

BUS DRIVER TRAINEE

DEFINITION

A Bus Driver Trainee participates in a training program in which they will receive classroom instruction and behind-the-wheel procedures and training to learn to operate a "transit" school bus of up to 38,000 pounds gross vehicle weight.

TYPICAL DUTIES

Learns to operate a school bus in transporting students to and from school and other locations as scheduled and receives training and demonstrates a learned capability in the following:

- Applicable provisions of the California Motor Vehicle code, Education Code, District and City regulations regarding transportation of students.

- Proper student behavior and safe riding practices on the bus.

- Complete pre-trip inspections such as fuel and oil levels, tire inflation, post –trip, and other mechanical conditions affecting safety; and make minor emergency repairs.

- Student specific bus evacuation procedures and other emergency drills.

- Approved first-aid procedures.

- Rules and regulations regarding proper file documentation

- Procedure to lift or assist students with disabilities on and off the bus.

Performs related duties as assigned.

DISTINGUISHING CHARACTERISTICS AMONG RELATED CLASSES

A Bus Driver Trainee is placed in a temporary, part-time, non-benefited District position while participating in the school bus certificate training program.

A Heavy Bus Driver drives a large "transit" school bus with the engine under or behind the driver seat.

A Light Bus Driver drives a school bus of less than 78 passenger capacity with the engine typically in front of the driver seat.

SUPERVISION

General supervision is received from a Driver Trainer (Bus-Truck) and/or Transportation Services Manager. No supervision is exercised.

CLASS QUALIFICATIONS

Knowledge of:

- Basic safe driving practices

- Provisions of the California Vehicle Code, and traffic ordinances of local governmental agencies within the District boundaries
