Chapter 41 - A Video Message From Me

For the final reflection of the 2019-20 school year, I wanted to do something a little more personal.

So, I put my thoughts on video this time, as a way of expressing my gratitude straight from the heart—and straight from my home.

Please enjoy this final video reflection by clicking on the image below or using [this link](#).

Thank you for everything.

Sincerely,

Pia
