratitude is a video tribute to our amazing retirees.

I've said often that this is a marathon, not a sprint. Well, our retirees have run the marathon, touched thousands of lives, and earned the right to revel in whatever pastimes and forms of self-care they wish each day. I'm so grateful for everything they've done and excited for what they'll experience next.

Please enjoy our video tribute to these retirees by clicking on the image below or using [this link](#). (You can pause the video anytime to read the personalized messages these retirees and their supervisors have shared).

After watching the video, please join me in celebrating these retirees by posting a nice comment to them on the [2020 Reflections](#) page under Chapter 40.

Sincerely,

Pia and SHHS Leadership Team
