

CHARTER SCHOOLS OPERATIONS COORDINATOR

DEFINITION

Manages, coordinates, plans, develops, and implements various charter school programs or projects, which may include Proposition 39.

TYPICAL DUTIES

Manages, coordinates, plans, develops, and implements various charter school programs or projects by performing a combination of the following duties:

- Manages, develops, and implements the procedures, functions, and the processes for various charter school programs or projects, which may include Proposition 39.
- Writes, reviews, and develops reports, presentations, memoranda, correspondence, and reference guides related to various charter school programs or projects, which may include Proposition 39, for the Superintendent, Board Members, district staff, and external stakeholders.
- Develops systems to collect, codify, and disseminate effective co-location practices to other charters as well as LAUSD schools.
- Assist the Charter Schools leadership in developing the charter school strategic plan and accountability measures, processes, and tools, including knowledge and performance management.
- Identifies, reviews, and executes solutions to annual facilities offers related to Proposition 39.
- Analyzes charter school operational and facilities plans to determine viability of potential charter school development/authorization.
- Generates and maintains public relations for various Charter School programs or projects, which may include Proposition 39.
- Confer with the Facilities Services Division and other District Departments to ensure that timelines, requirements, and needs are met (e.g., related to co-locations).
- Assists in drafting charter school facilities-related policies and procedures.
- Coordinates and reviews the establishment of records and the preparation of required reports in order to assure compliance with laws, governmental regulations, and District policies and procedures.
- Assists the Charter Schools Division, and the Facilities Services Division leadership with the management of Charter Bond funds.
- Assists with the development of active inventory of potential Proposition 39 facility space.

- May represent and act on behalf of the Charter Schools Division leadership as directed.
- May assist in addressing operations related matters concerning charter school occupancy on District sites e.g., Public School Choice.
- Performs related duties as assigned.

DISTINGUISHING CHARACTERISTICS AMONG RELATED CLASSES

A Charter Schools Operations Coordinator manages, coordinates and administers the implementation of various charter school programs or projects, which may include Proposition 39, as well as the development and direct application of innovative operations, processes, procedures and services to appropriately support new program designs and operational consistency across all division programs.

The Charter Schools Operations Manager leads and manages the unit that coordinates and administers the implementation of all aspects of the Proposition 39 annual process, supports the school operations at all co-located campuses, and provides support for all general facilities matters for independent charter schools.

SUPERVISION

General supervision is received from the Charter Schools Operations Manager. General supervision is exercised over lower-level technical and clerical classified personnel.

CLASS QUALIFICATIONS
