LOS ANGELES UNIFIED SCHOOL DISTRICT

RFP NO.: 2000000482
SAFE & CIVIL PLAY

STATEMENT OF WORK

Contractor will develop and implement, for District students in Kindergarten through Grade 8, a structured and organized program of physical activity that discourages bullying and teaches students strategies for reducing tension and resolving conflicts. For schools that take advantage of the program, the program would be applied at every recess and during every lunch period and may also be applied before and after school.

The program Contractor offers District schools will include a wide variety of games, be inclusive of all students, regardless of gender or ability, and will be designed to foster respect, collaboration and leadership. Ideally, the program will encourage and empower older children to mentor younger ones and will be positive and fun as opposed to militaristic.

The program activities should be tied to the physical education curriculum at the school where the services are provided such that, through the program, the students will apply the skills learned in their physical education classes. The program activities should also teach those skills and develop those attributes identified in the FITNESSGRAM Performance Standards in effect at the time.

For each school to which Contractor agrees to provide an activity program, the Contractor will make available at least one staff person qualified to manage the activities, who will, in fact, manage them. To "manage" the program activities, the on-site staff person will run the games, direct the physical activity and ensure that all students are involved.

Contractor will offer services on an hourly basis, per day, per month (where the services would be provided for at least four hours per school day and for at least 20 school days per month), per quarter (at least four hours per day for 60 school days) or for an entire school year (4 hours per day for 180 days). To the extent the service-provider is unwilling or unable, through no fault of the District's, to provide four hours of service on any particular day, either the school and the service-provider will agree on dates on which the service-provider can make up the time or, if they cannot agree or if the time for the period in question (day, month, quarter or year) has expired, charges for the period will be pro-rated to reflect the actual number of hours or days on which services are actually provided.

END OF STATEMENT OF WORK
Physical Activity Programming and Training

A World Fit for Kids! (WFIT) is an internationally recognized leader in designing and implementing high quality physical activity programming during the school day and after school. WFIT is a recipient of the Governor’s Council on Physical Fitness and Sports Gold Medal for “positively impacting the physical activity, fitness and well-being of California’s children and youth”.

Since 1993, we have provided daily healthy behaviors programming for over 300,000 elementary, middle and high school students at 20 LAUSD campuses. An external evaluation confirms that WFIT students are strengthening their academic skills as well as their social-emotional capacities. WFIT sites have been certified as Healthy Behaviors Learning Centers by the CA Department of Public Health.

Our team has trained more than 3,200 teachers and afterschool staff, 11,000 parents, college athletes and teens, and over 1,500 Nike employees to serve as physical activity coach-mentors in schools and communities across the US and Brazil. 80% of teachers and staff from other organizations trained by WFIT reported positive changes in their students’ behavior and focus!

A World Fit For Kids! Program Summary:

- Coaches will customize activities to facilitate small groups or multiple classes to provide structured active learning before, during or after school - 4 hours a day, 5 days a week
- Activities are aligned with CA State standards and promote cross-curricular integrations
- Students acquire the skills and fitness levels they need to improve Fitnessgram assessments
- Activities integrate youth development and asset building principles and practices to ensure all students are able to fully participate regardless of age, physical ability or skill levels
- Alignment with bullying prevention policies/programs while promoting personal and social growth
- Creation of a physically and emotionally safe environment that fosters respect, promotes collaboration and provides opportunities for student leadership and conflict resolution
- Support for your staff to provide quality physical education classes and physical activity programs
- WFIT staff work closely with Administration to optimize space, equipment and time and provide modeling, training, coaching, and mentoring to build the capacity of staff to succeed and excel!

Staff Training and Qualifications:

- WFIT physical activity leaders are experienced WFIT staff, Retired PE teachers, or PE majors from local colleges/universities who receive a minimum of 9 hours of intensive PAL training
- WFIT will also train current school staff (teachers assistants, supervision aids, afterschool staff) to meet qualifications to be WFIT physical activity leaders at your school
- LAUSD fingerprinting and TB requirements, First Aid and CPR Certified
Contracting Procedure

Principals and other responsible staff should contact the representatives of the selected firm(s) to obtain information on scheduling. The pricing is contained within this directory. If there are any questions on prices, please contact Procurement Services Division at (213) 241-8708 and ask to speak with a Contact Analyst.

Step by Step

1. Review and compare the attached summary of qualifications and pricing to see which vendor and program would best fits your school’s needs. Contact one or more vendor(s) that offer(s) services of interest to your school to obtain information on scheduling. Once a decision has been made, complete the Work Order Request form and obtain the two required signatures.

2. Create a shopping cart:
   a. Reference
      i) Vendor # (enter in “Preferred Vendor” field)
      ii) Contract # (enter in the “Sources of Supply” tab. If an error message is received at this point, contact your Shopping Cart Support Center)
      iii) The SAP Product Category for professional services is 96102.
   b. Attach the Work Order Request form to the shopping cart.

3. Confirm that vendor received the purchase order. Note all LAUSD purchase order prefix is 4500XXXXXXXX.
